

I Come Broken To Be Mended

Kathleen Donalson Tayler

The Broken Road Mary Boyle,2023-03-17 Have you ever felt like you are the only one going through something? You are alone, hurting, and the harder you try, the bigger the circumstances get? Me too! I have walked many unwise decisions or circumstances not in my control, but I am here to tell you that there is a God that never leaves or forsakes us. My hope is that you will find solace in the outcome of how God's healing hand took my broken vessel and molded me into His vessel, and that you, too, will know He is with you.

Wisdom From the Homeless Neil Craton M.D.,2018-10-17 SOMETIMES THE WORLD SEEMS LIKE A VERY DARK PLACE. In this angry world, I have seen a glimpse of light. I have seen kindness, love and hope at a homeless shelter. Siloam Mission is named after a pool where, in Biblical times, Jesus healed a blind man. In this tradition, the Mission has a medical clinic, and I have had the privilege of working there. The homeless men and women I have met at Siloam have taught me profound lessons about perseverance through suffering, expressing joy in dire circumstances, and the rewards of service to those in need. I want to share those lessons with you.

Christ and The Prisoner's Wife Kathleen Donalson Tayler,2024-06-05 Kathleen sat on the floor with the letters dumped all around her, years of letters that Dean had sent from prison. Her marriage to Dean had failed, and they had divorced. He was incarcerated and serving a sixteen-year sentence. Through the years, she had tossed the letters in a box without reading them--letters about how he had found Christ, letters about how he learned what it meant to love, letters about wanting his family, letters about God's grace. She read through each letter, tears running down her face. She prayed, Lord, if you want me to return to my marriage, you are going to have to give me love for my husband. She had endured rejection, infidelity, fear, and abandonment. Dean's choices had wounded her deeply. Only through God would she be able to forgive and love again. Dean still had several more years on his sentence. To return to her marriage would mean that she would become a prisoner's wife. Christ and the Prisoner's Wife is a life-changing story of God's power to save a husband, a marriage, and restore a family.

Intersecting Lives Linda Edmister,2022-08-01 Rose Thompson set out for Tinkers Well, Kansas, with no expectations for anything but a quiet summer spent with her kind but outspoken grandmother during their visit to the home of Granny Gert's old school chum, the wealthy widow Aletha Mason. Raised in a quiet town with no real excitement, Rose had always longed

for adventure yet had resigned herself to never actually experiencing any. But as luck would have it, she is unexpectedly swept into a fairy-tale romance with Simon, the personification of male perfection, volunteers to help with the resurrection of a decrepit but glorious old Victorian mansion, and develops surprisingly rich friendships with three army-veterans-turned-home-renovators. In the course of her exploits, she learns that blissful dreams aren't always what they seem and that faith in the reality of God's grace and purpose is richer and more rewarding than any fantasy.

When God Works Incognito Fred Beck, 2018-06-26 About the book /why read *When God Works Incognito*, by Fred Beck. It would be presumptive and self-serving to say, you should read *When God Works Incognito*. I can say the autobiographical vignettes, that are the main body of the book, will give you a real glimpse of the joys and challenges of one missionary's life and work in South Asia and Southeast Asia over a period of thirty-three-plus years. On the surface, it is my story. Beneath the surface, great flowing currents of God (the Creator-Sustainer-Savior) are active and personal. You will gain a glimpse of mission strategies; how some real missionaries live, work, grow in Christlikeness, and yes, sometimes struggle; how missionaries partner with local believers to reach their own people; and much more. The book also seeks, by real-life illustrations, to quietly answer the question: Is God even interested in what happens on earth? More importantly, does God act in the life and affairs of mankind? There are multitudes of unbelievers and scoffers. The Scriptures tell us that God is spirit (John 4:24). They also tell us, a natural man (a person without God) does not accept the things of the Spirit of God; for they are foolishness to him and he cannot understand them (1 Corinthians 2:14). Thus, the natural man's understanding is limited to the physical domain-empirical matters that he can see, touch, or verify. The Scriptures continue, But he who is spiritual (a person who believes in and walks daily with God) appraises all things (because he has the mind of Christ; 1 Corinthians 2:14-16). Thus the spiritual person can understand, in part, both the physical and spiritual domains. Therefore, the spiritual person is equipped for interaction with God and learns, by experience and scripture, to recognize God's presence and activity, even when God works incognito.

Broken Hearts...Mended Don Stackpole ,2018-12-12 Every generation has felt the sting of parental alcohol abuse. Our numbers are staggeringly high. Only God can possibly know to what extent lives have been changed for the worse by the scourge that alcohol has become. Anyone who has ever lived in the shadow of a drunkard knows the hurt and humiliation that comes with having done so. At first glance, it would appear that this sin against children is virtually unforgivable. There simply is no excuse for a parent to deal out this kind of grief to those they are charged by God to protect and love. Children of drunkards ultimately become adult children of drunkards. While they have moved on chronologically from their childhood, they still remember the pain. They still have the occasional flashback that will return them to a time of inexplicable feelings of betrayal and even abandonment. But there is hope. That hope is found in the biblical precept of forgiveness. The author shares his life experiences that have delivered him from an early adulthood engulfed by sorrow and regret to a time when

forgiveness was granted—when it hadn't ever been sought. The same equation can be applied to any and all victims of having lived for many years in the belly of the beast.

Beautifully Broken: My Journey to a Mended Heart Rhonda Marie Stalb, 2017-04-29 Beautifully Broken: My Journey to a Mended Heart is a shocking memoir of Rhonda Marie Stalb's rocky road to peace and joy. It is a journey of adversity and healing. This poignant story shows vividly how God is very aware of our hurts. We see how God is with us every step of the way through the pain, trials, and losses. In her story, Rhonda makes it very evident that our pain can lead us to people who can be the hands and feet of Jesus Christ to help us along the road to healing. God doesn't waste our pain because He transforms the shattered pieces of life into a beautiful masterpiece. It is only by being Beautifully Broken that Rhonda has learned to minister to those who have the same hurts, fears, and dreams. Her goal is to help people who are on a similar road to find their way to being Beautifully Broken.

Shattered Dream Broken Heart Mended by a Loving God Christal Beaujeaux, 2019-08-30 Everyone has dreams! Sometimes these dreams seem too good to be true. Sometimes these dreams do come true, at least for a while. This is what happened to me. Everything seemed to fall into place and I was literally on cloud nine. I already had a rough life up to this point and I was convinced that this event was going to erase all the bad memories from the past. I was convinced that this relationship was going to last forever, that he was going to help me move forward in life, and also help me put the past where it rightfully belongs. Eventually, my dreams would be shattered into a million pieces and my heart broken beyond repair. I found myself fighting a new battle. I found myself fighting against life itself. If God had not intervened when and how He did, I would not be here today.

A Minute of Presence for Women Leigh McLeroy, 2018 Open your eyes to the wonder God has waiting for you. In the midst of our busy schedules and the constant distractions our culture offers us, it can be difficult to feel God and see the way he's working in our lives. He is the creator of the universe, the author of salvation, the beginning and end of everything that is--but that doesn't mean he's far away. The truth is, God is revealing himself to us all the time, in even the littlest details of our everyday. If we can only slow down and open our eyes to see it, we can begin to catch glimpses of him wherever we are and whatever our circumstances may be. In A Minute of Presence for Women, spend a year retreating with God--and awaken your heart to his wonder all around you.

A Refreshing Time with God Remi Dayo-Omole, 2023-06-30 We live in a very fast-paced world, and we are constantly on the move trying to keep up with everything. In doing so, we drain ourselves of energy. We live for family, work, and other people; so much so that we forget about ourselves. Sometimes we allow others to define who we are, and we forget who God says we are. How can we regain strength and renew our inner peace, joy, and happiness? God is calling us to come to him,

fellowship together, and bring our burdens to him. A refreshing time with God contains 365 days of devotions and inspiration that help you discover your unique self. Opening your Bible daily with this guide helps you understand that God has created you to make a difference. It allows you to discover your power of dominion and take back control. "I can do all things through Christ who strengthens me." Philippians 4:13 (NKJV)

Broken Child Mended Man Adam Starks, PhD,2016-03-29 In his autobiography, Adam Starks provides a valiantly candid account of the turbulence faced during his years leading up to and while in foster care. In a path breaking twist from other well-written memoirs of former foster youth, his story reflects on the acting out that ensued as a result of a constant sense of instability in the world around him. Amid his internal struggles, Adam properly attributes his ability to remain steadfast toward achieving his successful breakaway from the cycle to his education and the ones who gathered around him during his times of need. His story provides inspiration for anyone searching for a sign of strength to relate to their own struggle. *Broken Child Mended Man* is a testimony for anyone who wants to overcome trials in their life and realize their ultimate worth.

Shattered Dreams and Broken Hearts Linda J. Stilson,2006 Expressing her grief through poetry, Linda Stilson reaches out to others providing comfort and promoting suicide awareness. Depression is an illness which shouldn't go untreated. Unless you have suffered it, many do not know the signs for depression or suicide. Many don't know about bipolar disorder and the signs for it. Both are treatable, but left unattended, it often leads to suicide. Suicide is not a sin, it is result of an illness that was left untreated. No one really knows how much one can handle or what their coping skills are. It is my desire to bring awareness to others about depression, bipolar, and suicide so that more people know the signs and are able to help anyone that might be in denial or suffering alone. When they are seriously depressed they feel alone and unloved, even though they are surrounded by many that love them.Linda expresses her feelings she encountered during her grief process in hopes that others experiencing a loss by suicide can relate to them and be of some comfort to them.Learn to recognize the signs and symptoms that lead to suicide. It could save someones life.
