25 Books Every Christian Should Read Renovare, 2011-09-13 For more than twenty years RenovarÉ has pioneered the use of spiritual classics for deepening our lives of discipleship. Their highly praised compendiums *Devotional Classics* and *Spiritual Classics* have sold 500,000 copies. Now they have put together a prestigious editorial board and polled respected Christian leaders and thinkers from a variety of Christian traditions, including Catholic, Orthodox, and Protestant, to present the twenty-five most spiritually influential and important books for Christians to read. There are books that should be shaping the church, our faith, and our engagement in the world. From timeless classics like *The Imitation of Christ* to unexpected selections like Fyodor Dostoevsky's *The Brothers Karamazov* and the poetry of Gerard Manley Hopkins, *25 Books Every Christian Should Read* provides historical background for each work and explains its importance for modern Christians, while including selected readings from every book to get you started. In addition, each chapter ends with discussion questions to the work for use in small groups or for personal reflection. *25 Books Every Christian Should Read* is a pivotal resource for the future of Christianity, an invitation into the fullness and richness of the Christian tradition.

Take and Read Eugene H. Peterson, 1995-12-14 Spiritual reading has fallen on bad times. Today, reading is largely a consumer activity, done for information that may fuel ambitions or careers -- and the faster the better. *Take and Read* represents Eugene H. Peterson's attempt to rekindle the activity of spiritual reading, reading that considers any book that comes to hand in a spiritual way, tuned to the Spirit, alert to intimations of God. *Take and Read* provides an annotated list of the books that have stood the test of time and that, for Peterson, are spiritually formative in the Christian life. The books on this list range from standard spiritual classics to novels, poems, and mysteries, and include an equally broad spectrum of authors -- from Augustine and C. S. Lewis to William Faulkner and Fyodor Dostoyevsky. Annotations following each entry offer Peterson's own significant insights into the power of each work.

Reading Light William H Cooper Jr, 2018-05-23 What are Christians filling their minds with in order to stand strong in this present age of postmodernism and total moral relevance? This is a question that springs to mind when one scans the shelves of the local Christian bookstore. With that in mind, *Reading Light* presents guidance for Christian readers, featuring recommendations for Christian books that were both educational and enjoyable. It serves not as a scholar offering a lecture but as a friend sharing a good read with others and describing what benefits they can gain from each book. Author William

H. Cooper Jr. stresses the need for Christians to read books with spiritual substance. He focuses on ten authors and their most prominent works, exploring their lives and considering the reasons each book might be beneficial. Intended for individuals, Sunday school groups, or book clubs, this guide provides Christians with essential recommendations for readable books with the promise of great reward.

Jesus Wants to Save Christians Rob Bell, Don Golden, 2012-07-24 The New York Times—bestselling author of *Love Wins* reveals how justice is the key to biblical teaching—and to the answers we seek in our faith today. The New York Times has called Rob Bell “one of the country’s most influential evangelical pastors.” In *Jesus Wants to Save Christians*, he teams up with Dan Golden, Christian activist and vice president of World Relief, to offer a refreshingly simple yet provocative new perspective on the Bible. By following the common thread of justice woven through the fabric of biblical history, the whole Bible becomes much clearer. Justice is the issue when God redeems Israel from Pharaoh. Justice is at the heart of the Sinai law and justice is what Israel must show the world as a kingdom of priests. Justice is the measure the Jews failed to meet in their days of power and empire in Jerusalem. It was justice the prophets proclaimed as the way of return during the exile of the Jews in Babylon and it was justice that Jesus incarnated.

Books and Reading Noah Porter, 1883

Amusements for Christians John R Rice, 2000-08

Reading the Bible Again For the First Time Marcus J. Borg, 2009-10-13 One of the vital challenges facing thoughtful people today is how to read the Bible faithfully without abandoning our sense of truth and history. *Reading the Bible Again for the First Time* provides a much-needed solution to the problem of how to have a fully authentic yet contemporary understanding of the scriptures. Many mistakenly believe there are no choices other than fundamentalism or simply rejecting the Bible as something that can bring meaning to our lives. Answering this modern dilemma, acclaimed author Marcus Borg reveals how it is possible to reconcile the Bible with both a scientific and critical way of thinking and our deepest spiritual needs, leading to a contemporary yet grounded experience of the sacred texts. This seminal book shows you how to read the Bible as it should be examined—in an approach the author calls historical-metaphorical. Borg explores what the Scriptures meant to the ancient communities that produced and lived by them. He then helps us to discover the meaning of these stories, providing the knowledge and perspective to make the wisdom of the Bible an essential part of our modern lives. The author argues that the conventional way of seeing the Bible's origin, authority, and interpretation has become unpersuasive to millions of people in our time, and that we need a fresh way of encountering the Bible that takes the texts seriously but not literally, even as it takes seriously who we have become. Borg traces his personal spiritual journey, describing for readers how he moved from an unquestioning childhood belief in the biblical stories to a more powerful and dynamic relationship with the Bible as a sacred text brimming with meaning and guidance. Using his own experience as an example, he reveals

how the modern crisis of faith is itself rooted in the misinterpretation of sacred texts as historical record and divine dictation, and opens readers to a truer, more abundant perspective. This unique book invites everyone—whatever one's religious background—to engage the Bible, wrestle with its meaning, explore its mysteries, and understand its relevance. Borg shows us how to encounter the Bible in a fresh way that rejects the limits of simple literalism and opens up rich possibilities for our lives.

Reading the Prophets as Christian Scripture (Reading Christian Scripture) Eric J. Tully, 2022-03-29 This survey textbook is grounded in the view that the prophetic books of the Old Testament should be read as Christian Scripture. Although it covers critical issues such as authorship, background, and history, its primary focus is on the message and theology of the prophetic books and the contribution they make to the Christian canon. Particular attention is given to literary issues, such as the structure of each prophetic book. Full-color illustrations, diagrams, and artwork bring the text to life. Additional resources for instructors and students are available through Textbook eSources.

Religious Reading Paul J. Griffiths, 1999 In examining and analyzing these practices, Griffiths develops a picture of the intellectual and moral commitments involved in being a religious person. Griffiths favorably contrasts the practices and pedagogies of traditional religious cultures with those of our own fragmented and secularized culture and insists that religious reading should be preserved. He concludes with the controversial proposal that the modern university should make room for traditional scholastics.--BOOK JACKET.

Biblical Discipleship Study Guide: Essential Components for Attaining Spiritual Maturity Dr. Todd M. Fink, 2016-05-18 This 16 Week Study Guide is exceptionally practical and life-transforming. It is taken from the main book *Biblical Discipleship: Essential Components for Attaining Spiritual Maturity*. However, it is a "stand-alone" book study that is designed to be used on its own. Its purpose is to take the 14 core principles of discipleship and put them into practice. Today, we have many ways of defining success in life. Some define it as being a sports hero, others as being wealthy, others as being

popular and well-liked, and still others as being happy. How does God define success? He defines it as being spiritually mature!

The Many Gospels of Jesus Philip Wesley Comfort, Jason Driesbach, 2008-03-16 In the wake of The DaVinci Code and the recent discovery of The Gospel of Judas, there has been an increased interest in the ancient books commonly known as the Gnostic Gospels. This volume compares the Gnostic Gospels with the four gospels in the Bible.

***The Christian Advocate*, 1912**

The Rise of Christianity Through the Eyes of Gibbon, Harnack and Rodney Stark Jan N. Bremmer, 2010 The rise of Christianity up to the victory of Constantine has often been studied and remains a puzzling phenomenon. In this valedictory lecture Jan N. Bremmer concentrates on the explanations adduced, focusing in particular on the works of three iconic figures from the last two hundred and fifty years: The History of the Decline and Fall of the Roman Empire of Edward Gibbon, the most famous ancient historian of all time, at the end of the eighteenth century; Die Mission und Ausbreitung des Christentums of Adolf von Harnack, the greatest historian of early Christianity of all time, around 1900, and The Rise of Christianity of Rodney Stark, the most adventurous sociologist of religion of our times, at the end of the twentieth century. Bremmer locates their concerns and explanations within their own times, but also takes them seriously as scholars, discussing their analyses and approaches. In this way he shows both the continuities and the innovations in the evolving view which scholarship presents of early Christianity. Bremmer's exceptional knowledge of the huge range of scholarship and his humane and balanced judgment make this lecture the ideal introduction to the many problems raised by Christianity's displacement of paganism

Public Reading in Early Christianity Dan Nässelqvist, 2015-11-02 In Public Reading in Early Christianity: Lectors, Manuscripts, and Sound in the Oral Delivery of John 1-4 Dan Nässelqvist investigates the oral delivery of New Testament writings in early Christian communities of the first two centuries C.E. He examines the role of lectors and public reading in the Greek and Roman world as well as in early Christianity. Nässelqvist introduces a method of sound analysis, which utilizes the correspondence between composition and delivery in ancient literary writings to retrieve information about oral delivery from the sound structures of the text being read aloud. Finally he applies the method of sound analysis to John 1-4 and presents the implications for our understanding of public reading and the Gospel of John.

In the World John H. Timmerman, Donald R. Hettinga, 2004-09 Teaches students to write well and introduces them to quality classic and contemporary essays. Now revised and updated.
