**You Are Stronger than You Think** Joel Osteen, 2021-10-12 With this inspiring guide, New York Times bestselling author Joel Osteen encourages readers to discover a strength that pushes them forward, a power to do what they couldn't do before. You were designed with the ability and inner strength to stretch to the next level, to stand strong and overcome the opposition, to learn new skills, to believe bigger, dream bigger, and to take on new challenges. In *You Are Stronger than You Think*, #1 New York Times bestselling author Joel Osteen encourages you to stand firm when the difficulty is not turning around. When the pressure mounts, when you feel overwhelmed, when the struggle looks too big, or the goal is out of reach, you have to remember that is not your destiny. You are more powerful than you think. You need to see yourself the right way and realize what's already inside you. You were made to outlast the competition, to go further than you thought you could, and live a life beyond what limits you. As you read *You Are Stronger than You Think*, you will find the power to break the cycle of defeat, the courage to set a new standard for your family, the hope to conquer your fear, and the confidence to accomplish every dream. You will discover that you have more strength, more talent, more determination, and more endurance than you ever imagined. Nothing can hold you back...because *You Are Stronger than You Think*!

**You're Stronger Than You Think** Les Parrott, 2012-08-02 In *You're Stronger Than You Think*, psychologist Dr. Les Parrott helps you access the power to do what you feel you can't. With practical insights and hard-earned wisdom, he shows you that by changing how you think, understanding what you feel, and using the power that lies untapped deep in your soul, you can summon strength you didn't know you had—strength that ultimately comes from God. The secret to tapping into your inner strength is not about positive thinking or pulling yourself up by your bootstraps. Instead, it's about leveraging your strengths and overcoming your weaknesses to reveal a surprising inner-power that God has placed deep in your heart. Using a counterintuitive approach to overcoming hardship, *You're Stronger Than You Think* will help you find the unexpected power you need to pass through both the everyday and extraordinary tests of life.
