

Quotes By Whoopi Goldberg

Melinda Corey, George Ochoa

The Knowing Body Louise Steinman, 1995-11-29 Steinman's book really stands alone among performance art books. While there are many that document what particular artists are doing, this one offers a way in for a person who wants to perform (or know more about how performance artists work). Must reading for anyone interested in performance art, it will also be fascinating to those in theatre, playwriting, visual arts and performance of any sort.

The Oxford Dictionary of Quotations Elizabeth M. Knowles, 1999 This major new edition of The Oxford Dictionary of Quotations offers the broadest and most up-to-date coverage of quotations available today. Now with 20,000 quotations arranged by author, this is Oxford's largest quotations dictionary ever. As well as quotations from traditional sources, and with improved coverage of world religions and classical Greek and Latin literature, this foremost dictionary of quotations now covers areas such as proverbs and nursery rhymes. For the first time there are special sections for Advertising Slogans, Epitaphs, Film Lines, and Misquotations, which bring together topical and related quotes, and allow you to browse through the best quotations on a given subject. In this new fifth edition there is enhanced accessibility with a new thematic index to help you find the best quotes on a chosen subject, more in-depth details of the earliest traceable source, an extensive keyword index, and biographical cross-references, so you will easily be able to find quotations for all occasions, and identify who said what, where, and when.

Oxford Dictionary of Quotations Elizabeth Knowles, 2014-09-18 The first edition of the Oxford Dictionary of Quotations was published in 1941 and for over 70 years this bestselling book has remained unrivalled in its coverage of quotations past and present. The eighth edition is a vast treasury of wit and wisdom spanning the centuries and providing the ultimate answer to the question, 'Who said that?' Find that half-remembered line in a browser's paradise of over 20,000 quotations, comprehensively indexed for ready reference. Lord Byron may have taken the view: 'I think it great affectation not to quote oneself', but for the less self-centred the Oxford Dictionary of Quotations provides a quote for every occasion from the greatest minds of history and from undistinguished characters known only for one happy line. Drawing on Oxford's unrivalled dictionary research programme and unique language monitoring, over 700 new quotations have been added to this eighth edition from authors ranging from St Joan of Arc and Coco Chanel to Albrecht Dürer and Thomas Jefferson. New sayings from across the ages include 'It would not be better if things happened to men just as they wish' (the classical writer Heraclitus),

'Fight on, and God will give the Victory' (the suffragette Emily Wilding Davison), and 'The future is already here--it's just not evenly distributed' (the writer William Gibson).

Alice Walker Evelyn C. White, 2004 Drawing on papers, letters, journals, and extensive interviews with Walker, her family, friends, and colleagues, and with leading American cultural figures including Gloria Steinem, Quincy Jones, and Oprah Winfrey, White assesses one of the most influential writers of modern time.

Close-up on Sunset Boulevard Sam Staggs, 2003-02-04 Billy Wilder's *Sunset Boulevard*, a classic film noir and also a damning dissection of the Hollywood dream factory, evokes the glamour and ruin of the stars who subsist on that dream. It's also one long in-joke about the movie industry and those who made it great-and who were, in turn, destroyed by it. One of the most critically admired films of the twentieth century, *Sunset Boulevard* is also famous as silent star Gloria Swanson's comeback picture. Sam Staggs's *Close-Up On Sunset Boulevard* tells the story of this extravagant work, from the writing, casting and filming to the disastrous previews that made Paramount consider shelving it. It's about the writing team of Billy Wilder and Charles Brackett-sardonically called the happiest couple in Hollywood-and their raucous professional relationship. It's about the art direction and the sets, the costumes, the props, the lights and the cameras, and the personalities who used those tools to create a cinematic work of art. Staggs goes behind the scenes to reveal: William Holden, endlessly attacked by his bitter wife and already drinking too much; Nancy Olson, the cheerful ingenue who had never heard of the great Gloria Swanson; the dark genius Erich von Stroheim; the once famous but long-forgotten Waxworks; and of course Swanson herself, who-just like Norma Desmond-had once been the greatest star of them all. But the story of *Sunset Boulevard* doesn't end with the movie's success and acclaim at its release in 1950. There's much more, and Staggs layers this stylish book with fascinating detail, following the actors and Wilder into their post-*Sunset* careers and revealing Gloria Swanson's never-ending struggle to free herself from the clutches of Norma Desmond. *Close-Up On Sunset Boulevard* also chronicles the making of Andrew Lloyd Webber's musical production of *Sunset Boulevard* and the explosive diva controversies that dogged it. The book ends with a shocking example of Hollywood life imitating Hollywood art. By the last page of this rich narrative, readers will conclude: We are those wonderful people out there in the dark.

Movie Stars Do the Dumbest Things Margaret Moser, Michael Bertin, Bill Crawford, 2011-04-01 Johnny Depp. Marilyn Monroe. Marlon Brando. Leonardo DiCaprio. Woody Allen. Shanron Stone. What do all of these actors have in common? They're outrageous, receive huge salaries, have enormous egos, and have way too much spare time. Their out-of-control lifestyles prove that, as one Hollywood observer noted, Hollywood is a trip through a sewer in a glass-bottomed boat. You'll learn which director was furious when he was misquoted as saying, Actors are cattle. He claimed he had really said, Actors should be treated as cattle. You'll discover that Bruce Willis ordered the final scenes in *Striking Distance* to be re-shot at a cost of over \$750,000 because the original shots exposed his toupee. You'll find that Melanie Griffith explained her ignorance

of the Nazi holocaust by saying, I don't know why I didn't know. Maybe I missed school that day...I'm not stupid. Whether you're a fan of Hugh Grant, Dennis Hopper, or Whoopi Goldberg, you'll learn about all of the embarrassing moments in your favorite star's life. From actors like Ben Affleck and Cameron Diaz to screen legends like Frank Sinatra and Judy Garland, *Movie Stars Do the Dumbest Things* is proof that actors are more childish and impulsive than you've ever imagined.

Kush Kaleidoscopes and Stereograms Volume One Rachel Nichol, 2019-07-22 Marijuana is a beautiful plant. When a photo of a marijuana flower is converted into a kaleidoscope the visual aesthetic truly blooms. *KUSH KALEIDOSCOPIES AND STEREOGRAMS VOLUME ONE* is a coffee table book. Each photo is original and each kaleidoscope is unique. Each stereogram solution 3D depth-map image is hand-modeled by the author using Blender version 2.79b (a computer graphics software toolset). Finally, each stereogram is a marriage of the Kush Kaleidoscope pattern image and the stereogram solution 3D image. The volume contains 34 Kush Kaleidoscopes and 36 stereogram 3D images. Each Kush Kaleidoscope has one or more hints to assist the reader in viewing the hidden 3D image as well as a celebrity quote. There is a solution key in the back of the book for each stereogram.

Comedy Quotes from the Movies Larry Langman, Paul Gold, 2001-05-29 Clever repartee, double entendres, punch lines and many other variations of humor have been a staple of movie dialogue since the advent of talkies. Collected here are over 4,000 of the best comedic lines from the movies. The compilers of this book have tried to bring together some of the funniest, wittiest and most outrageous snatches of dialogue on film over a sixty year time period. For each entry the authors set the quotation in context, provide the name of the actor or actress, the name of the movie and the year of release. The quotations are arranged by a broad range of categories, such as politics, food and eating, gambling, and many others. A title index and a name index follow the body of the book..

The Queens of Animation Nathalia Holt, 2019-10-22 From the bestselling author of *Rise of the Rocket Girls*, the untold, richly detailed story of the women of Walt Disney Studios, who shaped the iconic films that have enthralled generations (Margot Lee Shetterly, New York Times bestselling author of *Hidden Figures*). From *Snow White* to *Moana*, from *Pinocchio* to *Frozen*, the animated films of Walt Disney Studios have moved and entertained millions. But few fans know that behind these groundbreaking features was an incredibly influential group of women who fought for respect in an often ruthless male-dominated industry and who have slipped under the radar for decades. In *The Queens of Animation*, bestselling author Nathalia Holt tells their dramatic stories for the first time, showing how these women infiltrated the boys' club of Disney's story and animation departments and used early technologies to create the rich artwork and unforgettable narratives that have become part of the American canon. As the influence of Walt Disney Studios grew -- and while battling sexism, domestic abuse, and workplace intimidation -- these women also fought to transform the way female characters are depicted to young audiences. With gripping storytelling, and based on extensive interviews and exclusive access to archival and personal

documents, *The Queens of Animation* reveals the vital contributions these women made to Disney's Golden Age and their continued impact on animated filmmaking, culminating in the record-shattering *Frozen*, Disney's first female-directed full-length feature film. A Best Book of 2019: Library Journal, Christian Science Monitor, and Financial Times

Language, Culture, and Society James Stanlaw, Nobuko Adachi, 2025-03-31 Why should we study language? How do the ways in which we communicate define our identities? And how is this all changing in the digital world? Over seven editions, many have turned to *Language, Culture, and Society* for answers to questions like these because of its comprehensive coverage of all critical aspects of linguistic anthropology. This eighth edition carries on the legacy while addressing some of the newer, pressing, and exciting challenges of the twenty-first century, such as issues of language and power, language ideology, linguistic diasporas, as well as online and digital ecosystems. New to this edition are a reconceptualization of how linguistics approaches race, gender, and sexuality, with additional chapters and sections on how linguistics benefits archaeology and biological anthropology, as well as considerations of the relationship between language and truth, ethics, and war and politics. It also features enhanced and updated pedagogical features, such as learning objectives, updated resources for continued learning, and cross-references to updated encyclopedias of linguistic anthropology.

The Dictionary of Film Quotations Melinda Corey, George Ochoa, 1995 The first book to gather lines from more than 1,000 all-time, classic films in one volume, this handy dictionary is a perfect source for movie buffs or quotation users. Alphabetized by movie with special indices by speaker, subject, and key word. Each entry features studio, director, scriptwriter, principal cast, and speaker.

If Someone Says "You Complete Me," RUN! Whoopi Goldberg, 2024-09-24 From the hilarious host of *The View*, Whoopi Goldberg, a book that offers an alternative perspective on marriage and relationships—and why it's okay if you don't want the life everyone expects you to have. Marriage isn't for everyone. Being alone can be satisfying. What's most important is that you're happy. Whoopi Goldberg has astonished us with her career as an actor, comedian, singer, author, political activist, and talk show host—now, she's written a book that is sure to resonate with the millions of folks who struggle with relationship expectations, regardless of sexual orientation and gender. *If Someone Says You Complete Me, RUN!* is as funny as it is affirming, written in Whoopi Goldberg's signature voice.

War for Your Worldview Timothy Wade Corder, 2019-06-07 “*War for Your Worldview*” is based on the insights gained through twenty years of the author’s intense investigative research. Although a great deal has been written in recent years about globalism and the infamous New World Order, much of it provides only scant evidence along with endless conjecture, requiring readers to take giant leaps of faith. This book, however, is different. Corder disregards folklore and presents only the shocking, incontrovertible evidence that proves the existence of the Deep State, showcases the corruption that controls

our news and entertainment media, and exposes the elite cabal's insidious, century-long plot to undermine the founding principles of The United States of America. Every citizen should be aware of the facts related to how our education system and our media sources have been hijacked to dumb down our population, how the climate change narrative has been forced into our collective consciousness to guilt and shame us into bankruptcy, and how our jobs and industries have been outsourced to destroy our economic well-being. Corder reviews the work of several credentialed "whistle-blowers" who have blown the doors off of the covert operations intended to erode our values and ultimately topple our civilization. He also demonstrates how social engineers have used our most noble qualities against us in their effort to bring about our destruction. The key players are identified by name and concrete examples are provided of their undeniably sinister intentions and egregious acts against our Republic. Learn how divisive rhetoric and emotionally charged propaganda are presenting direct threats to our civil liberties, and how blatant attacks on patriotism, Christianity, and the US Constitution are erasing our national identity. Discover how deadly drugs, mass immigration, and socialist policies are all being promoted to weaken us as a nation—to destroy our people by bringing chaos and disorder to our lives and our communities. You won't get these explosive truths from the mainstream media, or anywhere else! There's a war being fought for our collective worldview. The weaponry that's being employed against us is the manipulation of our minds. The stakes are high. The attacks are real. The casualties are real. Know how to fight back—for freedom, for liberty, and for the way of life that we all cherish as Americans.

Divided Sisters Midge Wilson, 1996 Since the advent of the women's movement, women have often expressed the belief that black and white women in society have a great many common concerns, and are in fact natural allies. The reality is more sobering. In *Divided Sisters*, Midge Wilson and Kathy Russell, the acclaimed authors of *The Color Complex*, tackle the nature of relationships between black and white women, and explore how they do, and don't, get along. Based on scores of interviews, cultural literature and extensive research, *Divided Sisters* examines relations between black and white women as children, as adults, at school and in college, at work and at home. Truthfully as adults relatively few women feel they are close friends with a woman from another racial background. The book exposes many of the challenges and obstacles that complicate interracial relationships in a society with a long history of racial inequality. What Midge and Kathy discover is that the concerns and frustrations of black and white women are often different, and that these differences are frequently not communicated. For example, women thrown together for the first time in college are often ill-prepared to handle cultural differences in dress, customs, attitudes and background. In addition, peer pressure, economic and historical inequality, real or perceived racism, and fear, play a role in dividing rather than uniting women. *Divided Sisters* is a landmark book that will open readers' eyes to the realities and challenges of bridging what is too frequently a cultural divide.

Gender and Activism Mieke Aerts, 2015 This 'Yearbook' attends to various ways in which women were active and

organized themselves in order to question sex and gender related issues in the political arena. Covering a diverse range of cultures and political situations the Yearbook discusses how women protested against perceived religious suppression; actively participated in local democratic political institutions whilst not really changing gender-roles; or discussed experienced discrepancies between socialism and feminism. How do women find their ways in democratic systems of governance? What do these systems offer them in terms of emancipation and involvement in political decision making affecting their lives?

The Downfall of America Jake Klausner, 2022-07-20 Far too often, people are introduced to a caricature of the conservative movement before they've actually heard what the average conservative has to say. In *The Downfall of America*, Jake Klausner presents a conservative perspective on the forces currently working to tear down long-standing American traditions and institutions. The book outlines the ways in which the Left has waged war against traditional American values and even reality itself. In an age of emotional appeals, it makes the conservative argument using logic and statistics. The challenge conveyed to the reader is simple, but critical: "Don't let freedom be extinguished in your lifetime; make sure that it's still there for your kids and theirs."

Good Girls & Wicked Witches Amy M. Davis, 2007-02-20 An in-depth view of the way popular female stereotypes were reflected in—and were shaped by—the portrayal of women in Disney's animated features. In *Good Girls and Wicked Witches*, Amy M. Davis re-examines the notion that Disney heroines are rewarded for passivity. Davis proceeds from the assumption that, in their representations of femininity, Disney films both reflected and helped shape the attitudes of the wider society, both at the time of their first release and subsequently. Analyzing the construction of (mainly human) female characters in the animated films of the Walt Disney Studio between 1937 and 2001, she attempts to establish the extent to which these characterizations were shaped by wider popular stereotypes. Davis argues that it is within the most constructed of all moving images of the female form—the heroine of the animated film—that the most telling aspects of Woman as the subject of Hollywood iconography and cultural ideas of American womanhood are to be found. "A fascinating compilation of essays in which [Davis] examined the way Disney has treated female characters throughout its history." —PopMatters

Happily Hippy Paul Dougan, 2017-08-17 *Happily Hippy: Meet a Modern Ethnicity* rethinks hippies. Hippiedom didn't die; rather, as with other outgroups, it became socially invisible. *Happily Hippy* argues that the Counterculture is a 50-year-old ethnicity and explains Hippiedom's ethnogenesis. We learn how anti-Hippie demagoguery has warped American politics, how the War on Drugs is largely about persecuting Hippie-America and how today's legalization movement is really about Hippie-America fighting for social equality. *Happily Hippy* documents the Counterculture's many accomplishments, including inventing the Personal Computer; it estimates over 30 million Hippie-Americans and shows readers crude demographic maps of Hippie-America. We look at Hippies in philanthropy, Hollywood, sports, various arts, new medicine, the natural-foods

industry, the Green movement and around the globe. We'll see how stereotypes of Hippies echo those of other minorities, explore Hippie self-esteem issues, look at Hippie generational transfer and do some fun media analysis. We'll also consider the need for a Hippie-American Ethnic Organization and how we might begin one. If you're Hippie, if you've ever been Hippie, read this book. It will change your head; it can change this world.

Pop Art and Beyond Mona Hadler, Kalliopi Minioudaki, 2022-02-24 Pop Art and Beyond foregrounds the roles of gender, race, and class in encounters with Pop during the Long Sixties. Exploring the work of over 20 artists from 5 continents, it offers new perspectives on Pop's heterogeneity. Featuring an array of rigorous chapters written by both acclaimed experts and emerging scholars, this anthology transcends the borders of individual and national contexts, and suspends hierarchies creating a space for the work of artists like Andy Warhol and the women of the Black Arts Movement to converse. It casts an inclusive look at the intersectional complexities of difference in Pop at a moment that gave rise to a plethora of radical social movements and identity politics. While this book introduces revelatory non-canonical artists into the Pop context or amplifies the careers of others, it is not limited to the confines of fine art. Chapters explore the intersecting variables of oppression and liberation in rituals of youth subcultures as well as practices across media with Pop sources and parallels ranging from Native American objects, Harlem advertisements, and Cordel literature, to stand-up comedy, music, fashion, and design. Pop Art and Beyond thus widens the conversation about what Pop was and what it can be for current art in its struggle for social justice and critiques of power.

Have a New You by Friday Dr. Kevin Leman, 2010-09-01 How many times have we tried to change our own habits, only to find that changing ourselves is even harder than trying to change someone else? Now, what the bestselling Have a New Kid by Friday has done for families and Have a New Husband by Friday has done for couples, Have a New You by Friday will do for individuals. With his signature wit and commonsense psychology, Dr. Kevin Leman will walk readers through their own personal five-day action plan. Readers will come to -accept the truth about themselves -boost their confidence by identifying the lies they're telling themselves--and putting them to rest for good -change their lives by concentrating on becoming who they really want to be Based on content from The Real You, Have a New You by Friday is the way to a happier, more fulfilling life.
