American Cookie Anne Byrn,2018-08-21 A delicious tour of America’s favorite treats, cookies, and candies from the beloved author of the bestselling Cake Mix Doctor series and American Cake IACP AWARD FINALIST • “Every recipe comes with a story as delicious as the small bite it describes. And best of all, every small bite begs to be baked.”—Dorie Greenspan, James Beard Award-winning author of *Dorie’s Cookies* Each of America’s little bites—cookies, candies, wafers, brittles—tells a big story, and each speaks volumes about what was going on in America when the recipes were created. In *American Cookie*, the New York Times bestselling author and Cake Mix Doctor Anne Byrn takes us on a journey through America’s baking history. And just like she did in *American Cake*, she provides an incredibly detailed historical background alongside each recipe. Because the little bites we love are more than just baked goods—they’re representations of different times in our history. Early colonists brought sugar cookies, Italian fig cookies, African benne wafers, and German gingerbread cookies. Each of the 100 recipes, from Katharine Hepburn Brownies and Democratic Tea Cakes to saltwater taffy and peanut brittle, comes with a lesson that’s both informative and enchanting.

Growth IQ Tiffani Bova, 2018-08-14 A WALL STREET JOURNAL BESTSELLER Do you know the best way to drive your company's growth? If not, it's time to boost your Growth IQ. Trying to find the one right move that will improve your business's performance can feel overwhelming. But, as you'll discover in Growth IQ, there are just ten simple--but easily misunderstood--paths to growth, and every successful growth strategy can be boiled down to picking the right combination and sequence of these paths for your current context. Tiffani Bova travels around the world helping companies solve their most vexing problem: how to keep growing in the face of stiff competition and a fast-changing business environment. Whether she's presenting to a Fortune 500 board of directors or brainstorming over coffee with a startup founder, Bova cuts through the clutter and confusion that surround growth. Now, she draws on her decades of experience and more than thirty fascinating, in-depth business stories to demonstrate the opportunities--and pitfalls--of each of the ten growth paths, how they work together, and how they apply to business today. You'll see how, for instance: * Red Bull broke Coca-Cola and PepsiCo's stranglehold on the soft drink market by taking the Customer Base Penetration path to establish a foothold with

adventure sports junkies and expand into the mainstream. * Marvel transformed itself from a struggling comic book publisher into a global entertainment behemoth by using a Customer and Product Diversification strategy and shifting their focus from comic books to comic book characters in movies. * Starbucks suffered a brand crisis when they overwhelmed their customers with a Product Expansion strategy, and brought back CEO Howard Schultz to course-correct by returning to the Customer Experience path. Through Bova's insightful analyses of these and many other case studies, you'll see why it can be a mistake to imitate strategies that worked for your competitors, or rely on strategies that worked for you in the past. To grow your company with confidence, you first need to grow your Growth IQ.

A Time to Blossom Tovah Martin, 2001-10-11 For generations, a love of flowers, an understanding of nature, and a knowledge of the secrets of plants has passed seamlessly from mother to daughter to granddaughter. In its deliciously entertaining text and through its beautiful photographs, A TIME TO BLOSSOM captures the essence of childhood. Whether she is climbing an apple tree, squirming through a proper tea-party visit with an elderly neighbor, dashing to hang a May basket on a friend's door, or sitting crowded and cranky on a Sunday ride with the family, Tovah Martin's childhood memories will captivate the reader. With Richard Brown's glorious photography, A TIME TO BLOSSOM reminds us of the authors' earlier book, TASHA TUDOR'S GARDEN. The text is frank, impish, nostalgic, but never cloying or sentimental. It is a recollection of childhood with all the mischief, the mystery, and the innocence intact. And for readers who want to enjoy their own mother and daughter flower projects, A TIME TO BLOSSOM is filled with practical instructions: How to make a hollyhock doll; weave a garland; press pansies, bake a scented geranium cake, force bulbs, dry flowers, make rose potpourri, grow a giant amaryllis, and much much more.
