Did You Whisper Back Kate Rigby, Set in the nineteen-seventies, 'Did You Whisper Back?' begins with Amanda Court's longing to be reunited with her estranged twin sister Jo. Following a false lead, Amanda leaves her Merseyside home and family and goes to Devon to work as a chambermaid where she believes Jo now lives. Gradually it emerges that Jo is, seemingly, just a figment of Amanda's imagination in this psychological novel about family secrets and a disturbing portrayal of the fragility of the mind. "For those who appreciate a good psychological chiller or two, *Did You Whisper Back* is one book that belongs in their libraries." newandgoodreading.wordpress.com - 20/2/2012

Pure Bliss Lexi Blake, Sophie Oak, 2019-03-05 Re-released in a second edition with new content. The town of Bliss, Colorado, offered Hope McLean a second chance at life, a gift she cherishes every day. Her past was dominated by dark secrets and regret, most of which centered on a man named Christian Grady. All of that was behind her now, years of horror distilled down into the occasional nightmare or a random feeling of being watched. Surrounded by new friends, she tried hard to leave the past where it belonged—in the rearview mirror. Raised together, James Glen and Noah Bennett were the best of friends. They dreamed of growing up in Bliss, finding love, and settling down to share their lives on the Circle G ranch. James would manage the day-to-day operations of the ranch while Noah served the town as the resident veterinarian. Everything was perfectly planned out, until a woman came between them and their future shattered. Noah left Bliss for New York City and James was left to struggle to keep the Circle G alive on his own. Noah returns to Bliss on a mission to rebuild his life. When he sees Hope, he knows his return home was meant to be. Hope's kindness shines like a beacon calling him to her. Unfortunately, he isn't the only man interested in Hope. James is also interested in the beautiful girl with a mysterious past. He can't be forced to choose between the woman of his dreams and his best friend again. As romance begins to bloom, a dark specter from Hope's past returns to claim her. To save Hope, and themselves, James and Noah will have to rebuild the relationship they lost and fight for their future with Hope together.

Open Water Caleb Azumah Nelson, 2021-04-13 WINNER OF THE COSTA FIRST NOVEL AWARD A NATIONAL BOOK FOUNDATION 5 UNDER 35 WINNER OF THE BRITISH BOOK AWARD FOR DEBUT FICTION “Open Water is tender poetry, a love song to Black art and thought, an exploration of intimacy and vulnerability between two young artists learning to be soft with each other in a world that hardens against Black people.”—Yaa Gyasi, author of *Homegoing* In a crowded London pub, two young people meet. Both are Black British, both won scholarships to private schools where they struggled to belong, both are now artists—he a photographer, she a dancer—and both are trying to make their mark in a world that by turns celebrates and rejects them. Tentatively, tenderly, they fall in love. But two people who seem destined to be together can still be torn apart by fear and violence, and over the course of a year they find their relationship tested by forces beyond their control. Narrated with deep intimacy, *Open Water* is at once an achingly beautiful love story and a potent insight into race and masculinity that asks what it means to be a person in a world that sees you only as a Black body; to be vulnerable when you are only respected for strength; to find safety in love, only to lose it. With gorgeous, soulful intensity, and blistering emotional intelligence, Caleb Azumah Nelson gives a profoundly sensitive portrait of romantic love in all its feverish waves and comforting beauty. This is one of the most essential debut novels of recent years, heralding the arrival of a stellar and prodigious young talent.

Everything to Nothing Mark Henthorne, 2012-01-26 A contemporary novel charting the rise and decline of relationships set in a modern Britain; relationships set against the lives and privilege of the mega rich to the despair of down and outs. As the relationships develop between Sally and David, Michelle and Simon, contrasted with Sarah's destructive drug fuelled affair with Peter, Sally's privileged upbringing and relationship with her father is scrutinised. The power of great wealth is set against the ordinariness of the other characters' backgrounds. The heart of the book however highlights the ongoing and unstoppable repercussions of Peter's actions. He is a hard, greedy and unfeeling man. As a direct result of Peter's actions and manipulation of a vulnerable Sarah, there is a later breakdown of David and Sally's relationship and the disintegration of the friendship between Sally and Michelle. The book boldly ends with a series of tragedies. This novel certainly engages with the reader and leaves us wanting more.

Anyone who enjoys a well-written, fast-paced, noirish thriller with a great aha! moment shouldn’t miss *The Forgotten Man*.”—The Boston Globe In an alleyway in Los Angeles, an old man, clutching faded newspaper clippings and gasping his last words to a cop, lies dying of a gunshot wound. As a man, he faces the frightening possibility that this murder victim was himself a killer. Caught in limbo between a broken love affair and way too much publicity over his last case, Cole at first resists getting involved with this new case. Then it consumes him. Now a stranger’s terrifying secrets—and a hunt for his killer—give Cole a frightening glimpse into his own past. And he can’t tell if it’s forgiveness or a bullet that’s coming next. . . . “Robert Crais is a crime writer of incredible talent—his novels are not only suspenseful and deeply atmospheric but very hard to put down.”—Dan Brown, author of *The Da Vinci Code* “A brutal but exhilarating climax.”—USA Today

Gathering of Cans Robert L. Saunders, 2006-11-09 In this moving story, the reader will sense an air of greedy anticipation as it reveals particular aluminum cans that 56-year-old Zoie Baker gathers along the rural roads to raise the money to build a swimming pool for the children of her community. During this quest, the reader will find a story connected to special cans: a gold Budweiser can, a green Mountain Dew can, a Santa Claus Coca-Cola can, and a NEHI can. With each special can, the reader will be going on another special journey with Zoie; from the romantic but turbulent time of World War II, through the tumultuous decade of the 1960's; and ending with Zoie gathering cans during the 1980's. There is magic, not just because of the wondrous characters, but also the friendships formed and the joys and the sorrows realized by each unique character.

The Dark Hours of the Night Salma ., 2025-08-08 Rabia is growing up in a conservative family in Tamil Nadu. She is subject to all the restrictions that young girls in conservative families experience, and looking forward, with some nervous excitement, to all the changes that puberty may bring to her life. She does what all teens do—sneaks off to see a movie with friends, plays till the cows come home, and shares everything with her best friend, Mathina. Except the news of her Firdaus

Chitti's failed marriage. But the family is already gearing up for another wedding. Rabia doesn't like the man chosen for Wahida Akka, though she dares not say a word. When people talk to her about one of the boys, Ahmad, as her chosen one, she is overcome by confusion. Does this mean she'll have to confine herself to her home now? Amid all this, a family secret is unearthed, threatening to undo them all. Will Rabia be able to complete her education? Will the joint family survive the pressures of the world? Will patriarchy be unyielding even when men going out of town and country change their lifestyles and partners with ease? In this masterful translation of Salma's first novel, *Irandaam Jaamangalin Kathai* (2004) the author weaves together the story of Rabia, her friends, and her cousin, Wahida, in a world dominated by men, fighting their rebellions, making compromises, finding friendships and love, and living with the dull ache of desire.

Supreme Court of the State of New York ,

Swan Quarter Milton Smith, 2022-11-03 Matthew was eight when the murder occurred, and although he did not witness it, he did believe he knew who the murderer was. So began a saga that would lead him into depression, memory loss, and an inability to cope with others. With only a few of his childhood friends still with him, Matthew and they ventured through puberty, World War II, and all the adventures that came with living in a small fishing village on the North Carolina coast. As the war years drew to a close, Matthew's mother decided it was time to put him in new surroundings, and with his depression and memory loss in tow, they moved to a new small town sixty miles inland from the coast. After entering manhood, Matthew's depression seemed to subside, but it left a mark that he could never quite overcome. Eventually, the memory of what happened in Swan Quarter came roaring back, eating away at him, demanding an answer, an answer that may or may not exist.

Immortal Dark Tigist Girma, 2024-09-03 The Cruel Prince meets Ninth House in this dangerously romantic dark academia fantasy, where a lost heiress must infiltrate an arcane society and live with the vampire she suspects killed her family and kidnapped her sister. It began long before my time, but something has always hunted our family. Orphaned heiress Kidan Adane grew up far from the elusive society of vampires she was born into, where human bloodlines gain power through vampire companionship. She is obsessively protective, mildly nihilistic, and willing to do anything to save her loved ones. When her sister, June, disappears, Kidan is convinced a vampire stole her—the same vampire bound to her family bloodline, the cruel yet captivating Susenyos Sagad. To find June, Kidan must infiltrate the elite Uxlay University—where students study to inherit their family fortune and select vampire companions. Kidan must study an arcane philosophy, work with four enigmatic students, and survive living with Susenyos—even as he does everything to drive her away. It doesn't matter that Susenyos's wickedness speaks to Kidan's own violent nature and tempts her to surrender to a life of darkness. She must find her sister and kill Susenyos at all costs. When a murder mirroring June's disappearance shakes Uxlay, Kidan sinks further into the ruthless underworld of vampires, risking her very soul. There she discovers a centuries-old threat. And

June could be at the center of it. To save her sister, Kidan must bring Uxlay to its knees and either break free from the horrors of her own actions or embrace the dark entanglements of love—and the blood it requires.
