No One Is Alone Rachel Vincent, 2022-07-12 From bestselling author Rachel Vincent comes a gripping and heartfelt story about a girl faced with a shocking revelation when her mom dies and she's forced to move in with her father's "real" family. Michaela is a junior in high school, living with her single mom. Her dad lives a few towns away and she only sees him on holidays and birthdays. They barely know each other, but Michaela is so close with her mom that she's never minded. That is, until her mom dies suddenly, and Michaela has to move in with her dad . . . who reveals he's been married with kids all this time and she's the product of an affair. Before she can even grieve her mother, Michaela is thrust into a strange house with a stepmom and three half siblings. Including her new sister Emery, who is less than thrilled at the prospect of sharing her room. Especially when they both try out for the school musical and Emery's theater star ex-boyfriend suddenly seems interested in Michaela. Can Michaela find a way to make a home with a family who didn't ask for her in the first place?

Confederate Sheet Music E. Lawrence Abel, 2015-06-14 During the American Civil War, songs united and inspired people on both sides. The North had a well-established music publishing industry when the war broke out, but the South had no such industry. The importance of music as an expression of the South's beliefs was obvious; as one music publisher said, The South must not only fight her own battles but sing her own songs and dance to music composed by her own children. Southern entrepreneurs quickly rose to the challenge. This reference book is distinguished by three major differences from previously published works. First, it lists sheet music that is no longer extant (and listed nowhere else). Second, it gives complete lyrics for all extant songs, a rich source for researchers. And third, a brief historical background has been provided for many of the songs. Each entry provides as much of the following as possible (staying faithful to the typography of each title page): the title as published, names of all lyricists, composers and publishers; dates of publication; cities of publication; and if applicable, the names of catalogs or magazines in which the song appeared. Music published in Southern cities under Federal occupation is excluded.

Broadway Sheet Music Donald J. Stubblebine, 1995 Stubblebine, also the author of *Cinema Sheet Music* (1991), provides a comprehensive listing of the published songs from every composer in all Broadway shows, 1918 through 1993. Each of the 2,562 entries include the show's title, year the show opened, a listing of all songs in the production with composers and lyricists, and the show's leading players. The sheet music cover is also described, along with a one-line

synopsis of the show. A limited number of shows that closed before reaching Broadway are also included. Indexed by song and by composer/lyricist. c. Book News Inc.

Sondheim on Music Mark Eden Horowitz, 2010-09-20 Stephen Sondheim is widely regarded as the most important composer and lyricist of musical theater in the second half of the 20th century. Celebrating his 80th birthday, this new edition of *Sondheim on Music* finds him in these guided interviews expounding in great depth and detail on his craft. As a natural teacher, thoughtful and opinionated, Sondheim discusses the art of musical composition, lyric writing, the collaborative process of musical theater, and how he thinks about his own work. Where the first edition focused particularly on six shows—*Passion*, *Assassins*, *Into the Woods*, *Sunday in the Park with George*, *Sweeney Todd*, and *Pacific Overtures*—this second edition presents a new chapter that discusses Sondheim's entire career. Several shows that were not discussed previously are explored here, including *A Funny Thing Happened on the Way to the Forum*, *Merrily We Roll Along*, *Company*, *Follies*, *Anyone Can Whistle*, and *A Little Night Music*, as well as thoughts about the recent film adaptation of *Sweeney Todd*. The book also features an entire chapter on *Bounce*: the previous incarnation of his latest musical, *Road Show*. In addition to Sondheim's list of Songs I Wish I'd Written, the songlisting and discography has been greatly expanded and updated to include all works composed and recorded over the last six years.

With *Music Essentials for Singers and Actors*, award-winning composer and music director Andrew Gerle has written a music theory text especially for singers,

focused exclusively on topics and techniques that will help them in the rehearsal room and on stage. Gerle leads readers step by step through every aspect of written music, using over one hundred real-world examples from Broadway scores. His common-sense, methodical approach demystifies abstract concepts, and his unique 1-STARRT method teaches singers to read musical “words” instead of single notes, enabling confident sight-singing of any score. Drawing on his years of experience as a Broadway vocal coach, Gerle also shows readers how to use music theory to think like a composer, analyzing scores for dramatic clues to create a more detailed and powerful performance. Each chapter is accompanied by downloadable audio examples and exercises to lock in newly learned concepts.

Where She Went Kelly Simmons, 2019-10-01 Women's fiction with a wrenching twist, *Where She Went* follows one mother desperate to know which secrets took her daughter away from what should have been a normal college experience. What happens when your worst fear comes true? Her only daughter has just gone away to college, and Maggie O'Farrell knows she's turning into one of those anxious empty-nesters she used to mock. Worrying constantly, texting more than she should, even occasionally dropping by the campus just to say hi. But Maggie can't shake the feeling that something terrible is about to happen to Emma. And then, just as Maggie starts to relax, her daughter disappears. The clues are disturbing. An empty dorm room where Emma was supposedly living. A mysterious boy described as Future Husband in her phone. Dormmates who seem more sinister than friendly. As Maggie combs over the campus looking for signs of her daughter, she learns more about Emma's life than she ever thought possible. Kelly Simmons delivers another gripping novel in *Where She Went*, a conversation-starting story of letting go and the secrets that surface when the person hiding them is gone. Also by

The Complete Lyrics of Oscar Hammerstein II Oscar Hammerstein II,2008-11-25 From every “beautiful mornin’” to “some enchanted evening,” the songs of Oscar Hammerstein II are part of our daily lives, his words part of our national fabric. Born into a theatrical dynasty headed by his grandfather and namesake, Oscar Hammerstein II breathed new life into the moribund art form of operetta by writing lyrics and libretti for such classics as *Rose-Marie* (music by Rudolf Friml), *The Desert Song* (Sigmund Romberg), *The New Moon* (Romberg) and *Song of the Flame* (George Gershwin). Hammerstein and Jerome Kern wrote eight musicals together, including *Sweet Adeline*, *Music in the Air*, and their masterpiece, *Show Boat*. The vibrant *Carmen Jones* was Hammerstein’s all-black adaptation of the tragic opera by Georges Bizet. In 1943, Hammerstein, pioneer in the field of operetta, joined forces with Richard Rodgers, who had for the previous twenty-five years taken great strides in the field of musical comedy with his longtime writing partner, Lorenz Hart. The first Rodgers and Hammerstein work, *Oklahoma!*, merged the two styles into a completely new genre—the musical play—and simultaneously launched the most successful partnership in American musical theater. Over the next seventeen years, Rodgers and Hammerstein wrote eight more Broadway musicals: *Carousel*, *Allegro*, *South Pacific*, *The King and I*, *Me and Juliet*, *Pipe Dream*, *Flower Drum Song*, and *The Sound of Music*. They also wrote a movie musical (*State Fair*) and one for television (*Cinderella*). Collectively their works have earned dozens of awards, including Pulitzers, Tonys, Oscars, Grammys, and Emmys. Throughout his career, Hammerstein created works of lyrical beauty and universal feeling, and he continually strove—sometimes against fashion—to seek out the good and beautiful in the world. “I know the world is filled with troubles and many injustices,” he once said. “But reality is as beautiful as it is ugly . . . I just couldn’t write anything without hope in it.” All of his lyrics are here—850, more than a quarter published for the first time—in this sixth book in the indispensable Complete Lyrics series that has also brought us the lyrics of Cole Porter, Lorenz Hart, Ira Gershwin, Irving Berlin, and Frank Loesser. From the young scribe’s earliest attempts to the old master’s final lyric—“Edelweiss”—we can see, read, and, yes, sing the words of a theatrical and lyrical genius.

Music of the First World War Don Tyler,2016-03-21 This book discusses WWI-era music in a historical context, explaining music's importance at home and abroad during WWI as well as examining what music was being sung, played, and danced to during the years prior to America's involvement in the Great War. Why was music so important to soldiers abroad during World War I? What role did music—ranging from classical to theater music, rags, and early jazz—play on the American homefront? *Music of the First World War* explores the tremendous importance of music during the years of the Great War—when communication technologies were extremely limited and music often took the place of connecting directly

with loved ones or reminiscing via recorded images. The book's chapters cover music's contribution to the war effort; the variety of war-related songs, popular hits, and top recording artists of the war years; the music of Broadway shows and other theater productions; and important composers and lyricists. The author also explores the development of the fledgling recording industry at this time.
