**The Intertextuality and Intermediality of the Anglophone Popular Song** Michael Ingham, 2022-09-07 Popular song is a liminal, hybrid form of cultural production. As a manifestation of adaptation studies, it has lacked visibility by comparison with more dominant adaptation practices, especially those for the screen. This book serves to fill this gap. It investigates what songwriters read and write before they start singing, showing that they need either to adapt material from existing sources or write their own lyrics drawn from a wide range of source texts and personal experiences. They are subject to myriad influences, and among these are other song lyrics, poems, novels, plays, films and hybrid cultural forms. This deep-structure intertextuality is embedded in the cultural flux of language, and operates at both conscious and subconscious levels. This book thus explores the complex and multifarious intertextual connections between popular songs of various genres, styles and eras and literary works, including, but by no means limited to, the Bible and Shakespeare. As such, it offers a valuable resource, by exploring the deep intertextual significance of literary source material for the intellectual and emotional diversity that can be found in the popular song form; the inverse reciprocal relationship, while much less common, is also considered in the study.

Bad Therapy Abigail Shrier, 2024-02-27 NEW YORK TIMES BESTSELLER. From the author of *Irreversible Damage*, an investigation into a mental health industry that is harming, not healing, American children In virtually every way that can be measured, Gen Z's mental health is worse than that of previous generations. Youth suicide rates are climbing, antidepressant prescriptions for children are common, and the proliferation of mental health diagnoses has not helped the staggering number of kids who are lonely, lost, sad and fearful of growing up. What's gone wrong with America's youth? In *Bad Therapy*, bestselling investigative journalist Abigail Shrier argues that the problem isn't the kids—it's the mental health experts. Drawing on hundreds of interviews with child psychologists, parents, teachers, and young people, Shrier explores the ways the mental health industry has transformed the way we teach, treat, discipline, and even talk to our kids. She reveals that most of the therapeutic approaches have serious side effects and few proven benefits. Among her unsettling findings: Talk therapy can induce rumination, trapping children in cycles of anxiety and depression Social Emotional Learning handicaps our most vulnerable children, in both public schools and private "Gentle parenting" can encourage emotional turbulence – even violence – in children as they lash out, desperate for an adult in charge Mental health care can be lifesaving when

properly applied to children with severe needs, but for the typical child, the cure can be worse than the disease. *Bad Therapy* is a must-read for anyone questioning why our efforts to bolster America's kids have backfired—and what it will take for parents to lead a turnaround.

Andorra Peter Cameron,2009-04-27 For mysterious reasons, a man forsakes his American life and arrives in a strange country called Andorra. He settles into the grand--and only--hotel in its seaside capital, and gradually makes the acquaintance of this tiny city's most prominent residents: the ancient Mrs. Reinhardt, who has a lifetime lease on the penthouse in the hotel; Sophonsobia Quay, the kayaking matriarch of an Andorran dynasty; and the Ricky Dents, an Australian couple who share a first name, a gigantic dog, and a volatile secret. As the stranger reveals himself to his new friends, and becomes entangled in their lives, the mystery of his own origin deepens. What is he hiding, and why? And when a mutilated dead body

appears in the harbor, everyone is a suspect, including our narrator. Part thriller, part comedy of manners, part surrealistic dream, *Andorra* is a work of remarkable and sustained invention and imagination . . . a nearly perfect book (Robert Drake, *The Philadelphia Inquirer*).
