Little House in the Big Woods Book and Charm Laura Ingalls Wilder,2005-10-18 America's Original Pioneer Girl Meet Laura Ingalls, the little girl who would grow up to write the Little House books. Wolves and panthers and bears roam the deep Wisconsin woods in the late 1870's. In those same woods, Laura lives with Pa and Ma, and her sisters, Mary and Baby Carrie, in a snug little house built of logs. Pa hunts and traps. Ma makes her own cheese and butter. All night long, the wind howls lonesomely, but Pa plays the fiddle and sings, keeping the family safe and cozy. Little House in the Big Woods is the first book in the Laura Years series.

Little House, Long Shadow Anita Clair Fellman,2008-05-21 Beyond their status as classic children's stories, Laura Ingalls Wilder's Little House books play a significant role in American culture that most people cannot begin to appreciate. Millions

of children have sampled the books in school; played out the roles of Laura and Mary; or visited Wilder homesites with their parents, who may be fans themselves. Yet, as Anita Clair Fellman shows, there is even more to this magical series with its clear emotional appeal: a covert political message that made many readers comfortable with the resurgence of conservatism in the Reagan years and beyond. In *Little House, Long Shadow*, a leading Wilder scholar offers a fresh interpretation of the Little House books that examines how this beloved body of children's literature found its way into many facets of our culture and consciousness—even influencing the responsiveness of Americans to particular political views. Because both Wilder and her daughter, Rose Wilder Lane, opposed the New Deal programs being implemented during the period in which they wrote, their books reflect their use of family history as an argument against the state's protection of individuals from economic uncertainty. Their writing emphasized the isolation of the Ingalls family and the family's resilience in the face of crises and consistently equated self-sufficiency with family acceptance, security, and warmth. Fellman argues that the popularity of these books—abetted by Lane's overtly libertarian views—helped lay the groundwork for a negative response to big government and a positive view of political individualism, contributing to the acceptance of contemporary conservatism while perpetuating a mythic West. Beyond tracing the emergence of this influence in the relationship between Wilder and her daughter, Fellman explores the continuing presence of the books—and their message—in modern cultural institutions from classrooms to tourism, newspaper editorials to Internet message boards. *Little House, Long Shadow* shows how ostensibly apolitical artifacts of popular culture can help explain shifts in political assumptions. It is a pioneering look at the dissemination of books in our culture that expands the discussion of recent political transformations—and suggests that sources other than political rhetoric have contributed to Americans' renewed appreciation of individualist ideals.

In those same woods, Laura lives with Pa and Ma, and her sisters, Mary and Baby Carrie, in a snug little house built of logs. Pa hunts and traps. Ma makes her own cheese and butter. All night long, the wind howls lonesomely, but Pa plays the fiddle and sings, keeping the family safe and cozy. *Little House on the Prairie* Pa Ingalls decides to sell the little log house, and the family sets out for Indian country! They travel from Wisconsin to Kansas, and there, finally, Pa builds their little house on the prairie. Sometimes farm life is difficult, even dangerous, but Laura and her family are kept busy and are happy with the promise of their new life on the prairie. *Farmer Boy* While Laura Ingalls grows up in a little house on the western prairie, Almanzo Wilder is living on a big farm in New York

State. Almanzo and his brother and sisters work at their chores from dawn to supper most days -- no matter what the weather. There is still time for fun, though, especially with the horses, which Almanzo loves more than anything. On the Banks of Plum Creek Laura's family's first home in Minnesota is made of sod, but Pa builds a clean new house made of sawed lumber beside Plum Creek. The money for materials will come from their first wheat crop. Then, just before the wheat is ready to harvest, a strange glittering cloud fills the sky, blocking out the sun. Soon millions of grasshoppers cover the field and everything on the farm. In a week's time, there is no wheat crop left at all. By the Shores of Silver Lake Pa Ingalls heads west to the unsettled wilderness of the Dakota Territory. When Ma, Mary, Laura, Carrie, and baby Grace join him, they become the first settlers in the town of De Smet. And Pa begins work on the first building in what will soon be a brand-new town on the shores of Silver Lake. The Long Winter The first terrible storm comes to the barren prairie in October. Then it snows almost without stopping until April. Snow has reached the rooftops, and no trains can get through with food or coal. The people of De Smet are starving, including Laura's family, who wonder how they're going to make it through this terrible winter. It is young Almanzo Wilder who finally understands what needs to be done. He must save the town, even if it means risking his own life. Little Town on the Prairie The long winter is over. With spring come socials, parties, and Literaries. There is also work to be done. Laura spends many hours each day sewing shirts to help send Mary to a college for the blind. But in the evenings, Laura makes time for a new caller, Almanzo Wilder. These Happy Golden Years Laura is teaching school, and it's terrifying! Most of the students are taller than she is, and she must sleep away from home for the first time. Laura is miserable, but the money is needed to keep Mary in a college for the blind. And every Friday -- no matter what the weather -- Almanzo Wilder arrives to take Laura home to her family for the weekend. Laura and Almanzo are courting, and even though she's not yet sixteen, she knows that this is a time for new beginnings. The First Four Years Laura and Almanzo Wilder have just been married! Their life on a small prairie homestead begins with high hopes. But each year seems to bring unexpected disasters -- storms, sickness, fire, and unpaid debts. These first four years call for courage, strength, and a great deal of determination. Always, though, there is love, especially for the newest member of the family -- baby Rose.
