**The Republican Dream Team of 2016** Catherine S. McBreen, Kathy Seei, 2016-01-19 THE REPUBLICAN DREAM TEAM OF 2016 introduces an audacious concept to transform an overcrowded field of candidates into a powerhouse team to win the general election, while also offering an insightful and easy-to-use Voter's Guide. The Republican Dream Team of 2016 provides critical information about the background, experience, and viewpoints of Republican candidates on the issues that matter most to voters. It identifies what is really important to the electorate as conservatives and moderates prepare to vote in the 2016 primaries. The Republican Dream Team of 2016 promotes and validates with research the concept of all Republican candidates running together as a comprehensive ticket to win the general election. After Republican voters select their presidential candidate through the primary process, which of the remaining candidates should be placed in the position of vice president and the fifteen cabinet posts? Can you create the unbeatable Dream Team to win the general election? This book focuses on how candidates can build a consensus platform for reform—instead of beating each other up. By combining their efforts, the Dream Team will develop a compelling plan to attack political gridlock in Washington DC—ensuring that the much-needed transformation of the federal government can begin on January 21, 2017.

*Transforming Nigeria: Pathways to Progress and Prosperity* Zachariah Dauke Suleiman, 2011-01-01 "Transforming Nigeria: Pathways to Progress and Prosperity" envisions a future where Nigeria's full potential is realized through unity, innovation, and strategic development. The book outlines key drivers of transformation: investment in education, skills, healthcare (Human Capital Development), modernizing transportation, energy, communication (Infrastructural Development), fostering startups and research (Innovation and Entrepreneurship), and strengthening public institutions through reforms. It challenges Nigerians to harness their collective power to build a brighter and prosperous future.

**Obama, the Dreamer's Dream** Dr. Eleazar Azuoma Onyeali, 2013-10-14 As a black immigrant from Africa, author Dr. Eleazar Azuoma Onyeali offers a fresh and unique viewpoint on the campaign and election of the United States first black president, Barack Obama. Written in a two-part narrative format and previously published in Denvers Body of Christ News, Obama, the Dreamers Dream shares Onyealis thoughts, ideas, and actions in relation to the 2008 primaries, campaign, and election. It provides a short glimpse of the long journey for parity in black America. In this memoir, Onyeali recalls how he felt inspired by Obamas Hope and Change message and how he was drawn to the candidates noble cause and the dynamic grassroots movement that spread across the country. Obama, the Dreamers Dream tells of Onyealis support for Obamas refreshing and spirited platform and his enthusiasm for what he calls the Obama Phenomenon. Through this story, Onyeali shares his beliefs that Obama is a special man.

**Finding My Purpose, Finding My Way in Life** J.O. Gonzalez, 2022-01-06 Life has many alternatives, roads, and directions to follow. The right path could be to follow a straight course or go to the right or the left. How do you decide? After decades of managing fast-paced organizations, working with youth groups, facing failure, and overcoming obstacles, J. O. Gonzalez has developed a structured set of ideas and methods that can help you determine which way to go—and how to get there. By drawing on his own experiences and those of experts in various fields, the author helps you reach the innermost places of your mind and heart so you can develop your potential, define your purpose, and determine how to make it become your reality. Remember that you have choices, you are capable, and you already have what it takes. All you have to do is believe it, imagine it, decide to do it, plan it, and act!

**The Power of God Given Imagination** Ray McCollum, 2015-10-06 God has already given you the power to create your own future...you just need to learn how to use it. The Power of God-Given Imagination awakens the dreamer within you by unveiling this incredible gift and explaining its quiet necessity in your life. No faith has ever sprouted and no prayer has ever been prayed without the use of imagination. For too long the power of imagination has been associated with New Age mysticism or the secular realm of “positive thinking.” Ray McCollum defies this trend by demonstrating that the power of the human mind and imagination belongs to the church—and God expects us to use it. Within the pages of this book, you will discover exactly what the power of imagination is, how it works, and how you can use it to both transform your personal life and transform the culture around you by releasing the kingdom of God.

**The Void and the Womb** Mysore Nataraja, 2011-04-13 Norman, an American living in California, experiences childhood trauma when his parents separate. As a teenager, he is deeply affected by the fear of socialism, communism, and the potential for a nuclear war between the US and the USSR. Norman is also unnerved by the racial tension in his country and

devastated by the uncertainty of the future in a materialistic society. Norman longs for a mental state devoid of confusion. He desires a complete understanding of the philosophical messages that he had only perceived as words and concepts before, but had never truly experienced. He leaves his motherland in search of spirituality and self-realization and settles in India where he encounters numerous holy men. Norman becomes confused by the countless paths and approaches available to him. Finally, he finds a Guru who shows him the path to enlightenment. Norman attains spiritual status and assumes a new name Swami Aniketananda. His prime disciple, Vinayananda becomes instrumental in building a large spiritual institution that attracts universal attention.

*Human Rights in Nigeria's External Relations* Philip Aka, 2016-12-20 This book is a broad-ranging argument for thorough reforms at home and abroad in Nigeria as the only antidote to the nation-building dilemmas Nigeria confronts in the first quarter of the twenty-first century. Because of its enormous material and human endowments, Nigeria is dubbed the “Giant of Africa.” It is a moniker many of its leaders take seriously. Yet, Nigeria is a state rife with instability, some of it periodically erupting into violence. Given still-ongoing national security challenges in the land that notoriously includes a bloody religion-oriented terrorism, the Fourth Republic since 1999, the longest period of continuous democratic rule since independence—key to the timeline of this book—has not been insulated from the spell of instability. The main argument of this work is that internationally agreed-upon ethical standards embedded in human rights can save Nigeria. This book is a methodologically and theoretically-grounded, seminal discourse on Nigerian foreign relations that spells out the human rights or lack thereof in those relations, including underlying and impinging domestic forces. This work is set around six issues of application embedded in a temple of Nigeria’s human rights foreign policy, comprising two steps and four pillars: reconstructed national interest, increased human rights at home, redesigned peacekeeping, reshaped foreign policy machinery, increased bilateralism in foreign relations, and the use of ECOWAS as human rights tool. Although focused on the period since independence, for proper understanding of events from the past that shape the current patterns of politics in the land, this book also embodies a historical background chapter that overviews the pre-colonial and colonial eras.

**Human Rights in Nigeria's External Relations in the Age of General Muhammadu Buhari and His Successors** Philip C. Aka, 2024-07-17 Under the Fourth Republic since 1999, the challenge Nigerian leaders face like never before is how to create a state that matches the expectations of their diverse peoples at home and abroad. Taking this proposition as starting point, this book advances proposals for a human-right policy, referred to alternately in the work as principled foreign policy, for Nigeria under the Fourth Republic, taking advantage of the inestimable opportunity afforded by General Muhammadu Buhari’s departure from the political scene on May 29, 2023, after the famine, domestically and externally, wrought by his two terms of office as President. It is a broad-ranging argument, draped in the less arcane constitutional vocabulary and material of human rights, for thoroughgoing reforms at home and abroad as the only antidote to the nation-

building dilemmas Nigeria confronts in the first quarter of the twenty-first century. Buhari's departure marks the end of military teleguidance of Nigerian politics under the Fourth Republic in the camouflage of democratic rule, a birthmark of remote control dating back to the first military intervention in the country in January 1966. These momentous events within Nigeria coincide with equally epoch-making developments in the UK, Nigeria's former colonial overlord, with ripple effects in Nigeria, signified by the death of Queen Elizabeth II, after seven decades on the throne, and the emergence of Prince Charles as King of England. A new monarch in Britain adds to the opportunity that falls open for the reconfiguration of Nigeria's external relations with ramifications for the application of human rights in those relations. Despite its known disabilities, Nigeria has the potential infrastructure, including its sizable population, to conduct a human-right policy, if its leaders rationalize the country's resources more wisely.

**Ronald Reagan's Legacy of Words** Sreechinth C, RONALD REAGAN'S LEGACY OF WORDS ~ 1000+ Quotes of Ronald Reagan ~ From Hollywood to White House, the life of Ronald Reagan has gone through so many challenges. After appearing in more than fifty films, Reagan served as the president of the United States twice. During his tenure as president from 1981 to 1989 he evolved as one among the most influential presidents in the U.S history. It was Reagan's agreement with the Soviets that helped to end the Cold War. The programs that he introduced during his presidency period, has contributed so much to the growth of America. This book 'Ronald Reagan's Legacy of Words: 1000+ Quotes of Ronald Reagan' contains the words spoken by Ronald Reagan regarding different topics like, life, dream, freedom, politics, memories and many more. We have also included his brief life story which will give you an idea how this man became the 40th president of the United States.

**The American Dream and What We Must Do to Secure Our Children's Dreams** Matthew Modleski, 2011-05 For most, 'to live the dream' is often just a laughable expression we use to describe our temporary good fortune. Not with Matt Modleski. When you read his book, you will see just how real this man lived not only his dream, but lived every day to make himself, his organization and his country better than it was the day before. Matt and I were USAF fighter pilots together, training and flying demanding missions in Europe and Southwest Asia. The excitement of flying fighters, the courage required to do it effectively, and Matt's pursuit to be the best, are all here in The American Dream. Matt also passionately reflects his insightful look at our country today. He offers a most valuable and much needed review and an eye-opening process that defines a needed course of action for our Nation. Matt shows how putting emphasis on accountability will not only right the ship, but get our country back on course and the path our Founders intended. Reading this personal and extremely thought-provoking memoir will leave you motivated and energized. It is a great story of a modern-day American Patriot - one who is not just waving the flag, but is carrying it Bill Rial Colonel, USAF (Ret) In 1980 when Matt Mods Modleski joined the Air Force, less than 100 Americans had served as Thunderbird demonstration pilots. In The American

Dream you'll learn about Matt's journey to join them. See how a small town boy from a working middle class family, had the audacity to dream big, and rose from the enlisted ranks to fly as a Thunderbird pilot You'll follow Matt through the mischievous adventures of his youth, and see firsthand an unwavering persistence to overcome obstacles. But Matt's journey doesn't stop there. And in the second half of this book, you'll learn about his dream for the America he wants to leave to our children and grand children. It's a big dream, built on the core American values of Family, Faith, Competitive Spirit, Perseverance and Accountability. Whether you're joining Matt in the cockpit of his F-16, or navigating through his vision of the way forward for America, you'll be happy you decided to ride along

**Ron DeSantis** Flore Kayl,Laure Pallez,2024-04-02 This biography delves into the life of Ron DeSantis, the governor of Florida, known for his bold stance against Donald Trump and his influential role among Republican governors. Written in a non-partisan voice, the authors meticulously trace the journey of this young and provocative leader, exploring his political agenda aimed at shaping a more conservative and anti-woke America. Through thorough research and interviews with experts in Washington, DC, they uncover the rise to power of this new figure in the Republican Party and analyze his vision for the nation. Beyond merely chronicling DeSantis's life, the book offers insights into the American federal system, providing readers with a deeper understanding of the current political landscape in the United States. With an eye toward the future, the authors paint a portrait of DeSantis as a prominent political figure destined to leave a lasting impact on American politics.

**R. Edward Freeman's Selected Works on Stakeholder Theory and Business Ethics** Sergiy D. Dmytriiev,R. Edward Freeman,2023-09-20 Ed Freeman's influential ideas on stakeholder theory, business ethics, humanities, and capitalism became foundational in the management field and turned around the mainstream thinking about business. Stakeholder theory developed by Freeman and others posits that business is not as much about profits, but rather about creating value for its stakeholders, including employees, customers, communities, financiers, and suppliers. The relationship between a company and its stakeholders is the essence of business and should be of utmost attention to its managers. Managers should avoid resorting to trade-offs by prioritizing one stakeholder group (e.g., shareholders) over the others and strive to run their companies in the interests of all stakeholders. The idea of pursuing the interests of all stakeholders became revolutionary in management and went far beyond the management field, expanding to Law, Health Care, Education, Public Policy and Administration, and Environmental Policy. This book is a collection of Ed Freeman's most influential and important works on stakeholder theory as well as business ethics, humanities, and capitalism.

**History Maker** Chinedum Igbokwe,2017-08-09 Alhaji Sule Lamido is one of the most prominent politicians in contemporary Nigeria. A dogged believer in political and economic freedom, he has faced trials and torments on his way to prominence. But he knows how to rise above all vicissitude to keep his career on an upward trajectory. History Maker

presents the story of Lamidos political journey as told by different authors. It captures his origins, struggles, achievements, and travails. The book attempts to bring out the salient virtues of consistency, determination, belief in individual abilities, faith in God, and resolve to endure hardship to fulfil a personal dream, which are the hallmarks of Lamidos political life. It provides a guide to the attitude and disposition of Lamido to life and politics.

**The ABCs of Liberalism** Steven Adams, 2010 Who says facts can't be fun? This book was written for those who are of a conservative mind set but are still wandering aimlessly in the world of politics and do not have a clue as to the policies, missions and distinct differences between the Democratic and Republican parties. Infusing sarcastic political satire into the fray, the author has created a manifesto which is quite humorous yet extremely informative. An absolute must for those who have their hearts in the right place but have the political I.Q. of a salamander!
