Do You Believe In Magic? M. E. Nevill, 2016-12-19 Have you ever wondered if you are really in control of your life? Or could it be that someone or something has been placed in front of a computer somewhere and is pushing buttons and sending messages to your brain? What really influences our daily decisions: friends, family, God, the government perhaps, or a dog? These are the questions Dr. Anthony Harding begins to ask himself shortly after arriving in San Diego. He's convinced that the only way his two daughters will ever overcome their mother's death and the stigma of her alcoholism and drug addiction and the only way to repair his own status as a dead-beat dad is to jump on a job offer that will move them as far away from Chicago's south side as possible. His expectations doesn't include being attracted to a pint-sized independent neighbor from Louisiana whose best friend seems to be a miniature chocolate poodle that appears to have a talent for making unusual things happen.

You Are What You Believe Lois B. Mayette, 2011-10-26 Culturally we lack the training of an early age to be free thinkers. We have become instead, repeaters - cookie cutter persons. Thinking out of the box is so needed. This is what prompted me to write this book. Ive been there, done that so know it well. Children today say they are free thinkers, yet there they stand before us, all wanting and dressing alike. It may help the economy but it certainly is not free thinking. It likely is different than what Mom and Dad ascribe but its still about others thinking. How did we get to where we are? We are all responsible for it. So lets together not recreate the past and go forward with creativity and process out of the box ideas and thinking. Develop questioning what was and liberate ourselves.

Jesus' Course in Miracles ,2000 The JCIM derives from the Hugh Lynn Cayce version of the Course, which was completed by Helen Shucman and Bill Thetford in 1972. Later editing by others removed about 25% of the material contained in the first five chapters and made numerous editorial changes which affected both the tone and the content of the message. Many students consider study of the unabridged JCIM version to be indispensable in their curriculum. Text only. This edition does not include the Workbook or the Teachers' Manual. There is a good explanation of the JCIM on our website at <http://jcim.net/sacredsource.html>. 306 pages plus 102 page appendix comparing the JCIM with the popular commercial version of the Course.

A Course in Miracles ,2008-06 This volume contains the original Course in Miracles text, as well as the Course for Miracles for Teachers and The 360 Lessons.

Ordinary Miracles - If Only You Believe Catherine Baldessarini,2024-09-24 Enjoy and join in the journey of an Italian Catholic woman who discovered that the meaning and success of life had nothing to do with money and prestige. It had to do with finding out who she was and to whom she truly belonged. This journey has many facets, from humble, loving beginnings to neglect and abuse, from one love to the next, addiction, adultery, avoidance, along with some humor, humble charisms, and most of all--number one--the encounters with the heavenly realms. Because you too can receive the gifts of ordinary miracles...if only you believe.

The Cahills Domenick G. Scaglione,2016-05-05 Pure love, not recognized as such by most children, inexplicably grows as they mature and makes them strong fighters against traditions, bigotry, tyranny, and parents' wishes. Mankind's desires to live closer to Mother Nature than within the confines of a human society determined to continue to live in the glory of self-esteem and false pride are ultimately achieved by the principal people in this novel. Great lessons to live by are taught by an old man living on a farm. A child, in need of comfort, finds companionship and peace in the world of his imagination where everything becomes real. Strong belief in God vanishes when unexpected events change many lives. Spoiled youth, like bull with lustful desires, inject poison in a town of peace loving people. Ultimately, the determination to really live one's faith restores peace and happiness in the hearts of people in love.
