*The Golden Age of American Musical Theatre* Corinne J. Naden, 2011-02-01 *The Golden Age of American Musical Theatre: 1943-1965* provides synopses, cast and production credits, song titles, and other pertinent information for over 180 musicals from *Oklahoma!* to *On A Clear Day You Can See Forever*. Concentrating on a 22-year span, this book lists both commercial successes and flops of the Golden Age-when the musicals presented on Broadway showcased timeless, memorable tunes,

sophisticated comedy, and the genius of creative artists like Richard Rodgers, Oscar Hammerstein, Jerome Robbins, Leonard Bernstein, George Abbott, Moss Hart, Angela Lansbury, Robert Preston, and many others. After an introduction and an overview of the history of Broadway, Naden offers a chronological timeline of the Golden Age musicals in America. She then presents details, in succeeding chapters, about the shows, the stars (on and off stage), the theatres, and the awards, beginning with an alphabetical listing of shows. Each show entry supplies the title, opening date, theatre, number of performances, primary cast and crew, and a plot synopsis, as well as other interesting data about the show, such as the awards won. Additional details about well-known actors, singers, composers, lyricists, directors, and choreographers of the period are provided, including birth and death dates, birth cities, born names, a brief biography, and award nominations and wins. Finishing with a bibliography and an index, this book is beneficial to anyone wanting to know more about one of the richest periods in Broadway history.

**Children, Childhood, and Musical Theater** Donelle Ruwe, James Leve, 2020-02-19 Bringing together scholars from musicology, literature, childhood studies, and theater, this volume examines the ways in which children's musicals tap into adult nostalgia for childhood while appealing to the needs and consumer potential of the child. The contributors take up a wide range of musicals, including works inspired by the books of children's authors such as Roald Dahl, P.L. Travers, and Francis Hodgson Burnett; created by Rodgers and Hammerstein, Lionel Bart, and other leading lights of musical theater; or conceived for a cast made up entirely of children. The collection examines musicals that propagate or complicate normative attitudes regarding what childhood is or should be. It also considers the child performer in movie musicals as well as in professional and amateur stage musicals. This far-ranging collection highlights the special place that musical theater occupies in the imaginations and lives of children as well as adults. The collection comes at a time of increased importance of musical theater in the lives of children and young adults.

**Motorhome Prophecies** Carrie Sheffield, 2024-03-12 In the vein of *Educated* and *Hillbilly Elegy* comes a young woman's memoir chronicling her harrowing journey from despair to salvation that showcases the depths and resilience of the human spirit and empowers readers on their own paths toward healing, forgiveness, and redemption. Carrie Sheffield grew up fifth of eight children with a violent, mentally ill, street-musician father who believed he was a modern-day Mormon prophet destined to become U.S. president someday. She and her seven siblings were often forced to live as vagabonds, remaining on the move across the country. They frequently subsisted in sheds, tents, and, most notably, motorhomes. They often lived a dysfunctional drifter existence, camping out in their motorhome in Walmart parking lots. Carrie attended 17 public schools and homeschool, all while performing classical music on the streets and passing out fire-and-brimstone religious pamphlets—at times while child custody workers loomed. Carrie's father was eventually excommunicated from the official

LDS Church, and she was the first of her siblings to escape the toxic brainwashing of his fundamentalist creed. Declared legally estranged from her parents, Carrie struggled with her mental health during college and for most of her adult life. But she eventually seized control of her life, transcended her troubled past, and overcame her toxic inner voice (and a near death experience)—thanks to the power of forgiveness, cultivated through her conversion to Christianity. She evolved from a scared and abused motorhome-dwelling girl to a Harvard-educated professional with a passion for empowering others to reject the cycles of poverty, depression, and self-hatred. *Motorhome Prophecies* is the story of Carrie's unbelievable, yet in many ways, very American journey. It resonates with those trapped in difficult situations and awes all who are enchanted by the depths and resilience of the human spirit.
