The Light We Lost: Reese's Book Club Jill Santopolo, 2018-02-06 The New York Times Bestseller and A Reese's Book Club Pick "This love story between Lucy & Gabe spans decades and continents as two star-crossed lovers try to return to each other...Will they ever meet again? This book kept me up at night, turning the pages to find out, and the ending did not disappoint."—Reese Witherspoon "One Day meets Me Before You meets your weekender bag."—The Skimm "Extraordinary."—Emily Giffin He was the first person to inspire her, to move her, to truly understand her. Was he meant to be the last? Lucy is faced with a life-altering choice. But before she can make her decision, she must start her story—their story—at the very beginning. Lucy and Gabe meet as seniors at Columbia University on a day that changes both of their lives forever. Together, they decide they want their lives to mean something, to matter. When they meet again a year later, it seems fated—perhaps they'll find life's meaning in each other. But then Gabe becomes a photojournalist assigned to the Middle East and Lucy pursues a career in New York. What follows is a thirteen-year journey of dreams, desires, jealousies, betrayals, and, ultimately, of love. Was it fate that brought them together? Is it choice that has kept them away? Their journey takes Lucy and Gabe continents apart, but never out of each other's hearts. This devastatingly romantic debut novel about the enduring power of first love, with a shocking, unforgettable ending, is Love Story for a new generation. "It's the epic love story of 2017."—Redbook

Soon, Nina begins to see the men in her life--her father, her boyfriend, and unexpectedly, her boss, Rafael--in a new light, finding herself caught between the world she loves, and a passion that could upend everything. The Love We Found Jill Santopolo, 2025-03-18 The long-awaited follow-up to the Reese's Book Club pick and New York Times bestselling global phenomenon *The Light We Lost*: a thrilling love story about the roles fate and choice play in shaping a life. It's been ten years. In case you're out there somewhere. In case you're listening, I'm here. And I have so much to tell you. It's been nearly ten years since Gabe's been gone when Lucy finds a tiny piece of paper in a box of his old photos. An address in Rome. Why did Gabe keep it, and what was he doing in Italy? Lucy buys a last-minute plane ticket. Impulsive, but Gabe always brought that out in her. Lucy's journey to uncover Gabe's secret leads her to Dr. Dax Armstrong, a New Yorker in Italy working with an NGO. His broad shoulders and sad, intense eyes draw Lucy in. His touch reaches her in a forgotten place—one that no one has neared since Gabe. How can Lucy move forward while she's rooted in the past? Fate broke her heart once. Can finding new love set her free?

Stars in an Italian Sky Jill Santopolo, 2023-02-28 From the New York Times bestselling author of *The Light We Lost* comes a sweeping story of two star-crossed lovers in post-World War II Italy, and a blossoming relationship generations later that will reveal a long-buried family secret. Genoa, Italy, 1946. Vincenzo and Giovanna fall in love at twenty-one the moment they set eyes on each other. The son of a count and the daughter of a tailor, they belong to opposing worlds. Despite this, the undeniable spark between them quickly burns into a deep and passionate relationship spent exploring each other's minds, bodies and their city, as well as Vincenzo's family's sprawling vineyard, Villa Della Rosa—until shifts in political power force them each to choose a side and commit what the other believes is a betrayal, shattering the bright future they dreamed of together. New York, 2017. Cassandra and Luca are in love. Although neither quite fits with the other's family, Cass and Luca have always felt like a perfect match for each other. But when Luca, an artist, convinces his grandfather and Cass's grandmother to pose for a painting, past and present collide and reveal a secret that changes everything.

Everything After Jill Santopolo, 2021-03-09 *The Light We Lost* mixes with a touch of *Daisy Jones and the Six* in this novel of first love, passion, and the power of choice—and how we cannot escape the people we are meant to be. Two loves. Two choices. One chance to follow her dreams. Emily has come a long way since she lost her two passions fifteen years ago: music, and Rob. She's a psychologist at NYU who helps troubled college students like the one she once was. Together with her caring doctor husband, Ezra, she has a beautiful life. They're happy. They hope to start a family. But when a tragic event in Emily's present too closely echoes her past, and parts of her story that she'd hoped never to share come to light, her perfect life is suddenly upturned. Then Emily hears a song on the radio about the woman who got away. The melody and voice are hauntingly familiar. Could it be? As Emily's past passions come roaring back into her life, she'll find herself asking: Who is she meant to be? Who is she meant to love?

Little Pieces of Me Alison Hammer,2024-04-16 A powerful story of family and connection that is just as fun as it is heartbreaking. I didn't want the story to end. — Jill Santopolo, New York Times bestselling author of The Light We Lost and Everything After Following her acclaimed debut novel, You and Me and Us, Alison Hammer offers a deeply moving story of family and identity. When a DNA test reveals a long-buried secret, a woman must look to the past to understand her mother and herself. When Paige Meyer gets an email from a DNA testing website announcing that her father is a man she never met, she is convinced there must be a mistake. But as she digs deeper into her mother's past and her own feelings of being the odd child out growing up, Paige begins to question everything she thought she knew. Could this be why Paige never felt like she fit in her family, and why her mother always seemed to keep her at an arm's length? And what does it mean for Paige's memories of her father, a man she idolized and whose death she is still grieving? Back in 1975, Betsy Kaplan, Paige's mom, is a straightlaced sophomore at the University of Kansas. When her sweet but boring boyfriend disappoints her, Betsy decides she wants more out of life, and is tired of playing it safe. Enter Andy Abrams, the golden boy on campus with a potentially devastating secret. After their night together has unexpected consequences, Betsy is determined to bury the truth and rebuild a stable life for her unborn child, whatever the cost. When Paige can't get answers from her mother, she goes looking for the only other person who was there that night. The more she learns about what happened, the more she sees her unflappable, distant mother as a real person faced with an impossible choice. But will it be enough to mend their broken

relationship? Told in dual timelines, Little Pieces of Me examines identity and how the way we define ourselves changes (or not) through our life experiences.
