Tapping into the vast dreaming experiences and lore of the world's cultures--from the Siwa people of the Libyan desert to the Naskapi Indians of Labrador--Sarvananda Bluestone challenges the assumption that all symbols universally signify the same thing to all dreamers. The World Dream Book encourages readers to develop their own, personalized symbols for understanding their consciousness and provides a series of stories, multicultural techniques, and games to help them do so. Playful explorations, such as the aboriginal Sipping the Water of the Moon, teach how to induce, recall, interpret, and utilize the power of dreams. Readers will discover how a stone under a pillow can help us remember a dream and will explore their own dormant artist and writer as they reclaim the power of their sleeping consciousness.
