

Welcome To Fae Cafe

Jennifer Kropf

Welcome to Fae Cafe Jennifer Kropf, 2023 There are ten golden rules to follow if you want to survive an encounter with a fae: 1) Don't ask their name. 2) If they ask you what your name is, lie. 3) Avoid looking directly into their eyes. 4) Don't invite them to your book club. 5) Don't instigate a snowball fight. 6) Never let them burn their mouth on coffee. 7) Don't ask them where they're from. 8) Don't tell them where you live. 9) Never mention their queen. 10) Don't try to kill them with an ordinary human gun. If you fail to do any of these things, enslave them immediately. On a cozy fall morning, Kate Kole is nestled in a coffee shop in the city of Toronto reading her favourite novel when she accidentally kills a guy who's being rude to the coffee shop's cashier. Unfortunately for Kate, the person she killed was a fae assassin of the North Corner of Ever, visiting the human realm in secret. From there, four deadly fae assassins come to the human realm to hunt her down for breaking a fairy law and killing one of their own. Leading them is Prince Cressica Alabastian, the most feared and deadly fae assassin of the North and heir to the North Corner of Ever. After the assassins arrive in the human realm, things go terribly wrong. To Prince Cressica's horror, his assassins unwittingly get roped into running a cozy café on Kate Kole's behalf. To blend in, the fae assassins are forced to learn how to do basic human activities like cleaning up after themselves, driving without road rage, reading popular fantasy books at book club without getting into alpha male fights over what they're reading, and in general, be nice, all to blend into regular human society. With a temper like no other, and deadly power that's unmatched, Prince Cressica seeks to get revenge on Kate Kole. But as he aims to strike where it will hurt her the most, the Prince finds himself enchanted by his human target in more ways than one. And when the darkness of the Ever Corners comes knocking at the human realm's door, he needs to make a choice that could cost him everything. WELCOME TO FAE CAFÉ is like Holly Black's tricky FOLK OF THE AIR schemes meeting your grandmother's freshly baked chocolate chip cookies. With a sweet, comical romance and relatable slice-of-life moments colliding with manipulative fairy games and deathmatches, this book puts a spin on the typical fae stories readers know and love and aims to be the coziest rom-com fae book of all time. This book may leave you with answers to questions you never know you wanted to ask, such as, How many fae assassins does it take to screw in a lightbulb? With coziness for days, WELCOME TO FAE CAFÉ is a new spin on some of the most popular fae fantasy tropes, in a setting where fae most definitely don't belong. If you liked LEGENDS AND LATTES by Travis Baldree this may just be your cup of tea. (Or coffee.)

Welcome to Fae Café Jennifer Kropf,2025-09-10T00:00:00+02:00 Par une douce matinée d'automne, Kate Kole lit son roman préféré dans un café de Toronto lorsqu'un homme se montre impoli avec la serveuse. Exaspérée, Kate intervient et le tue accidentellement. Malheureusement pour elle, sa victime est un fae de l'Angle Nord qui visitait le royaume humain en secret. Quatre assassins-faes débarquent alors pour la traquer avec, à leur tête, le prince Cressica Albastian, le guerrier le plus redouté des Quatre Angles de l'Éternité...

Pursued by shades of darkness, Kaia must untangle her past and master her destiny if she is to save herself, and humanity, from being lost to time forever.

Fifty Shades of Fae Ian Wood,2023-05-20 When the author created this fantasy world, he had no idea that fairy magic could make it real... or that he'd no longer be in control. Author Lewis Liddell had run into problems with his Demonrayne fantasy series with each new volume selling worse than its predecessor. His editor was on his case to rewrite volume four when, in a redux of what had triggered him to write that original series, he had another dream, this time about a fantasy world that was radically different from anything other authors were doing. His editor was negative on starting something new before he'd finished volume four, but he felt a powerful muse to continue down this path. The last thing he expected was for a fairy named Fae Rae to disappear from his story and appear in his study right as he was concluding a chapter. And for her to take charge. He'd never confused his fictional life with the real one. Now they were both the same. Set in the same universe as Fairy Tale, Bad Fairy, Spelter Skelter, Powers That Be, and She-Male, this story continues to build worlds of magical wonder.

A Trick of the Shade: A fast-paced fae urban fantasy (Gravity's Daughter Book 2) Stephanie Caye,2023-10-13 You can't put 'Just saved the world (you're welcome)' on a resume. Ask me how I know. Jude's drifting in Montreal, low on both funds and purpose. Eking out a normal life is surprisingly difficult for someone whose strongest marketable skill is her ability to manipulate gravity. Who knew landing a steady job would be a bigger challenge than hunting supernatural creatures? Then her scant few acquaintances begin turning up dead around the city, their hearts missing. All signs point to a vicious shade—a Faerie cursed to live forever in a ghoulish fate worse than death—as the culprit. But Jude's never even heard of shades before now, so why do these killings seem designed to bait her? Racing to find the answer and stop the murders brings her to old friends, new enemies and every shifty variation in-between. While risking life and limb battling a sinister Faerie monster may not be 'normal,' it's a routine Jude knows by heart. And it beats working retail.
