American Reference Books Annual Juneal M. Chenoweth,2019-06-24 Read professional, fair reviews by practicing academic, public, and school librarians and subject-area specialists that will enable you to make the best choices from among the latest reference resources. This newest edition of American Reference Books Annual (ARBA) provides librarians with insightful, critical reviews of print and electronic reference resources released or updated in 2017-2018, as well as some from 2019 that were received in time for review in the publication. By using this invaluable guide to consider both the positive and negative aspects of each resource, librarians can make informed decisions about which new reference resources are most appropriate for their collections and their patrons' needs. Collection development librarians who are working with limited budgets—as is the case in practically every library today—will be able to maximize the benefit from their monetary resources by selecting what they need most for their collection, while bypassing materials that bring limited value to their specific environment.

The Literature Lover's Book of Lists Judie L. H. Strouf,1999-09-15 Wonderful for browsing, and invaluable for finding specific information, Literature Lovers Book of Lists is a compendium of useful and sometimes whimsical information for anyone who loves books and loves to read, at any age or reading level. It is organized into nine sections and provides nearly 200 lists relating to genres, authors, characters and settings, awards, literary terms with their definitions and much more. There are even lists of books of prose and poetry available on audiocassettes. If it has to do with literature, this book has the answers. What book has had the longest run on The New York Times best-seller list? Who is the only four-time winner of the Pulitzer Prize for drama? What is the complete list of Shakespeare's plays and poems? Who are some of the most notable African American authors? What are the three main variations of the sonnet? What famous writers belonged to The Bloomsbury Group? Literature Lovers Book of Lists is both exciting and informative at the same time.

Murder Most Foul Arelo C Sederberg, 2001 Murder Most Foul is a literary study aimed at a general audience that links and compares several great works of world literature to themes of violence and suffering. Included are Shakespeare's Hamlet, Homer's Iliad and Odyssey, Herman Melville's Moby Dick, and several works of the great Greek tragedians—Aeschylus, Sophocles, and Euripides. The gods of Greek mythology, led by the great god Zeus, were instrumental in causing the pain and strife. The author makes the point that death and destruction, war and violence assert themselves everywhere in great works, and thus draws a conclusion that it is part and parcel of existence in all eras of mankind. The title is taken from Hamlet, words spoken to Hamlet by the ghost of his murdered father.

The Cambridge Companion to the Classic Russian Novel Malcolm V. Jones, Robin Feuer Miller, 1998-04-30 Many Russian novels of the nineteenth and twentieth centuries have made a huge impact, not only inside the boundaries of their own country but across the western world. The Cambridge Companion to the Classic Russian Novel offers a thematic account of these novels, in fourteen newly-commissioned essays by prominent European and North American scholars. There are chapters on the city, the countryside, politics, satire, religion, psychology, philosophy; the romantic, realist and modernist traditions; and technique, gender and theory. In this context the work of Pushkin, Dostoevsky, Tolstoy, Turgenev, Bulgakov, Nabokov, Pasternak and Solzhenitsyn, among others, is described and discussed. There is a chronology and guide to further reading; all quotations are in English. This volume will be invaluable not only for students and scholars but for anyone interested in the Russian novel.

Collected Short Stories of Tolstoy Leo Tolstoy, 2024-05-09 A new translation into modern American English directly from the original Russian manuscript of 24 of Tolstoy's short stories. This edition contains an Afterword by the translator, a timeline of Tolstoy's life and works, and a glossary of philosophic terminology used throughout Tolstoy's literature and philosophy. These 24 stories are his most profound philosophical narratives across his life, many of whom were unpublished in English until now. From the reflections of a billiard-marker in Marker's Notes to the tragic fate of Russian soldiers in How Russian Soldiers Die, these sharp narratives into the pity of human life. Tolstoy's exploration of mortality and death in Three Deaths and The Leap provide thought-provoking reflections on the consequences of choices and actions. Additionally, stories like The Blizzard and The Surat Coffeehouse offer vivid portrayals of the transformative power of nature and unexpected human connections. Throughout his short stories, Tolstoy's profound observations and skillful storytelling captivate readers, inviting them to contemplate life from one of the century's greatest thinkers. Many of these short stories are distillations of

Handbook of Ratings Alexander Karminsky,Andrey Polozov,2016-08-04 This handbook presents a systematic overview of approaches to, diversity, and problems involved in interdisciplinary rating methodologies. Historically, the purpose of ratings is to achieve information transparency regarding a given body's activities, whether in the field of finance, banking, or sports for example. This book focuses on commonly used rating methods in three important fields: finance, sports, and the social sector. In the world of finance, investment decisions are largely shaped by how positively or negatively economies or financial instruments are rated. Ratings have thus become a basis of trust for investors. Similarly, sports evaluation and funding are largely based on core ratings. From local communities to groups of nations, public investment and funding are also dependent on how these bodies are continuously rated against expected performance targets. As such, ratings need to reflect the consensus of all stakeholders on selected aspects of the work and how to evaluate their success. The public should also have the opportunity to participate in this process. The authors examine current rating approaches from a variety of proposals that are closest to the public consensus, analyzing the rating models and summarizing the methods of their construction. This handbook offers a valuable reference guide for managers, analysts, economists, business informatics specialists, and researchers alike.

War and Peace Leo Tolstoy,Aylmer Maude,Louise Maude,2014-07-21 War and Peace is a novel by the Russian author Leo Tolstoy, first published in 1869. The work is epic in scale and is regarded as one of the most important works of world literature. It is considered as Tolstoy's finest literary achievement, along with his other major prose work, Anna Karenina

(1873-1877). War and Peace delineates in graphic detail events surrounding the French invasion of Russia, and the impact of the Napoleonic era on Tsarist society, as seen through the eyes of five Russian aristocratic families. Portions of an earlier version of the novel, then known as The Year 1805, were serialized in the magazine The Russian Messenger between 1865 and 1867. The novel was first published in its entirety in 1869. Newsweek in 2009 ranked it first in its list of the Top 100 Books. In 2003, the novel was listed at number 20 on the BBC's survey The Big Read. Tolstoy himself, somewhat enigmatically, said of War and Peace that it was not a novel, even less is it a poem, and still less a historical chronicle. Large sections of the work, especially in the later chapters, are philosophical discussion rather than narrative. He went on to elaborate that the best Russian literature does not conform to standard norms and hence hesitated to call War and Peace a novel. (Instead, Tolstoy regarded Anna Karenina as his first true novel.) War and Peace has a large cast of characters, the majority of whom are introduced in the first book. Some are actual historical figures, such as Napoleon and Alexander I. While the scope of the novel is vast, it is centered around five aristocratic families. The plot and the interactions of the characters take place in the era surrounding the 1812 French invasion of Russia during the Napoleonic wars. The novel begins in July 1805 in Saint Petersburg, at a soirée given by Anna Pavlovna Scherer—the maid of honour and confidante to the queen mother Maria Feodorovna. Many of the main characters and aristocratic families in the novel are introduced as they enter Anna Pavlovna's salon. Pierre (Pyotr Kirilovich) Bezukhov is the illegitimate son of a wealthy count, an elderly man who is dying after a series of strokes. Pierre is about to become embroiled in a struggle for his inheritance. Educated abroad at his father's expense following his mother's death, Pierre is essentially kindhearted, but socially awkward, and owing in part to his open, benevolent nature, finds it difficult to integrate into Petersburg society. It is known to everyone at the soirée that Pierre is his father's favorite of all the old count's illegitimate children. Also attending the soirée is Pierre's friend, the intelligent and sardonic Prince Andrei Nikolayevich Bolkonsky, husband of Lise, the charming society favourite. Finding Petersburg society unctuous and disillusioned with married life after discovering his wife is empty and superficial, Prince Andrei makes the fateful choice to be an aide-de-camp to Prince Mikhail Ilarionovich Kutuzov in the coming war against Napoleon. The plot moves to Moscow, Russia's ancient city and former capital, contrasting its provincial, more Russian ways to the highly mannered society of Petersburg. The Rostov family are introduced. Count Ilya Andreyevich Rostov has four adolescent children. Thirteen-year-old Natasha (Natalia Ilyinichna) believes herself in love with Boris Drubetskoy, a disciplined young man who is about to join the army as an officer. Twenty-year-old Nikolai Ilyich pledges his love to Sonya (Sofia Alexandrovna), his fifteen-year-old cousin, an orphan who has been brought up by the Rostovs.
