**Jacques** George Sand, 2024-09-24 Plongez dans l'univers passionnant de « Jacques » de George Sand, une œuvre d'une intensité émotionnelle et d'une profondeur psychologique qui explore l'amour, la liberté et la condition humaine. Dans « Jacques », George Sand nous présente l'histoire d'un homme tourmenté par ses idéaux et ses émotions. Jacques, un personnage complexe et mélancolique, est un homme d'honneur qui épouse la jeune Fernande par amour. Cependant, cette union sera marquée par la jalousie, la méfiance et l'incompatibilité des désirs. Sand, avec une sensibilité unique, explore les conflits entre les attentes de la société, les aspirations personnelles et les réalités de l'amour. À travers le parcours de Jacques et Fernande, Sand pose des questions profondes sur la liberté individuelle, les sacrifices imposés par le mariage et la quête d'un amour authentique. Le roman aborde les thèmes de la jalousie destructrice, de l'émancipation des sentiments, et de l'égoïsme déguisé en vertu. Sand, en pionnière de la littérature féministe, brosse ici un portrait poignant des rôles de genre et des contraintes sociales de son époque. Le style de George Sand est à la fois poétique et introspectif, créant une atmosphère à la fois belle et tragique. Elle dépeint les paysages naturels comme un reflet des tourments intérieurs de ses personnages, ajoutant une dimension symbolique à l'histoire. « Jacques » est un roman profondément humain, qui pousse le lecteur à s'interroger sur la nature des relations amoureuses et sur le véritable sens du sacrifice. Avec sa capacité à capturer les subtilités des émotions humaines, George Sand signe ici une œuvre incontournable. « Jacques » est une lecture indispensable pour ceux qui cherchent un roman puissant sur les dilemmes du cœur et de l'âme. N'attendez plus pour découvrir ce chef-d'œuvre émouvant et intellectuellement stimulant.

**Lady Be Good** Amber Brock, 2019-06-04 Set in the 1950s--and now in paperback--Lady Be Good sweeps readers into the world of the mischievous, status-obsessed daughter of a hotel magnate and the electric nightlife of three iconic cities: New York, Miami, and Havana. Kitty Tessler is the winsome and clever only child of self-made hotel and nightclub tycoon Nicolas Tessler. Kitty may not have the same pedigree as the tennis club set she admires, but she still sees herself as every inch the socialite--spending her days perfecting her look and her nights charming all the blue-blooded boys who frequent her father's clubs. It seems like the fun will never end until Kitty's father issues a terrible ultimatum: she may no longer date the idle rich.

Instead, Kitty must marry Andre, her father's second-in-command, and take her place as the First Lady of his hotel empire. Kitty is forced to come up with a wily and elaborate plan to protect her own lofty ideas for the future, as well as to save her best friend, Henrietta Bancroft, from a doomed engagement; Kitty will steal Henrietta's fiancé, a fabulously wealthy but terribly unkind man from a powerful family--thereby delivering the one-two punch of securing her now-fragile place on the social ladder and keeping her friend from a miserable marriage. Then Kitty meets Max, a member of a band visiting New York from her father's Miami club, and her plans take a turn. Smitten, but still eager to convince her father of her commitment to Andre, Kitty and Hen follow Max, Andre, and the rest of the band back down to Miami--and later to Cuba. As Kitty spends more time with Max, she begins waking up to the beauty--and the injustice--of the world beyond her small, privileged corner of Manhattan. And when her well-intended yet manipulative efforts backfire, Kitty is forced to reconsider her choices and her future before she loses everyone she loves.

**Historical Musicology** Stephen A. Crist, Roberta Montemorra Marvin, 2004 How do we know what notes a composer intended in a given piece? -- how those notes should be played and sung? -- the nature of musical life in Bach's Leipzig, Schubert's Vienna? -- how music related to literature and other arts and social currents in different times and places? -- what attitudes musicians and music lovers had toward the music that they heard and made? We know all this from musical manuscripts and prints, opera libretti, composers' letters, reviews in newspapers and magazines, archival data, contemporary pedagogical writings, essays on aesthetics, and much else. Some of these categories of sources are the bedrock of music history and musicology. Others have begun to be examined only in recent years. Furthermore, musicologists -- including biographers of famous composers -- now explore these various kinds of sources in a variety of ways, some of them richly traditional and others exciting and novel. These seventeen essays, all newly written, use a wide array of source materials to probe issues pertaining to a cross section of musical works and musical life from the sixteenth through the twentieth centuries. The resulting, pluralistic profile of current musicology will prove welcome to anyone fascinated by the problems of reconstructing -- reimagining, sometimes -- the evanescent musical art of the past and pondering its implications for musical life today and in the future. Roberta Montemorra Marvin is Director of Research and Development for International Programs, University of Iowa; Stephen A. Crist is Associate Professor and Chair of the Music Department at Emory University.

*Passion en Louisiane* Kimberly Lang,2014-08-01 Depuis toujours, Lorelei vit dans l'ombre de sa sœur, si parfaite, tandis qu'elle-même est la rebelle de la puissante famille La Blanc. Mais céder à la passion dans les bras de Donovan Saint-James ? Là, elle sait qu'elle est allée trop loin. Car Donovan n'est pas un inconnu à La Nouvelle-Orléans. C'est le célèbre journaliste qui, depuis des années, met en lumière les secrets les plus honteux des élites de la ville. Une élite à laquelle, quoi qu'elle en dise, elle appartient. Aussi doit-elle oublier, et vite, cette nuit aussi inattendue que délicieuse. Mais comment le pourrait-elle quand le destin semble prendre un malin plaisir à remettre Donovan sans cesse sur son chemin ? Donovan qui semble, quant à lui, décidé à ne rien oublier...

*Barbara, l'intégrale* Barbara,2012-10-03 Il rassemble, écrites entre 1957 et 1996 et classées chronologiquement, près de 160 chansons. 120 environ ont été écrites par Barbara, d'autres ont été écrites pour elle, souvent avec sa collaboration, et appartiennent à son répertoire. Outre les chansons, le livre rassemblera quelques textes rares, figurant pour certains dans des programmes, un texte sur Gérard Depardieu, des brouillons annotés de sa main et reproduits en fac-simile, des photos rares ou inédites. Le livre est complété d'une brève chronologie et d'une discographie CD complète. Une édition entièrement mise à jour du livre paru en 2000 sous le titre *Ma plus belle histoire d'amour* : nouveau format, chansons reproduites sur deux colonnes pour faciliter la lecture, versions rares de certaines chansons, articles nouveaux sur l'art de Barbara.

**An Interpretive Guide to Operatic Arias** Martial Singher,2015-09-22 A premier singer and master teacher here tells other singers how to get the most from 151 famous arias selected for their popularity or their greatness from 66 operas, ranging in time and style from Christopher Gluck to Carlisle Floyd, from Mozart to Menotti. "The most memorable thrills in an opera singer's life," according to the author's Introduction, "may easily derive from the great arias in his or her repertoire." This book continues the work Martial Singher has done, in performances, in concerts, and in master classes and lessons, by drawing attention "not only to precise features of text, notes, and markings but also to psychological motivations

and emotional impulses, to laughter and tears, to technical skills, to strokes of genius, and even here and there to variations from the original works that have proved to be fortunate.” For each aria, the author gives the dramatic and musical context, advice about interpretation, and the lyric—with the original language (if it is not English) and an idiomatic American English translation, in parallel columns. The major operatic traditions—French, German, Italian, Russian, and American—are represented, as are the major voice types—soprano, mezzo-soprano, tenor, baritone, bass-baritone, and bass. The dramatic context is not a mere summary of the plot but is a penetrating and often witty personality sketch of an operatic character in the midst of a situation. The musical context is presented with the dramatic situation in a cleverly integrated way. Suggestions about interpretation, often illustrated with musical notation and phonetic symbols, are interspersed among the author's explication of the music and the action. An overview of Martial Singher's approach—based on fifty years of experience on stage in a hundred roles and in class at four leading conservatories—is presented in his Introduction. As the reader approaches each opera discussed in this book, he or she experiences the feeling of participation in a rehearsal on stage under an urbane though demanding coach and director. The Interpretive Guide will be of value to professional singers as a source of reference or renewed inspiration and a memory refresher, to coaches for checking and broadening personal impressions, to young singers and students for learning, to teachers who have enjoyed less than a half century of experience, and to opera broadcast listeners and telecast viewers who want to understand what goes into the sounds and sights that delight them.

Gabriel Fauré: The Songs and their Poets Graham Johnson, 2017-07-05 The career of Gabriel Fauré's a composer of songs for voice and piano traverses six decades (1862-1921); almost the whole history of French music is contained within these parameters. In the 1860s Fauré the lifelong protégé of Camille Saint-Saëns was a suavely precocious student; he was part of Pauline Viardot's circle in the 1870s and he nearly married her daughter. Pointed in the direction of symbolist poetry by Robert de Montesquiou in 1886, Fauré as the favoured composer from the early 1890s of Winnaretta Singer, later Princesse de Polignac, and his songs were revered by Marcel Proust. In 1905 he became director of the Paris Conservatoire, and he composed his most profound music in old age. His existence, steadily productive and outwardly imperturbable, was undermined by self-doubt, an unhappy marriage and a tragic loss of hearing. In this detailed study Graham Johnson places the vocal music within twin contexts: Fauré's own life story, and the parallel lives of his many poets. We encounter such giants as Charles Baudelaire and Paul Verlaine, the patrician Leconte de Lisle, the forgotten Armand Silvestre and the Belgian symbolist Charles Van Lerberghe. The chronological range of the narrative encompasses Fauré's first poet, Victor Hugo, who railed against Napoleon III in the 1850s, and the last, Jean de La Ville de Mirmont, killed in action in the First World War. In this comprehensive and richly illustrated study each of Fauré's 109 songs receives a separate commentary. Additional chapters

for the student singer and serious music lover discuss interpretation and performance in both aesthetical and practical terms. Richard Stokes provides parallel English translations of the original French texts. In the twenty-first century musical modernity is evaluated differently from the way it was assessed thirty years ago. Fauré's no longer merely a 'Master of Charms' circumscribed by the belle époque. His status as a great composer of timeless

Rue des Victoires Guy Lagorce, 2014-04-01 A mi-temps d'une existence tumultueuse, secouée par les vents de l'époque, Jean Lafitte est aujourd'hui scénariste ; il vit avec ses deux fils, Guillaume vingt-trois ans, et Antoine treize ans. Il rencontre alors Claire : un amour passionné et absolu, qui pourtant s'épuise, ou semble s'épuiser... Trop de folies, de moments tendus. La séparation est déchirante, et si Jean Lafitte vit désormais avec Cécile, Claire ne cesse de le hanter. Le va-et-vient, les jalousies, les élans de cet amour fou nous sont décrits de façon objective et comme détachée. Mais une deuxième voix, plus subjective, s'ajoute à la première : celle d'Antoine. Arrivé au bord de l'adolescence, il vit cette passion avec la fraîcheur et les outrances de son âge. D'ailleurs, c'est lui le véritable héros du livre, qui ira vers Claire et la ramènera à son père.
