Romance Fiction Kristin Ramsdell, 2012-03-02 A comprehensive guide that defines the literature and the outlines the best-selling genre of all time: romance fiction. More than 2,000 romances are published annually, making it difficult for fans and the librarians who advise them to keep pace with new titles, emerging authors, and constant evolution of this dynamic genre. Fortunately, romance expert and librarian Kristin Ramsdell provides a definitive guide to this fiction genre that serves as an indispensable resource for those interested in it—including fans searching for reading material—as well as for library staff, scholars, and romance writers themselves. This title updates the last edition of *Romance Fiction: A Guide to the Genre*, published in 1999. While the emphasis is on newer titles, many of the important older classics are retained, keeping the focus of the book on the entire genre, instead of only those titles published during the last decade. Specific changes include new chapters on linked and continuing romances, a new section on Chick Lit in the Contemporary Romance chapter, an expansion of coverage on the alternative reality subset. This is THE romance genre guide to have.

Jacob, 2000-10-10 Keeping track of prolific authors who write fiction series was quite challenging for even the most ardent fan until *To Be Continued* debuted in 1995. Among the genre categories that can be found in *To Be Continued* are romance, science fiction, crime novel, horror, adventure, fantasy, humor, western, war, Christian fiction, and others.

Beyond the Farthest Star Bodie Thoene, Brock Thoene, 2012-01-03 When a nativity display on public property is torched by a former US Senator, the media spotlight falls on the forgotten small town of Leonard, Texas, and the new pastor of its only church—Adam Wells. Emboldened by the prospect of leading his tiny congregation in a nationally-televised, first amendment debate that he considers to be a “fight for the heart and soul of America,” Pastor Wells determines not to let anything or anyone, including his wife and his rebellious sixteen-year old daughter, stand in his way. But when an old high school friend unexpectedly shows up in their small town and a past secret is revealed, Pastor Wells’ constitutional crusade collides with an even greater fight—the fight for the heart and soul of his marriage, his daughter, and, even his own life. In this modern-day story of betrayal, forgiveness, and finally redemption, Adam Wells discovers, for the first time, the meaning of the story he’s been preaching all his life...and his desperate daughter understands what really is beyond the farthest star. Award-winning authors, Bodie and Brock Thoene, have written an emotional and authentic drama based on a screenplay by Andrew Librizzi and now a major motion picture.

The Men Will Talk to Me (Ernie O'Malley series Kerry) Cormac O'Malley, Tim Horgan, 2012-06-01 County Kerry saw many of the most vicious episodes in both the War of Independence and the Civil War. Many Republican survivors of these events were reluctant to speak about their experiences, even to their own family. However, they were willing to talk to Ernie O'Malley, who was the senior surviving Republican military commander from the period of those struggles. By transcribing O'Malley's notebooks, where he recorded these interviews, Cormac O'Malley and Tim Horgan have made available previously unpublished first-hand accounts of Kerry's role in the fight for independence. The interviews provide an unrivalled insight into this important period of Irish history, including controversial incidents such as the Ballyseedy massacre, the battle at Headford Junction and executions by the Free State forces.

The Jerusalem Scrolls Bodie Thoene, Brock Thoene, 2001 In an exciting twist to the existing series, *The Jerusalem Scrolls*, the fourth book, takes the story back in time to tell an ancient tale of love, faith, and redemption.

Encyclopedia of Contemporary Christian Fiction Nancy M. Tischler, 2009-09-10 A biographical encyclopedia of American and British Christian-themed writers from World War II to the present, covering acclaimed literary works and popular evangelical fiction. *Encyclopedia of Contemporary Christian Fiction: From C.S. Lewis to Left Behind* spans the entire breadth of Christian-themed British and American writing from World War II to the present—well-known and less familiar authors, acclaimed literary novels, and popular writing in a variety of genres (mysteries, thrillers, romances), works that explore matters of faith, works that challenge orthodoxy and church practices, and works wholly written by and for devout evangelicals. *Encyclopedia of Contemporary Christian Fiction* offers 90 alphabetically organized entries covering the field's most important writers. Each entry includes a brief biography, religious and educational background, a survey of major works and themes, and a summary of critical response, as well as a bibliography of major works and criticism. By examining evocative, sometimes overlooked Christian elements in modern fiction, and by exploring the depth and scope of popular evangelical fiction, *Encyclopedia of Contemporary Christian Fiction* offers the richest, most complete portrait of the role of faith in modern English writing ever published.

Behold the Man Bodie Thoene, Brock Thoene, 2016-03-01 Encounter the death and resurrection of Jesus of Nazareth in this culmination of the *Jerusalem Chronicles*. How could Jesus—who preached righteousness before God, and love and mercy toward neighbors—be so hated and pursued? To the Temple officials, he was a threat to the livelihood and authority of the priesthood. To Herod Antipas, he was a threat to his ambition to be the King of the Jews. And to the Roman overlords, he was seen as a dangerous threat; a man who commanded an army of the common people. He could heal wounds, offer miraculous

provisions, and even raise from the dead. If Jesus had accepted popular acclaim and become an earthly king, he would have been unstoppable. Jesus's last days are explored through three people who interacted with him: Governor Pilate, for whom Judea will either make or break his career; Pilate's wife, Claudia, desperately seeking aid for her much loved, crippled son; and Centurion Marcus Longinus, caught in the middle between loyalty to the Empire, love for Claudia, and an ever-increasing belief in Jesus as the Son of God. After encountering Jesus, none of them will ever be the same.

Face to Face with Jesus Bodie Thoene,Samaa Habib,2014-05-27 It starts as a story ripped from the headlines of the war-torn Middle East. An extremist faction of Islam bombs a church during a service. The one door in the back isn't big enough for five hundred people trying to escape. Some are killed. But after the chaos and fire and smoke, one young woman comes back to life. In this thrilling true tale, death does not have the final word. From the first time Samaa heard the Lord Jesus calling her out of Islam into faith in Him, till she met Him face to face in heaven, her life is marked by God's supernatural love and power. Full of hope and encouragement, and overflowing with Jesus' love, her riveting account reveals the power of God to break through any circumstance--and is a moving reminder that, in a place beyond what we can imagine, we have a Savior waiting to welcome us face to face.
