

To Drop A Dime

Eric Partridge

To Drop a Dime Paul Hoffman, Ira Pecznick, 1994

The New Partridge Dictionary of Slang and Unconventional English: A-I Eric Partridge, 2006 Entry includes attestations of the head word's or phrase's usage, usually in the form of a quotation. Annotation ©2006 Book News, Inc., Portland, OR (booknews.com).

The New Partridge Dictionary of Slang and Unconventional English Tom Dalzell, Terry Victor, 2015-06-26 Booklist Top of the List Reference Source The heir and successor to Eric Partridge's brilliant magnum opus, *The Dictionary of Slang and Unconventional English*, this two-volume *New Partridge Dictionary of Slang and Unconventional English* is the definitive record of post WWII slang. Containing over 60,000 entries, this new edition of the authoritative work on slang details the slang and unconventional English of the English-speaking world since 1945, and through the first decade of the new millennium, with the same thorough, intense, and lively scholarship that characterized Partridge's own work. Unique, exciting and, at times, hilariously shocking, key features include: unprecedented coverage of World English, with equal prominence given to American and British English slang, and entries included from Australia, New Zealand, Canada, India, South Africa, Ireland, and the Caribbean emphasis on post-World War II slang and unconventional English published sources given for each entry, often including an early or significant example of the term's use in print. hundreds of thousands of citations from popular literature, newspapers, magazines, movies, and songs illustrating usage of the headwords dating information for each headword in the tradition of Partridge, commentary on the term's origins and meaning New to this edition: A new preface noting slang trends of the last five years Over 1,000 new entries from the US, UK and Australia New terms from the language of social networking Many entries now revised to include new dating, new citations from written sources and new glosses *The New Partridge Dictionary of Slang and Unconventional English* is a spectacular resource infused with humour and learning - it's rude, it's delightful, and it's a prize for anyone with a love of language.

Survey ,1917

Slang American Style Richard A. Spears,1996-02-01 Fun to read and packed with information, this contemporary dictionary of American slang includes terms that are likely to be heard in movies, on television, in the streets, and on college campuses.

Hip and Hot! Richard A. Spears,1998 Expressions that are identified as slang are often some type of entertaining wordplay. Colloquial expressions are usually considered as being direct or quaint. Slang and colloquial expressions come in different forms: single words, simple phrases, complete sentences, and are used in different functions: noun, verb, adjective, adverb. They make up a large part of American communication in the media and in informal conversation. The entries in this dictionary come from many sources: films and television have provided much of the jargon of crime and law enforcement; college campuses offer expressions that have stood the test of trendiness and are now part of standard American English ... Alternative and related definitions and usages, as well as the word or phrase function are provided in the A-to-Z section ...
