**Abdelkader Tellat**

**Ordinary Sudan, 1504-2019** Elena Vezzadini,Iris Seri-Hersch, Lucie Revilla, Anael Poussier, Mahassin Abdul Jalil, 2023-07-24 This book starts from the premise that the study of exceptionally normal women and men - as conceived by microhistory - has radical implications for understanding history and politics, and applies this notion to Sudan. Against a historiography dominated by elite actors and international agents, it examines both how ordinary people have brought about the most important political shifts in the country's history (including the recent revolution in 2019) and how they have played a role in maintaining authoritarian regimes. It also explores how men and women have led their daily lives through a web of ordinary worries, desires and passions. The book includes contributions by historians, anthropologists, and political scientists who often have a dual commitment to Middle Eastern and African studies. While focusing on the complexity and nuances of Sudanese local lives in both the past and the present, it also connects Sudan and South Sudan with broader regional, global, and imperial trends. The book is divided into two volumes and six parts, ordered thematically. The first part tackles the entanglement between archives, social history, and power. The second focuses on women's agency in history and politics from the Funj era to the recent 2018-2019 revolution. Part 3 includes contributions on the history and global connections of the Sudanese armed forces. In the second volume, part 4 intersects the themes of urban life, leisure, and colonial attitudes with queerness. In part 5, labour identities, practices, and institutions are discussed both in urban milieus and against the background of war and expropriation in rural areas. Finally, part 6 studies the construction of social consent under various self-styled Islamic regimes, as well as the emergence of alternative imaginaries and acts of citizenship in times of political openness.

**Bureaucratizing Islam** Ann Marie Wainscott, 2017-09-14 This book analyses Morocco's unique response to counter-terrorism through the development of a religious bureaucracy to define and disseminate Islam. It will appeal to those interested in Middle Eastern politics and state-society relations in the Arab world, as well as policymakers interested in security studies and counter-terrorism policies.

*Alexandre Dumas : Oeuvres complètes - T. 2/2 (Histoire, voyages et théâtre)* Alexandre Dumas, 2014-11-18 NOUVELLE ÉDITION : Découvrez les œuvres complètes d'Alexandre Dumas (T. A PROPOS DE L'ÉDITEUR : Les éditions Arvensa sont les leaders de la littérature classique numérique. Leur objectif est de vous faire connaître les œuvres des plus grands auteurs de la littérature classique en langue française à un prix abordable tout en vous fournissant la meilleure expérience de lecture sur votre liseuse. Tous les titres sont produits avec le plus grand soin. Chaque édition contient un système de navigation intuitif et ergonomique : • Naviguez par simple clic de chapitre à chapitre ou de livre à livre. • Accédez instantanément à la table des matières hyperliée globale. • Une table des matières est placée également au début de chaque titre. Vous disposez également d'un service qualité qui s'engage à vous répondre dans les 48h. Retrouvez tous les titres des éditions Arvensa sur leur site.

*Le Coran. Nouvelles approches* Mehdi Azaiez, Sabrina Mervin, 2013-11-28 Sous l'impulsion de travaux novateurs, la recherche sur le Coran connaît depuis deux décennies un profond bouleversement. L'élargissement notable des sources (manuscrites, épigraphiques ou archéologiques), l'apport de méthodes d'analyse renouvelées, particulièrement de la réflexion herméneutique, dégagent des problématiques fécondes et ouvrent des perspectives originales. Les chercheurs français et étrangers réunis dans cet ouvrage réinterrogent l'histoire du Coran en s'appuyant sur des sources inédites : manuscrits omeyyades, sources chiites, ou graffitis du désert. Ils examinent les conditions de son émergence dans un contexte qui est celui de l'Antiquité tardive. En questionnant les relations entre le Coran et les traditions scripturaires antérieures, ils

parviennent à éclairer le travail de réécriture et de réappropriation de textes bibliques et talmudiques. Les outils de la linguistique leur permettent enfin d'analyser les formes littéraires et la langue du Coran. La relation complexe entre oralité et écriture apparaît ici en pleine lumière, de même que les spécificités de ce texte en matière d'argumentation, de polémique ou de composition

*Le roi Salomon et son temps* Friedrich Thieberger, 1957 The political, religious and literary heritage of Solomon.

**Ce que j'ai appris de l'histoire de Yūsuf** Abdelkader Tellat, 2020 L'histoire du Prophète Yūsuf nous fait découvrir le déroulement des événements de sa vie, avec ses peines et ses joies, ses souffrances et ses consolations. Elle dévêtit les personnages de leurs caractères affectés et les présente tels qu'ils sont, sans masques d'hypocrisie et de malignité. On y rencontre des caractères humains avec leur force et leur faiblesse, leur amour et leur haine, leur chagrin et leur joie, leur colère et leur plaisir, leur envie et leur altruisme ... La sourate raffine ces comportements. L'histoire évoque des situations qui dirigent l'activité de tout individu : la pulsion sexuelle, la pulsion d'envie et de jalouse, la pulsion de la prédominance. La libération de ces pulsions demande beaucoup d'entraînement, énormément de patience et d'endurance. Nous apprenons, par le récit, que les prisons, dans notre monde, logent des reclus, des prisonniers, injustement, écroués, comme Youssef. Seulement, cet esclave humilié, inculpé, était devenu la personnalité responsable la plus respectable. Ce récit constitue, donc, un moyen éducatif, un appel civilisationnel qui aspire à la réalisation d'un projet de renaissance, au nouvel essor d'une société. --page 4 of cover.

*As-saqifa ou (Le premier coup d'Etat dans l'Histoire de l'islam)* Mohammed-Rédha al-Modhaffar,

**Histoire Secrète Du Prophète Des Turcs, Traduite de L'arabe [or Rather Written By-Lancelin, of Laval].**

Muhammad (Prophet), 1754

**La Sagesse des prophètes** Muhyi-d-din Ibn'arabi, 2009-09-29 Également appelée Les chatons des sagesse (car les « formes » spirituelles des différents prophètes sertissent la sagesse divine, comme le chaton sert la pierre précieuse), cette oeuvre a marqué l'histoire du soufisme et de l'islam profond. Chaque chapitre est dédié à un des prophètes mentionnés dans le Coran, en commençant par Adam - considéré en islam comme prophète - jusqu'à Mahomet qui « scelle » la prophétie universelle. La chaîne coranique des prophètes comprend aussi le Christ et certains prophètes des anciens peuples d'Arabie, comme Salih et Hûd, que les écritures judéo-chrétiennes ne connaissent pas. La base et le point de départ de chaque chapitre est un passage de l'écriture, le plus souvent une parole que le Coran prête à l'un des prophètes. La sagesse des prophètes constitue le testament spirituel de celui que tous les soufis nomment le « vivificateur de la religion ».

**La vie du prophète** Salama Muhammed Salama, Samir Halaby, Abdel-Hamid Tawfik, 2011-02-18 Le meilleur récit à donner à lire à nos enfants est sans conteste l'histoire du Prophète ; elle leur retrace la vie et l'oeuvre du meilleur des hommes. Sa vie toute entière symbolise la religion et l'adoration, le savoir et les bonnes œuvres, la vertu et la bonne

conduite, l'héroïsme et la lutte, la clémence et la justice, le pardon et l'indulgence. Dieu l'a envoyé dans la péninsule arabique, et par son biais, Il a fait renaître une nation, établi un état et éduqué des hommes. Par lui, Il a illuminé le monde et propagé l'islam.
