Prayers for the Stolen Jennifer Clement, 2014

Prayers for the Stolen Jennifer Clement, 2014 Born in a rural Mexico region where girls are disguised as boys to avoid the attentions of traffickers, Ladydi dreams of a better life before moving to Mexico City, where she falls in love and ends up in a prison with other women who share her experiences.

Ladydi / Prayers for the Stolen Jennifer Clement, 2015-10-13 Libro en que se basa la película, Noche de Fuego / Prayers for the Stolen , selección de México para la edición 94 (2022) de los Premios Oscar. Quién habla es Ladydi García Martínez, una chiquilla de ojos color café que vive en las montañas de Guerrero; una tierra sin maridos, sin padres y casi sin hermanos porque todos se han ido a buscar fortuna al otro lado y ninguno se ha molestado en volver. Ése es el lugar donde lo mejor que le puede ocurrir a una niña es nacer fea, porque en cuanto los narcos tienen noticia de que una joven hermosa anda por ahí, acuden como buitres en busca de su presa. Ése es el pueblo donde ya nadie le reza a Dios porque ni de él se fían. Pese a todo, en ese infierno Ladydi crece rodeada de amigas que sueñan con un futuro más esperanzador que el mero sentido de sobrevivencia, y al lado de una madre entrañable capaz de robar, maldecir y reír cuando le viene en gana. Así, Jennifer Clement nos lleva a un lugar donde confluyen el humor y la desesperación, y las mujeres enfrentan las tragedias con solidaridad y dignidad. ENGLISH DESCRIPTION The book that inspired the movie Prayers for the Stolen, Mexico's selection for the 94th Academy Awards (Oscars 2022) Ladydi Garcia Martínez is fierce, funny and smart. She was born into a world where being a girl is a dangerous thing. In the mountains of Guerrero, Mexico, women must fend for themselves, as their men have left to seek opportunities elsewhere. Here in the shadow of the drug war, bodies turn up on the outskirts of the village to be taken back to the earth by scorpions and snakes. School is held sporadically, when a volunteer can be coerced away from the big city for a semester. In Guerrero the drug lords are kings, and mothers disguise their daughters as sons, or when that fails they make them ugly - cropping their hair, blackening their teeth- anything to protect them from the rapacious grasp of the cartels. And when the black SUVs roll through town, Ladydi and her friends burrow into holes in their backyards like animals, tucked safely out of sight. While her mother waits in vain for her husband's return, Ladydi and her friends dream of a future that holds more promise than mere survival, finding humor, solidarity and fun in the face of so much tragedy. When Ladydi is offered work as a nanny for a wealthy family in Acapulco, she seizes the chance, and finds her

first taste of love with a young caretaker there. But when a local murder tied to the cartel implicates a friend, Ladydi's future takes a dark turn. Despite the odds against her, this spirited heroine's resilience and resolve bring hope to otherwise heartbreaking conditions. An illuminating and affecting portrait of women in rural Mexico, and a stunning exploration of the hidden consequences of an unjust war, PRAYERS FOR THE STOLEN is an unforgettable story of friendship, family, and determination.

Prayers for the Stolen Jennifer Clement, 2014-02-11 The haunting novel of love and survival that inspired Mexico's official submission for International Feature Film—now shortlisted for the 94th Academy Awards® and streaming on Netflix “Prayers for the Stolen gives us words for what we haven't had words for before, like something translated from a dream in a secret language. . . . Beguiling, and even crazily enchanting.”—Francisco Goldman, New York Times Book Review FINALIST FOR THE PEN/FAULKNER PRIZE • AN IRISH TIMES BOOK OF THE YEAR Ladydi García Martínez is fierce, funny, and smart. Ecofictions, Ecorealities, and Slow Violence in Latin America and the Latinx World Ilka Kressner, Ana María Mutis, Elizabeth Pettinaroli, 2019-11-21 Ecofictions, Ecorealities and Slow Violence in Latin America and the Latinx World brings together critical studies of Latin American and Latinx writing, film, visual, and performing arts to offer new perspectives on ecological violence. Building on Rob Nixon's concept of slow violence, the contributions to the volume explore processes of environmental destruction that are not immediately visible yet expand in time and space and transcend the limits of our experience. Authors consider these forms of destruction in relation to new material contexts of artistic

creation, practices of activism, and cultural production in Latin American and Latinx worlds. Their critical contributions investigate how writers, cultural activists, filmmakers, and visual and performance artists across the region conceptualize, visualize, and document this invisible but far-reaching realm of violence that so tenaciously resists representation. The volume highlights the dense web of material relations in which all is enmeshed, and calls attention to a notion of agency that transcends the anthropocentric, engaging a cognition envisioned as embodied, collective, and relational. *Ecofictions*, *Ecorealities* and *Slow Violence* measures the breadth of creative imaginings and critical strategies from Latin America and Latinx contexts to enrich contemporary ecocritical studies in an era of heightened environmental vulnerability.

Gun Love Jennifer Clement, 2018-03-06 LONGLISTED FOR THE NATIONAL BOOK AWARD • “Fortified with wit and tenderness . . . Gun Love potently illuminates a puzzled land.”—O: The Oprah Magazine NAMED ONE OF THE TEN BEST FICTION BOOKS OF THE YEAR BY TIME • SHORTLISTED FOR THE ASPEN WORDS LITERARY PRIZE The searing, unforgettable story of a young girl's resilience, by the award-winning author of *Prayers for the Stolen Pearl's* mother took her away from her family just weeks after she was born, and drove off to central Florida determined to begin a new life for herself and her daughter--in the parking lot next to a trailer park. Pearl grew up in the front seat of their '94 Mercury, while her mother lived in the back. Despite their hardships, mother and daughter both adjusted to life, making friends with the residents of the trailers and creating a deep connection to each other. All around them, Florida is populated with gun owners--those hunting alligators for sport, those who want to protect their families, and those who create a sense of danger. Written in a gorgeous lyric all its own, *Gun Love* is the story of a tough but optimistic young woman growing up in contemporary America, in the midst of its harrowing love affair with firearms.

Humboldt's Mexico Myron Echenberg, 2017-05-29 The incalculable influence of Alexander von Humboldt (1769–1859) on biology, botany, geology, and meteorology deservedly earned him the reputation as the world's most illustrious scientist before Charles Darwin. Humboldt's breath-taking explorations of Mexico and South America from 1799 to 1804 are akin to Europe's second “discovery” of the New World – this time, a scientific one. His *Political Essay on the Kingdom of New Spain* is a foundational document about Mexico and its cultures and is still widely consulted by anthropologists, geographers, and historians. In *Humboldt's Mexico*, Myron Echenberg presents a straightforward guide with historical and cultural context to Humboldt's travels in Mexico. Humboldt packed a lifetime of scientific studies into one daunting year, and soon after published a four-volume account of his findings. His adventures range widely from inspections of colonial silver mines and hikes to the summits of volcanoes to meticulous examination of secret Spanish colonial archives in Mexico City and scientific discussions of archaeological sites of pre-Hispanic Indigenous cultures. Echenberg traces Humboldt's journey, as described in his publications, his diary, and other writings, across the heartland of Mexico, while also pursuing Humboldt's life, his science, his experiences, his influence on scholars of his time and after, and the various efforts by others to honour and at

times to denigrate his legacy. Part history, part travelogue, and always highly readable and informative, Humboldt's Mexico is an engaging account of a gifted scientist and visionary that ranges across topics as diverse and broad as natural history was in his era.

Reading the Seasons Germaine Leece, Sonya Tsakalakis, 2021-03-30 It's an old cliché that books 'transport you'; but as any avid reader will tell you, there's far more to them than that. Alongside comfort and retreat, books offer insight into ourselves and others; they tell us how the world is, was or might be; they are windows into other worlds, whose meanings resonate through the ages. It's this multiplicity that is at the heart of bibliotherapy, the ancient practice of reading for therapeutic effect. *Reading the Seasons* charts the evolution of a friendship through candid letters between bibliotherapists Germaine Leece and Sonya Tsakalakis. Ignited by a shared love of reading, of finding a book for every occasion, every emotion - both for themselves and for their clients - their conversations soon confront life's ups and downs. The authors they reach for range from Stephen King to Javier Marias, Helen Garner to Maggie O'Farrell, as they reflect upon loss, change, parenting, careers, simple pleasures, travel, successes, fears and uncertainty. *Reading the Seasons* not only offers an entryway to new titles but affirms the power of books to console, heal and hold us together as friends and as individuals.

Bright Phoenix Jeff Young, 2014-12-12 I am flying. I swoop over the rooftops of Liverpool, over the waterfront and out to sea, following a trawler as it drags its nets through the wild sea. I am a sixteen-year-old bird boy, addicted to seagull blood, flying through sea-storms, up to the moon . . . On the run from tragedy, Lucas escaped Liverpool - then a city cast aside, a city crumbling. Now he's back, the old gang don't rush to welcome him home and ghosts haunt the ruins of their childhood playgrounds. The city chases renaissance: could his love affair with childhood sweetheart Lizzie blossom again too? *Bright Phoenix* is a wild, dream-like play about the carnival of the city at night; about a gang of rebel kids who still don't quite fit in as grown-ups; and about their love for a dying cinema and their mad plan to bring it back to life like a phoenix. Featuring live music, Jeff Young's epic and poetic play reveals the magic of forgotten places and dreaming beneath the stars. The play received its world premiere at the Liverpool Everyman on 3 October 2014.

Border Witness Michael Dear, 2023-02-21 *Border Witness* offers a surprising catalogue of films dealing with the US-Mexico border and released during the past 100 years. It compares these screen visions with what was happening on the ground at the time in both countries. From revolution through to the present global crisis, the films are left to speak for themselves, but their stories are measured alongside the author's experience following decades of research, writing, and activism along the line. Taken together, this book outlines a unique Border Film genre just now entering its Golden Age. This book also comes with a message to both nations that they should learn more from borderlanders about how to conduct cross-border lives--

The Underground Girls of Kabul Jenny Nordberg, 2015-07-14 An investigative journalist uncovers a hidden custom in

Afghanistan that will transform your understanding of what it means to grow up as a girl. “An astonishingly clear picture of this resourceful, if imperfect, solution to the problem of girlhood in a society where women have few rights and overwhelming restrictions.”—The Boston Globe In Afghanistan, a culture ruled almost entirely by men, the birth of a son is cause for celebration and the arrival of a daughter is often mourned as misfortune. A bacha posh (literally translated from Dari as “dressed up like a boy”) is a third kind of child—a girl temporarily raised as a boy and presented as such to the outside world. Jenny Nordberg, the reporter who broke the story of this phenomenon for the New York Times, constructs a powerful and moving account of those secretly living on the other side of a deeply segregated society where women have almost no rights and little freedom. *The Underground Girls of Kabul* is anchored by vivid characters who bring this remarkable story to life: Azita, a female parliamentarian who sees no other choice but to turn her fourth daughter Mehran into a boy; Zahra, the tomboy teenager who struggles with puberty and refuses her parents’ attempts to turn her back into a girl; Shukria, now a married mother of three after living for twenty years as a man; and Nader, who prays with Shahed, the undercover female police officer, as they both remain in male disguise as adults. At the heart of this emotional narrative is a new perspective on the extreme sacrifices of Afghan women and girls against the violent backdrop of America’s longest war. Divided into four parts, the book follows those born as the unwanted sex in Afghanistan, but who live as the socially favored gender through childhood and puberty, only to later be forced into marriage and childbirth. *The Underground Girls of Kabul* charts their dramatic life cycles, while examining our own history and the parallels to subversive actions of people who live under oppression everywhere.

A Guide for the Perplexed Jonathan Levi, 2017-04-18 “A fable of fantastical lushness” unfolds as two women meet in a small Spanish town in this novel from the acclaimed author of *Septimania* (The New York Times Book Review). Holland and Hanni have come to Spain for two very different reasons. They have nothing in common except their mysterious travel agent Ben. But they soon discover much deeper connections. Stranded overnight because of an airport strike, Hanni and Holland come to realize they share a strange web of history and happenstance—a common labyrinth that stretches back to World War II, the Spanish Inquisition, and beyond. *A Guide for the Perplexed* is a collection of the letters these women write to their mysterious, unseen travel agent—a long night’s worth of confessions, a tapestry of tales chasing tales, including an untold saga of Columbus’s voyage to the New World, stories of war and lost loves, lost children, lost Jews, and the true origins of baseball. Combining the erudition of Umberto Eco with the ingenious storytelling of *A Thousand and One Nights*, Jonathan Levi weaves together a provocative reimaging of the discovery of America in this inventive debut novel.

Septimania Jonathan Levi, 2016-04-05 This picaresque romance is “intellectually fascinating and emotionally powerful . . . a poignant meditation on youth, love, myth, history, and quantum theory.” (Chicago Review of Books) On a spring afternoon in 1978 in the loft of a church outside Cambridge, England, an organ tuner named Malory loses his virginity to a dyslexic

math genius named Louiza. When Louiza disappears, Malory follows her trail to Rome. There, the quest to find his love gets sidetracked when he discovers he is the heir to the Kingdom of Septimania, given by Charlemagne to the Jews of eighth-century France. In the midst of a Rome reeling from the kidnappings and bombs of the Red Brigades, Malory is crowned King of the Jews, Holy Roman Emperor, and possibly Caliph of All Islam. Over the next fifty years, Malory's search for Louiza leads to encounters with Pope John Paul II, a band of lost Romanians, a magical Bernini statue, Haroun al Rashid of Arabian Nights fame, an elephant that changes color, a U.S. spy agency and one of the 9/11 bombers, an appleseed from the Tree of Knowledge, and the secret history of Isaac Newton and his discovery of a Grand Unified Theory that explains everything. It's the quest of a Candide for love and knowledge, and the ultimate discovery that they may be unified after all. "Stupendous." —Alvaro Enrique, The New York Times Book Review "A fantastically suspenseful adventure. . . . told with the aplomb and smart humor of Michael Chabon and Jonathan Franzen." —Booklist (starred review) "This is realism as magical as the best of García Márquez." —Homerjo Aridjis, author of 1492: The Life and Times of Juan Cabezon of Castile

Drugs, Violence and Latin America Joseph Patteson, 2021-12-01 This book undertakes a psychotropic analysis of texts that deal with the violence of drug trafficking and interdiction, especially in Mexico. While most critics of so-called narcoculture have either focused on an aesthetic "sobriety" in these works or discounted them altogether as exploitative and unworthy of serious attention, *Drugs, Violence, and Latin America* illuminates how such work may reflect and intervene in global networks of intoxication. Theorizing a "dialectics of intoxication" that illustrates how psychotropy may either solidify or destabilize the self and its relationship to the other, it proposes that these tendencies influence human behavior in distinct ways and are leveraged for social control within both licit and illicit economies. A consideration of a countercultural genealogy in Latin America provides a contrastive psychotropic context for contemporary novels that exposes links between narcoviolence and consumerism, challenging our addictions of thought and feeling about ourselves and our relationships to drugs and narco-violence.

Terrible Beauty Marian Eide, 2019-03-13 If art is our bid to make sense of the senseless, there is hardly more fertile creative ground than that of the twentieth century. From the trench poetry of World War I and Holocaust memoirs by Primo Levi and Elie Wiesel to the post-colonial novels of southern Asia and the anti-apartheid plays of the South African Market Theater, writers have married beauty and horror. This century of trauma produced writing at once saturated in political violence and complicated by the ethics of aesthetic representation. Stretching across genres and the globe, *Terrible Beauty* charts a course of aesthetic reconciliation between empathy and evil in the great literature of the twentieth century. The violent aesthetic—a category the author traces back to Plato and Nietzsche—accommodates the pleasure people take not only in destruction itself but also in its rendering. As readers, we oscillate between a fascination with atrocity and an ethical imperative to bear witness. Arguing for the immersive experience of literature as particularly conducive to ethical

contemplation, Marian Eide plumbs the aesthetic power and ethical purpose of this creative tension. By invoking the reader as complicit—both stricken witness and enthralled voyeur— *Terrible Beauty* sheds new light on the relationship between violence, literature, and the moral burdens of art.

Widow Basquiat Jennifer Clement, 2014-11-04 The beautifully written, deeply affecting story of Jean-Michel Basquiat's partner, her past, and their life together An NPR Best Book of the Year Selection New York City in the 1980s was a mesmerizing, wild place. A hotbed for hip hop, underground culture, and unmatched creative energy, it spawned some of the most significant art of the 20th century. It was where Jean-Michel Basquiat became an avant-garde street artist and painter, swiftly achieving worldwide fame. During the years before his death at the age of 27, he shared his life with his lover and muse, Suzanne Mallouk. A runaway from an unhappy home in Canada, Suzanne first met Jean-Michel in a bar on the Lower East Side in 1980. Thus began a tumultuous and passionate relationship that deeply influenced one of the most exceptional artists of our time. In emotionally resonant prose, award-winning author Jennifer Clement tells the story of the passion that swept Suzanne and Jean-Michel into a short-lived, unforgettable affair. A poetic interpretation like no other, *Widow Basquiat* is an expression of the unrelenting power of addiction, obsession and love.

A True Story Based on Lies Jennifer Clement, 2003 *A True Story Based on Lies* is a remarkable and original novel that addresses the universal issues of class discrimination, male oppression and female servitude through dual narratives of spellbinding power. Set in contemporary Mexico, the book charts the consequences of a sexual relationship between Leonora, a servant in the wealthy O'Connor home, and her master. When a child, Aura Olivia, is born from this union she is brought up as the daughter of the house. As the novel unfolds, the 'true' story gradually emerges.

Vanishing Frontiers Andrew Selee, 2018-06-05 There may be no story today with a wider gap between fact and fiction than the relationship between the United States and Mexico. Wall or no wall, deeply intertwined social, economic, business, cultural, and personal relationships mean the US-Mexico border is more like a seam than a barrier, weaving together two economies and cultures. Mexico faces huge crime and corruption problems, but its remarkable transformation over the past two decades has made it a more educated, prosperous, and innovative nation than most Americans realize. Through portraits of business leaders, migrants, chefs, movie directors, police officers, and media and sports executives, Andrew Selee looks at this emerging Mexico, showing how it increasingly influences our daily lives in the United States in surprising ways -- the jobs we do, the goods we consume, and even the new technology and entertainment we enjoy. From the Mexican entrepreneur in Missouri who saved the US nail industry, to the city leaders who were visionary enough to build a bridge over the border fence so the people of San Diego and Tijuana could share a single international airport, to the connections between innovators in Mexico's emerging tech hub in Guadalajara and those in Silicon Valley, Mexicans and Americans together have been creating productive connections that now blur the boundaries that once separated us from each other.

Bien mirado, la miseria no es tanta en Guerrero, ni el dolor tampoco, y la vida discurre al ritmo de unas chancletas que van pisando polvo, hasta que llegue el día en que una pasión o un delito te arranquen de la montaña y hagan de ti una mujer distinta. Con una prosa hecha de palabras que saltan y bailan, Jennifer Clement nos lleva a un lugar donde la desesperación y el humor se encuentran: ahí, en Guerrero, está la buena literatura. Reseña: «Jennifer Clement convierte la angustia en seducción y espléndida locura.» Francisco Goldman, New York Times Book Review
