The Body Mariam Fraser, Monica Greco, 2020-07-24 The body has become an increasingly significant concept in recent years and this Reader offers a stimulating overview of the main topics, perspectives and theories surrounding the issue. This broad consideration of the body presents an engagement with a range of social concerns, from the processes of racialization to the vagaries of fashion and performance art, enacted as surgery on the body. Individual sections cover issues such as: the body and social (dis)order bodies and identities bodily norms bodies in health and dis-ease bodies and technologies. Containing an extensive critical introduction, contributions from key figures such as Butler, Sedgwick, Martin Scheper-Huges, Haraway and Gilroy, and a series of introductions summarizing each section, this Reader offers students a valuable practical guide and a thorough grounding in the fascinating topic of the body.

Youthanasia S.P. Perone, 2009-11-12 In the coastal mountain area of California, eighteen-year-old Connor Bright is enjoying his senior year at the secluded Teller Academy. But that idyllic scene changes when he witnesses the grisly classroom murder of his twenty-two-year-old history teacher Miss Diamond. It's a murder that no one but Connor seems to remember. Connor soon learns that he is the only witness to other events, and this knowledge exposes him and his friends as expendable in some mysterious cabal. But he needs to persuade his skeptical friends Blake, Sally, and Alicia that there is something sinister happening at the academy and they must escape to uncover the real reasons they have been secretly cloistered at Teller Academy. Escaping the school's mind control scheme and not being able to trust their memories, the teens investigate the mystery at the academy. What they find is a secret group of elders that has become the ultimate Washington power broker. This group hatched a diabolical plan directed at the nation's youth and will overnight change the entire social and political climate of the United States. The plan threatens an entire generation; the fate of millions of youth is at stake.

Sex and Film B. Forshaw,2015-02-27 Sex and Film is a frank, comprehensive analysis of the cinema's love affair with the erotic. Forshaw's lively study moves from the sexual abandon of the 1930s to filmmakers' circumvention of censorship, the demolition of taboos by arthouse directors and pornographic films, and an examination of how explicit imagery invaded modern mainstream cinema.

Kinesthetic Spectatorship in the Theatre Stanton B. Garner, Jr.,2018-09-21 This book is about the centrality of movement, movement perception, and kinesthetic experience to theatrical spectatorship. Drawing upon phenomenological accounts of movement experience and the insights of cognitive science, neuroscience, acting theory, dance theory, philosophy of mind, and linguistics, it considers how we inhabit the movements of others and how these movements inhabit us. Individual chapters explore the dynamics of movement and animation, action and intentionality, kinesthetic resonance (or mirroring), language, speech, and empathy. In one of its most important contributions to the study of theatre, performance, and spectatorship, this book foregrounds otherness, divergence, and disability in its account of movement perception. The discussions of this and other issues are accompanied by detailed analysis of theatre, puppetry, and dance performances.

Billionaire Bargain Alexandria Bishop,2021-11-17 I've been cleaning up after my father for most of my life. Between his drug and gambling addictions, it seems like whatever I do, we're always drowning. Until he does the unforgivable. Trading me to the tortured billionaire in our small town. His debts are erased and I have to do whatever Marco Blackstone demands. I should have run screaming when the first task he gave me was to clean the blood stains from his expensive five piece suit. When I overhear a conversation I shouldn't, our bargain becomes even more twisted when Marco fakes an engagement to save my life. And I become even more trapped in this world I never wanted any part of. I don't know who I can trust. But I'm running out of time when my fake engagement turns into anything but and I just might have to say "I Do," for real.
