

Violence Is The Last Resort Of The Incompetent

Jane Haddam

Awakening of Spies Brian Landers, 2020-06-25 Thomas Dylan is an unlikely spy. Rejected by MI6 he joins the Ministry of Defence where his first mission is a total failure. Unexpectedly he is then sent to Rio de Janeiro to recover a submarine interrogator stolen from the US Navy. In Brazil he discovers that those supposedly on his side, MI6 and the CIA, have their own priorities and that his life is definitely not one of them. A murderous game which began with the death of a British spy in Argentina is being played out in a city of sun, sea and secret police. When Dylan comes face-to-face with the brutal realities of Brazil's military dictatorship he knows he has to trust somebody. But who? The only thing he knows for sure that the woman he wants to trust has been lying to him from the very beginning - should he take the risk? This is a fast-paced thriller in the vein of John le Carre and Eric Ambler.

Hayward's Unabridged Dictionary C. J. S. Hayward, 2008-02-09 There is a certain kind of person who gravitates towards technology, tinkers with computer programs, and may be fond of obscure technical jokes and equally obscure hobbies. But what they have is not just a way of looking at difficult technical subjects. It is an interesting way of looking at life as a whole. This book provides a slice of this interesting way of looking at life as a whole, complete with a satire-filled dictionary which looks at life and culture and pointing out some of its ironies and incongruities. Candid and offbeat, this book offers an unforgettable read. ABOUT THE AUTHOR: C.J.S. (Jonathan) Hayward wears many hats: author, philosopher, theologian, artist, poet, wayfarer, philologist, inventor, web guru, teacher. He is an Eastern Orthodox Christian, has lived in the U.S., Malaysia, England, and France, and holds master's degrees bridging math and computers (UIUC), and philosophy and theology (Cambridge). He has websites at JonathansCorner.com and CJSHayward.com.

Conspiracy Theory Jane Haddam, 2003-07-04 Former FBI agent Gregor Demarkian must find the link between the bombing of an Armenian Orthodox church in a quiet Philadelphia neighborhood and the murder of a wealthy investment banker with reputed ties to a dangerous secret ruling elite.

The Tears of Boabdil Neil MacDonald, 2020-09-28 Vince is an accomplished liar and undercover Special Branch agent. Truth, for him, is the story we tell. Sworn to his country, committed to his work, he takes on a new mission - masquerading as an Islamic convert to infiltrate a British jihadi group.

How to Be a Fascist Michela Murgia, 2020-08-04 The first and only guide to turning your 21st century democracy into a

fascist paradise. Democracy is difficult, flawed and unstable. It involves barely distinguishable political parties taking part in lengthy, overcomplicated and expensive decision-making processes. Trying to engage so many people with political issues seems to lead only to complexity and disagreement. So why bother? Doesn't fascism guarantee a more effective and efficient management of the state? In this short, biting ironic mixture of *On Tyranny* and *The Psychopath Test*, Italian political activist Michela Murgia explores the logic that is attracting increasing numbers of voters to right-wing populism. Far from its origins in the 20th century, fascism is once again on the rise in an age of increased connectivity and globalism. Murgia shows how many of the elements of our society that we might think would combat closed-mindedness and xenophobia actually fan the flames. Closing with a fascistometer to measure the reader's own authoritarian inclinations, *How to be a Fascist* is a refreshingly direct, polemical book that asks us to confront the fascism in our governments, in our societies, and in our own political leanings.

Resnick on the Loose Mike Resnick, 2012-08-10 *RESNICK ON THE LOOSE* collects Mike Resnick's essays, editorials, interviews, introduction, and articles -- more than 75 of them -- covering everything from Hugo Awards to classic authors to the art of writing. An essential volume for anyone interested in looking beyond Resnick's award-winning novels and stories to the heart and soul of the creative genius behind them! Introduction by Eric Flint.

Surviving the Evacuation 23: One Minute More Frank Tayell, 2025-05-24 Was anyone else alive? With each kilometre travelled, Maggs Espoir is increasingly certain the answer is no. In the aftermath of the outbreak, most people barricaded their homes or fled to somewhere remote. Maggs and her husband, Etienne, went to work, ensuring the electricity supply for Quebec and beyond. When the mushroom clouds rose above Montreal, the lights finally went out, and Maggs and Etienne were separated. In the year since, Maggs hasn't stopped searching for her husband or given up hope that he's still alive. Between bandits, plagues, and the ever-present undead, Maggs and her small community are forced to flee one refuge after another. As civilisation fades into memory, the roads become increasingly treacherous. Strangers are more likely to offer a gunshot than a welcome. Medicines run out. Food runs scarce. Only the undead endure. As the long winter finally comes to an end, her community is forced to accept that they might be among the very last survivors in North America, if not the world. For some, this realisation brings despair. Others see the increasing division as an opportunity for power. With factionalism rising, Maggs is tempted to strike out on her own, until the chance sighting of a plane suggests they aren't alone after all. A plane means more than just survivors. It means a runway, a fuel supply, and enough food security that some people can be spared from farming. It means civilisation. And if those people survived the evacuation, then perhaps her husband survived, too. A story of love, loss, and determination, set in the Pacific Northwest, three months before the events of Book 22.

The Armageddon Rag George R. R. Martin, 2007-01-30 "The best novel concerning the American pop music culture of

the sixties I've ever read."—Stephen King From #1 New York Times bestselling author George R. R. Martin comes the ultimate novel of revolution, rock 'n' roll, and apocalyptic murder—a stunning work of fiction that portrays not just the end of an era, but the end of the world as we know it. Onetime underground journalist Sandy Blair has come a long way from his radical roots in the '60s—until something unexpectedly draws him back: the bizarre and brutal murder of a rock promoter who made millions with a band called the Nazgûl. Now, as Sandy sets out to investigate the crime, he finds himself drawn back into his own past—a magical mystery tour of the pent-up passions of his generation. For a new messiah has resurrected the Nazgûl and the mad new rhythm may be more than anyone bargained for—a requiem of demonism, mind control, and death, whose apocalyptic tune only Sandy may be able to change in time . . . before everyone follows the beat. "The wilder aspects of the '60s . . . roar back to life in this hallucinatory story by a master of chilling suspense."—Publishers Weekly "What a story, full of nostalgia and endless excitement. . . . It's taut, tense, and moves like lightning."—Tony Hillerman "Daring . . . a knowing, wistful appraisal of . . . a crucial American generation."—Chicago Sun-Times "Moving . . . comic . . . eerie . . . really and truly a walk down memory lane."—The Washington Post

Ringolevio Emmett Grogan, 2008-10-14 Ringolevio is a classic American story of self-invention by one of the more mysterious and alluring figures to emerge in the 1960s. Emmett Grogan grew up on New York City's mean streets, getting hooked on heroin before he was in his teens, kicking the habit and winning a scholarship to a swanky Manhattan private school, pursuing a highly profitable sideline as a Park Avenue burglar, then skipping town to enjoy the dolce vita in Italy. It's a hard-boiled, sometimes hard-to-believe, wildly entertaining tale that takes a totally unexpected turn when Grogan washes up in sixties San Francisco and becomes a leader of the anarchist group known as the Diggers. The Diggers, devoted to street theater, direct action, and distributing free food, were in the thick of the legendary Summer of Love, and soon Grogan is struggling with the naive narcissism of the hippies, the marketing of revolution as a brand, dogmatic radicals, and false prophets like tripster Timothy Leary. Above all, however, he struggles with himself. Ringolevio is an enigmatic portrait of a man and his times to set beside Hunter S. Thompson's stories of fear and loathing, Norman Mailer's *The Armies of the Night*, or the recent *Chronicles of Bob Dylan*, who dedicated his 1978 album *Street Legal* to the memory of Emmett Grogan.

SLUDGE: The Lemony-Fresh Apocalypse Bayla Dornon, 2023-03-19 The accidental release of a bio-engineered organism has plunged the 21st century into total chaos. Petroleum, plastics and most of the men are gone. Against a backdrop of competing political ecosystems, the few hundred survivors of Los Angeles must now battle feral pets and rebuild society. Can these few courageous survivors work together to save the remnants of human civilization? "Bayla Dornon has crafted a fantastic work of high drama and full-on action adventure that will tickle anyone who enjoys a slightly tongue-in-cheek look at our current and future political state. The result has a witty undertone, which speaks volumes about human nature and our desperate need for survival, and this plays out well alongside the more serious aspects of the plot. One of the

major highlights for me was the dialogue, which leaped off the pages with a fresh zeal and gave the ethos and energy of each new arrival to the ensemble cast. It felt nicely balanced between cinematic dialogue and how real people speak in these chaotic situations. Overall, I highly recommend *Sludge: The Lemony-Fresh Apocalypse* as a fun dystopian adventure that's well-penned, poignant, and memorable long after you set it down." Reviewed by K.C. Finn for Readers' Favorite

Being Human Alice Claudia Oehninger, 2024-11-05 An intimate, empathic exploration of the life of Alice Oehninger. For fourteen years, she grows up in traditional Tanzania and Zimbabwe of the 1980ies. She is white. And transgender. She looks like a boy, and is expected to act the part. At twenty, she returns to her native Switzerland and finds herself a stranger there, too. She navigates culture shock, love and rejection, earns a living, discovers the powerful wish to be a parent. In the role of a man, she marries and finds contentment in Germany, until crisis destroys her fragile world. Where others break, Alice rises. She is driven by enabling other people to be their best possible selves. She becomes a learning coach for youths and young adults, a mentor and a counsellor. And ultimately, it is this drive that has led to this book, that it may touch and enrich as many lives as possible. With her richness of insights and experiences, Alice understands the parallels and similarities in the joys and struggles of people across the globe. The appreciation that life is finite, and infinitely precious. How we are all united in this. Alice explores human needs so fundamental, they rule our choices and interactions. Our ancestral urges for dominance and survival pitch us against each other, define how cultures and genders interact. She delicately but implacably points out how much time and effort we dedicate to defending and preserving our comfort zone. Alice breaks taboos. Suggesting what we might require to solve emotional double-binds. Or live and thrive despite ambivalences and insecurities. What it takes to overcome biological dichotomy, the conditioning of childhood. How we all yearn for recognition, security, and love. Alice is clear in her expectations of us: identify our own constraints, conditioned by society or self-imposed. And in their stead, engender understanding and mutual empowerment. She asks that we become role models for a society we want to live in tomorrow. J.C.

Shaheen Bagh Ziya Us Salam, 2020-08-30 From Delhi to Chennai, a million Shaheen Baghs. A copy of the Constitution in one hand, the tricolour in the other, Shaheen Bagh became a symbol of a vibrant democracy and secular pilgrimage. But who were these women who braved it all? *Shaheen Bagh: From a Protest to a Movement* is a moving tale of the brave women of Shaheen Bagh-patient, persevering and unbelievable peaceniks-who raised their voice for the deprived and the discriminated. Initially starting out as a cry of anguish against the allegedly discriminatory laws of the Citizenship Amendment Act and National Register of Citizens, it soon became a modern-day Gandhian movement for equal rights for all citizens. The book is a result of the authors' abiding focus on the movement, including spending time with the brave hearts almost every day of the protest from dawn to dusk and beyond. The authors slept in the open near the protest site to understand what it takes for a ninety-year-old woman to leave the comfort of her bed during a chilly winter night and stand

up for the future of each one of us as equal citizens of the country. The book recounts how the women did not abjure ahimsa even when their opponents stooped to barbs and bullets. It recaptures for the reader the riveting cry for democracy that was Shaheen Bagh. Authors Ziya Us Salam and Uzma Ausaf take us on this glorious journey of the making of Shaheen Bagh and how it became a metaphor for resistance, spawning a hundred Shaheen Baghs across the country in a bid to restore the sanctity of the Constitution, the national flag and the national anthem.

Is God a Racist? Stanley Barrett, 1989-12-15 'God is a racist'—so goes a statement published in the literature of the Western Guard, a white-supremacist, anti-semitic group in Toronto. It is one of a number of racist organizations that have sprung up in Canada since the Second World War. Stanley Barrett points out in this disquieting study that although many of the principles of such organizations are offensive to the vast majority of Canadians, they represent a growing part of a broader political phenomenon that has recently surfaced in numerous nations. In examining the rise of right wing extremism in Canada, a nation with a traditional reputation for tolerance, Barrett considers a wide range of political convictions, from confessed fascists to essentially ordinary, law-abiding, but highly conservative individuals who are deeply concerned about the future of Western Christian civilization. Barrett's study, grounded in a scientific tradition that has regularly exposed racial myths, is guided by humanist values that celebrate individual worth. It sheds new light on a growing phenomenon that threatens those values.

The Return Buzz Aldrin, John Barnes, 2001-07-15 With the International Space Station fully staffed and Pakistan and India at war, the detonation of a nuclear device in close proximity destroys most Earth satellites. With no communications available, a team sets out to save the crew - if they can.

One Foot in Hell Russ Stallings, 2017-06-08 Kelly Broadwick had a problem. He was fighting an enemy he couldn't see because the enemy was inside his head. His enemy was PTSD, and it invaded his sleep and tainted his life in general. To deal with it, he must control his emotions to a point of being callous at times. But sometimes, the dreams are so real he can't tell the difference from reality.

The Headmaster's Wife Jane Haddam, 2007-04-01 Mark DeAvecca is a brilliant fifteen-year-old in his first year at the exclusive private academy, Windsor School. Mark, the son of noted commentator Liz Tolliver, grew up in very different circumstances and could not fit in less well. With its hundred-year-old history, Windsor is rife with tradition, nasty rumors, petty jealousies and long buried resentments. The most savage of those unpleasant undercurrents swirl around the headmaster's wife - currently rumored, with good reason, to be having an affair with Mark's roommate, a street-tough scholarship student. Mark, however, has his own problems - he feels himself slowly losing his grip on reality and the staff widely believes him to be just another prep school burnout headed for an unpleasant end. So when Mark returns from a late-winter ramble about the campus to find his roommate dead, hanging from the ceiling of their room, he's reached the end of

his own metaphorical rope. Even though he's no longer sure about the line between fantasy and reality, Mark is fairly certain that something is going on at the school and there's more to the death than the official declaration of suicide. With nowhere else to turn, Mark calls retired FBI agent Gregor Demarkian to ask for help. Sensing the crisis in Mark's dulled voice, Demarkian arrives to find Mark in dire physical and mental state, and a school only too eager to sweep his roommate's death under the rug. In what quickly becomes one of the most complex and challenging cases in his career, Demarkian must untangle truth from fiction, fantasy from reality, before another life is lost.

The Green Progression L. E. Modesitt, Jr., Bruce Scott Levinson, 2015-06-02 A shocking novel of what could happen if the fanatical defense of the environment crossed the line into deadly terror. When environmental consultant Jack McDarvid's boss is killed in a shootout near the Capitol, McDarvid becomes enmeshed in a diabolical plot behind the scenes of the environmental movement. Other Series by L.E. Modesitt, Jr. The Saga of Recluce The Imager Portfolio The Corean Chronicles The Spellsong Cycle The Ghost Books The Ecolitan Matter The Forever Hero Timegod's World Other Books The Green Progression Hammer of Darkness The Parafaith War Adiamante Gravity Dreams The Octagonal Raven Archform: Beauty The Ethos Effect Flash The Eternity Artifact The Elysium Commission Viewpoints Critical Haze Empress of Eternity The One-Eyed Man Solar Express At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Barker's Dozen Robert Warr, 2012-04-06 Twelve tales of Victorian crime from the casebook of Inspector Richard Thompson, a Scotland Yard detective, as recounted by his Springer spaniel. The cases range from murder to a dognapping, and are solved in some unconventional ways The cases are interspaced by extracts from the journal of Isobel Fraser, a young American heiress who is banished to Britain to prevent an unsuitable marriage. Initially scathing about her relatives she gradually becomes enamoured with the Thompsons, especially when she becomes involved in one of Inspector Thompson's more dangerous cases, and a romance blossoms.

2200 PROVERBS FOR EASY UNDERSTANDING SAAKE SRINIVASULU, 2019-03-29 I was inspired by my friend's advice to write this book. When I decided to write about proverbs, I drew them from a broad range of sources like The Bible, famous authors, great personalities around the world, advertisements, diaries, etc. Proverbs represent our ancient tradition and culture for better understanding. I am interpreting and explaining the existing proverbs, which are mostly advisory for maintaining morals of the younger generation and easily adoptable in day-to-day life. My experiences are depicted in them for better clarity. I tried to write in a language as easy as possible, which does not require any reference to a dictionary of any kind. They deserved to be quoted in public speeches to inculcate moral values. Particularly, attention has been paid to impress upon the reader for easy understanding in a given context.

Deer Companions Thomas Lee Boles, 2008-09-23 Deer Companions includes several years of observations and

experiences at a deer farm. The reader will be introduced to a herd of several dozen white-tailed deer, become closely acquainted with several (and their human caretakers), and even see a little of what used to be called natural history. The nearest likeness to the author's experience is the proverbial traveler to a distant land who becomes adopted into an exotic tribe. We will see the herd's social structure, as it were, from the inside, and acquire a jealous, but very devoted, sweetheart. (That's her on the cover.) The author has seen this happen to several other people but, after extensive research, can find no published mention of it. The picture doesn't do it justice; no one else can see the look in Sugar's eyes when she does that. There is also an extensive appendix describing habitat and herd manipulations in all fifty states of the Union to "enhance sporting opportunities"—multiply deer populations for hunters' benefit. This puts away any claim that hunting is about population control.

Thank you very much for reading **Violence Is The Last Resort Of The Incompetent**. As you may know, people have look numerous times for their favorite novels like this Violence Is The Last Resort Of The Incompetent, but end up in infectious downloads.

Rather than reading a good book with a cup of coffee in the afternoon, instead they cope with some harmful virus inside their computer.

Violence Is The Last Resort Of The Incompetent is available in our digital library an online access to it is set as public so you can get it instantly.

Our digital library spans in multiple countries, allowing you to get the most less latency time to download any of our books like this one.
