A Strange and Gracious Light Andrew Arndt, 2025-04-15 Be transformed by the gospel light that gleams among us. When we refer to the gospel only as the death and resurrection of Jesus and what that assures us for the afterlife, we miss out on the full depth of the gracious good news found in the person of Jesus Christ. As a result, most of our actual lives remain untouched by what the man from Galilee said and did during his life as told in the Gospels. While the gospel is certainly not less than Jesus' death and resurrection, it is much more than that—and that more is critical for how we imagine ourselves and the world around us. A Strange and Gracious Light cracks open the gospel story as the imaginative and prophetic spark of congregational life, modeling what it looks like to “think Jesus” and “speak Jesus” in our daily lives. Amid the meaninglessness of consumerism, mass entertainment, and political ideologies, the strange and gracious story of Jesus has the power to shatter our settled realities and resurrect our lives. Even now, the gospel light is breaking into our world and illuminating how our lives are already and always drawn into the gracious mystery of God. With vivid imagination and a winsome tone, pastor Andrew Arndt invites readers to engage with what transpires in the life of God's people and creatively rediscover Jesus. Using the movements of the church calendar from Advent to Pentecost, this book points pastors, preachers, and all invested in the church to how the story of Jesus illumines our life together and changes the way we see everything.

For This I Came Wyn Beynon, 2023-01-31 Taking the famous Gerard Manley Hopkins poem on vocation 'As Kingfishers Catch Fire' and the Lord's Prayer as its framework, For This I Came offers seventy reflections on the spirituality of priesthood to encourage and sustain all in ministry. Wyn Beynon brings a depth of wisdom and tools for reflection in the form

of short poetic and prayerful aphorisms. Memorable, profound, challenging and assuring, his writing is a rich source for meditation and for growth in character and ministry. Eschewing measures of success and failure and affirming the nature of the priestly calling, he brings a countercultural voice shaped by forty years of ministry and helping to train priests. This is an ideal gift for ordination or for those beginning their training, or for exhausted priests looking to renew their original vision.

A Companion to Creative Writing Graeme Harper, 2013-05-28 A COMPANION TO CREATIVE WRITING A Companion to Creative Writing is a comprehensive collection covering myriad aspects of the practice and profession of creative writing in the contemporary world. The book features contributions from an international cast of creative writers, publishers and editors, critics, translators, literary prize judges, and many other top professionals. Chapters not only consider the practice of creative writing in terms of how it is “done,” but also in terms of what occurs in and around creative writing practice. Chapters address a wide range of topics including the writing of poetry and fiction; playwriting and screenwriting; writing for digital media; editing; creative writing and its engagement with language, spirituality, politics, education, and heritage. Other chapters explore the role of literary critics and ideas around authorship, as well as translation and creative writing, the teaching of creative writing, and the histories and character of the marketplace, prizes, awards, and literary events. With its unprecedented breadth of coverage, A Companion to Creative Writing is an indispensable resource for those who are undertaking creative writing, studying creative writing at any level, or considering studying creative writing.

Home Truths Gerald Duff, 2011-09-01 Novelist Gerald Duff grew up both in Polk County, in Deep East Texas, and in Nederland, near the Gulf Coast, two drastically different areas in terms of social and economic status, and the way they interact. These communities shaped the way Duff thought and lived, causing him to build up certain false personae to fit in with the crowd. These changes and more are described within the pages of Duff’s new memoir, *Home Truths: A Deep East Texas Memory*. From dealing with intrusive family members to judgmental classmates to marital bliss and misery, Duff’s memoir describes situations familiar to anyone who has ever lived in a small town. Experiences unfamiliar to the youths of today include growing up during World War II and the descriptions of propaganda tactics, hunting for your own meals, and dealing with the social mores of the 1950s and 1960s. Other occurrences however, such as working a summer job and the awkwardness of first dates, speak to people of every generation, young and old. Early in life Duff learned to tell lies as a survival mechanism against his meddling family and occasionally cruel classmates. He describes the ordeal of hiding both his domestic situation and his talent for the written word. Duff’s talents for lies and half-truths helped him not only to discover a hidden talent within himself, but also a future career.

After Urban Regeneration Dave O'Brien, Peter Matthews, 2016 This book presents a comprehensive study of contemporary trends in urban policy and planning, bringing leading scholars together to focus on gentrification and its aftermath, with a special emphasis on the history and theory of community. Taking into account the changes to urban policy

that followed the financial crisis of 2008, the contributors make a powerful case that the state must continue to play a major role in the maintenance of urban community--that culture and society cannot bear the burden on their own. Based on research from the Connected Communities Programme, the book will be a valuable resource for those working in geography, urban studies, planning, sociology, law, and art, as well as policy makers and community activists.

Crafting Poems and Stories Ethel Rackin, 2022-06-17 Crafting Poems and Stories is an inspiring new guide to creative writing. Comprehensive in its treatment of poetry and fiction, this book offers the features that students most often request, including concise definitions of basic terms of poetry and short fiction, focused discussion of craft, exciting literary models, and engaging hands-on exercises. It is an accessible guide that renders the material of introductory creative-writing courses more readily engaging, so that beginning writers can see greater progress reflected in their poems and short stories over the course of a single semester. Features: • Includes 60 poems and 9 complete stories, ranging from classic to contemporary • Each chapter includes craft-focused discussion questions and writing prompts and exercises • Includes appendices on workshopping poetry and fiction and on resources for writers seeking publication

Crafting Poems: A Guide to Creative Writing Ethel Rackin, 2024-09-13 Crafting Poems demystifies the genre through diverse examples, clear instruction, and emphases on practice, enjoyment, and developing a distinct voice. By connecting reading with writing and balancing discipline with self-expression and improvisation, Crafting Poems gives aspiring poets a flexible and powerful toolbox with which to build their work.

Affective Teaching in Nursing Dennis Ondrejka, 2013-08-07 Although nursing education today offers copious amounts of information geared to test preparation, it does not adequately harness the emotional intelligence of individual students—a quality that can greatly enrich the nursing profession. This expert resource for understanding the importance of affective teaching—what it is and how to incorporate it into the classroom—provides a plentiful array of affective teaching pedagogy and references. Drawing from the emotional and social intelligence movement, the text offers both new and traditional insights into the importance of linking intellectual and emotional intelligence in knowledge acquisition. It provides helpful strategies for nurse educators to enrich their teaching with affective teaching strategies, methods, and skills in the classroom, and describes successful models for creating an affective teaching infrastructure that will endure. Designed for use in master's and doctoral programs in nursing and health care education, the book espouses a paradigm that is embraced by leaders in education and major institutions. It discusses the major themes of entrenched, traditional teaching methods, and contrasts them with the theory, research, and practice underlying affective teaching in nursing. The book follows the history of affective teaching from its inception in Bloom's Taxonomy to the present day. It addresses teaching infrastructure needs, affective teaching models, tools for measuring the results of affective teaching, the use of affective teaching in distance learning and at conferences, and international perspectives. The text also identifies the risks and advantages of

affective teaching, and how they have been addressed by a variety of nursing educators and encourages reflective practices that help students gain inner awareness. It will be a valuable addition to the teaching arsenal of nurse educators who wish to go beyond the objective domain of teaching to explore the enriching possibilities of subjective knowing. Key Features: Provides the most authoritative information available on affective teaching in nursing Supports NLN's and AACN's nurse educator competencies to achieve desired outcomes in the cognitive, affective, and psychomotor areas of learning Clarifies affective pedagogy, how to discuss it, and what it implies for teaching success Addresses philosophy, taxonomy, teaching infrastructure needs, affective teaching models, and assessment tools Covers the use of affective pedagogy with distance learning and at conferences

Black Art and Aesthetics Michael Kelly, Monique Roelofs, 2023-11-30 Black Art and Aesthetics comprises essays, poems, interviews, and over 50 images from artists and writers: GerShun Avilez, Angela Y. Davis, Thomas F. DeFrantz, Theaster Gates, Aracelis Girmay, Jeremy Matthew Glick, Deborah Goffe, James B. Haile III, Vijay Iyer, Isaac Julien, Benjamin Krusling, Daphne Lamothe, George E. Lewis, Sarah Elizabeth Lewis, Meleko Mokgosi, Wangechi Mutu, Fumi Okiji, Nell Painter, Mickaella Perina, Kevin Quashie, Claudia Rankine, Claudia Schmuckli, Evie Shockley, Paul C. Taylor, Kara Walker, Simone White, and Mabel O. Wilson. The stellar contributors practice Black aesthetics by engaging intersectionally with class, queer sexuality, female embodiment, dance vocabularies, coloniality, Afrodiasporic music, Black post-soul art, Afropessimism, and more. Black aesthetics thus restores aesthetics to its full potential by encompassing all forms of sensation and imagination in art, culture, design, everyday life, and nature and by creating new ways of reckoning with experience, identity, and resistance. Highlighting wide-ranging forms of Black aesthetics across the arts, culture, and theory, *Black Art and Aesthetics: Relationalities, Interiorities, Reckonings* provides an unprecedented view of a field enjoying a global resurgence. Black aesthetics materializes in communities of artists, activists, theorists, and others who critique racial inequities, create new forms of interiority and relationality, uncover affective histories, and develop strategies for social justice.

The Poetry Reader Mark Yakich, 2024-12-12 You have picked up this book because you are a poetry reader. Or you are about to be one. Because as soon as you read a poem, that's what you are. Filled with the profound, the lyrical, the consoling, and the curious, *The Poetry Reader: An Anthology* is the book you would hope to find if you washed up alone on a deserted island: this companionable collection shows how poetry itself is a discussion, alive and flowing, and how poems speak to, with, and sometimes over one another. If you are a teacher, this is the anthology you wish you had as a student – a text that doesn't try to survey entire time periods or aesthetic areas, but one that places side-by-side carefully selected poems that speak to each other over time as well as to today's readers. - Section header notes provide critical commentary, framing the poems within their given topic - Discussion and writing suggestions give interesting and actionable prompts - Works as a standalone book, or can easily be used alongside *Poetry: A Survivor's Guide*, 2nd ed. Drawing on traditional poems and

contemporary works, this anthology offers globe-spanning, stylistically diverse poetry, ranging from canonical poems by the likes of Sappho and Shakespeare to those of new voices such as Layli Long Soldier and Mukoma wa Ngugi. As a compact, eclectic, and approachable collection based on specific aspects of poetry and poetic practices – from identity and metaphor to sublimation and spirituality – The Poetry Reader acts as a guide to understanding the essentials of both reading and writing poetry.

Mediating Religion Jolyon P. Mitchell, Sophia Marriage, 2003-06-01 This is the first book to bring together many aspects of the interplay between religion, media and culture from around the world in a single comprehensive study. Leading international scholars provide the most up-to-date findings in their fields, and in a readable and accessible way. Some of the topics covered include religion in the media age, popular broadcasting, communication theology, popular piety, film and religion, myth and ritual in cyberspace, music and religion, communication ethics, and the nature of truth in media saturated cultures. The result is not only a wide-ranging resource for scholars and students, but also a unique introduction to this increasingly important phenomenon of modern life.

The Understory Lore Ferguson Wilbert, 2024-05-21 Walk in the woods with me. That's the invitation award-winning author Lore Ferguson Wilbert extends to readers in *The Understory*. On this journey, Wilbert shares her story of alienation and disorientation after years of religious and political unrest in the evangelical church. In doing so, she looks to an unlikely place--the forest--to learn how to live and even thrive when everything seems to be falling apart. What can we learn from eroding soil, the decomposition process, the time it takes to grow lichen, the beauty of fiddlehead ferns, the regeneration of self-sowing seeds, and walking through the mud? Here, among the understory of the forest, Wilbert discovers rich metaphors for living a rooted and flourishing life within the complex ecosystems of our world. Her tenderness and honesty will help readers grieve, remember, hope, and press on with resilience.

My Heart, Ever His Barbara Rainey, 2020-03-31 As we search for meaning in our world of shallow online relationships and glamorized selfies, many are returning to traditional and liturgical churches. The repeated words, benedictions, and historic hymns connect us to saints who have gone before, giving us a sense of belonging, richness, and transcendence. Written prayers, once cast off as archaic, are now welcomed as guides to tune our hearts to the heart of God. In *My Heart, Ever His* Barbara Rainey shares 40 prayers for women. They can meditate on one prayer throughout the week or read a prayer a day for 40 days as a way to express the longing of our hearts to our Father who loves us even as he sees who we truly are. Like the psalms of David, these prayers are honest, sometimes raw. Barbara uses these transparent expressions of common experiences to encourage us to surrender to Christ and help us see God as he is, not as we assume him to be. *My Heart, Ever His* provides a stepping-stone to help you become more transparent with God and discover his welcoming embrace.

African American Journalists Calvin L. Hall, 2009-07-01 In the last decade of the 20th century, during a time when African Americans were starting to take inventory of the gains of the civil rights movement and its effects on the lives of black professionals in the public sphere, the memoirs of several journalists were published, a number of which became national bestsellers. *African American Journalists* examines select autobiographies written by African American journalists in order to explore the relationship between race, class, gender, and journalism practice. At the heart of this study is the contention that contemporary memoirs written by African American journalists are quasi-political documents, manifestos written in reaction to and against the forces of institutionalized racism in the newsroom. The memoirs featured in this study include Jill Nelson's *Volunteer Slavery: My Authentic Negro Experience*, Nathan McCall's *Makes Me Wanna Holler: A Young Black Man in America*, Jake Lamar's *Bourgeois Blues: An American Memoir*, and Patricia Raybon's *My First White Friend: Confessions on Race, Love, and Forgiveness*. The exploration of these works increases our understanding of the problems that members of other underrepresented groups may face in the workplace.

Prose Poetry in Theory and Practice Anne Caldwell, Oz Hardwick, 2022-06-01 *Prose Poetry in Theory and Practice* vigorously engages with the Why? and the How? of prose poetry, a form that is currently enjoying a surge in popularity. With contributions by both practitioners and academics, this volume seeks to explore how its distinctive properties guide both writer and reader, and to address why this form is so well suited to the early twenty-first century. With discussion of both classic and less well-known writers, the essays both illuminate prose poetry's distinctive features and explore how this outsider form can offer a unique way of viewing and describing the uncertainties and instabilities which shape our identities and our relationships with our surroundings in the early twenty-first century. Combining insights on the theory and practice of prose poetry, *Prose Poetry in Theory and Practice* offers a timely and valuable contribution to the development of the form, and its appreciation amongst practitioners and scholars alike. Largely approached from a practitioner perspective, this collection provides vivid snapshots of contemporary debates within the prose poetry field while actively contributing to the poetics and craft of the form.

Oasis of Imagination Ted Turnau, 2023-07-20 What should creative Christian cultural engagement look like? Too often, it has been marked by political strong-arming or fearful withdrawal into the Christian bubble. There is another way: using our imaginations to plant 'oases' in the desert, breathable spaces that refresh, challenge, and draw together Christians and non-Christians alike. Oases refresh the soul, provoke discussion, challenge assumptions and lead the imagination to a new place. In *Oasis of Imagination*, Ted Turnau lays out the Biblical mandate for engaging culture, and why the imaginative path holds promise. He explores the nature of the imagination from both Scripture and nature. He asks, What does a Christian imagination that resonates with non-Christians look like? He explores examples of Christian creativity done well from video games to movies to music to *The Lord of the Rings*. He challenges the church, artist and non-artist alike, to be intentional

about their own imaginative lives, how we can support each other, as together we engage in building bridges and being cultural ambassadors to the wider community. In-depth and wide-ranging, Oasis of Imagination equips and encourages Christians, whatever their calling, to consider how to imaginatively enter into the broader cultural conversation.
