

Party Of One

Dave Holmes

Party of One Joy Beth Smith, 2018-02-06 “This book is bold and strong and unapologetic. Unflinching, even. Joy Beth doesn’t back down from those hard conversations that need to be happening, not just in our churches but in our small groups, our social circles, our relationships.” —Mandy Hale, creator of *The Single Woman* and New York Times bestselling author Did you enter adulthood thinking marriage would naturally find you, only to end up at a second-cousin’s wedding, dodging yet another bouquet the night before you turned thirty? Maybe you’ve started wondering, is this the best the single life has to offer? Joy Beth Smith says it’s not. The single life doesn’t have to be the runner-up version of God’s best. It doesn’t have to leave you constantly waiting for “real life” to begin. *Party of One* offers a trade: let go of the tired lies weighing you down and turn toward truth. Understand that: You don’t have to be married to be wise. You don’t have to be a mother to have supernatural love. You don’t have to own a home to be hospitable. Singleness is not meant to be pitied, shamed, fixed, or even ignored. It is to be celebrated. God doesn’t promise you a husband, but he does promise comfort, intimacy, and satisfaction. With humor, self-awareness, and been-there perspective, *Party of One* delves into the insecurities and struggles of singleness and encourages you to find the good, the true, and the beautiful, to dive headfirst into community, and to stop pressing pause on a life you never expected.

Party of One Dave Holmes, 2017-06-06 From former MTV VJ Dave Holmes, the hilarious memoir of a perpetual outsider fumbling towards self-acceptance, with the music of the '80s, '90s, and today as his soundtrack Dave Holmes has spent his life on the periphery, nose pressed hopefully against the glass, wanting just one thing: to get inside. Growing up, he was the artsy son in the sporty family. At his all-boys high school and Catholic college, he was the closeted gay kid surrounded by crush-worthy straight guys. And in his twenties, in the middle of a disastrous career in advertising, he accidentally became an MTV VJ overnight when he finished second, naturally, in the *Wanna Be* a VJ contest, opening the door to fame, fortune, and celebrity—you know, almost. In *Party of One*, Holmes tells the hilariously painful and painfully hilarious tales—in the vein of Rob Sheffield, Andy Cohen, and Paul Feig—of an outsider desperate to get in, of a misfit constantly changing shape, of a music geek who finally learns to accept himself. Structured around a mix of hits and deep cuts from the last four decades—from Bruce Springsteen’s *Hungry Heart* and *En Vogue*’s *Free Your Mind* to LCD Soundsystem’s “Losing My Edge” and Bleachers’ “I Wanna Get Better”—and punctuated with interludes like *So You’ve Had Your Heart Broken* in the 1990s: A

Playlist and “Notes on (Jesse) Camp,” this book is for anyone who's ever felt like a square peg, especially those who have found their place in the world around a band, an album, or a song. It's a laugh-out-loud funny, deeply nostalgic story about never fitting in, never giving up, and letting good music guide the way. – NPR “Best Books of 2016”: Staff Picks, Biography & Memoir, For Music Lovers, Funny Stuff, Non-fiction Categories

Party of One Meghan Keane, 2024-10-08 A warm, witty, and affirming self-help guide to learning how to get to know and love yourself, becoming your own soulmate, and living a fulfilling life whether you partner or not, from the creator of NPR's Life Kit. Meghan Keane spent most of her adult life without being in a serious, long-term relationship, and for much of that time, being single wasn't something she celebrated or particularly enjoyed. Sick of feeling anxious or sad when she received yet another wedding invitation without a plus one, she decided she was going to mindfully shift her perspective. Luckily, Meghan is the founder of NPR's self-improvement brand, Life Kit, so she consulted the experts, and what she learned changed her mindset—and her life. Party of One is the self-help book Meghan wished she'd had from the start—a deeply researched, encouraging guide to bridging the gap between knowing that being single is awesome and feeling and embodying it. Inside, you'll find practical advice for strengthening your self-compassion and inner resilience, practices for stopping rumination cycles, scripts for dealing with nosy friends and relatives, thoughtful prompts to support you on your journey, and much more. With vibrant illustrations from artist LA Johnson and Meghan as your relatable guide, Party of One will help you learn to love your own company, regardless of your relationship status, and become your own best life partner.

Party of One Chun Han Wong, 2024-05-21 Drawing on his years of first-hand reporting across China, including insights from scholars and diplomats and analyses of official speeches and documents, a Wall Street Journal correspondent provides a broad, lucid account of China's leader and how he inspires fear and fervor in his Party, his nation and beyond.

A Party of One Jon Garate, 2007-09-26 A Party of One will encourage everyone to first, step back and take a more humorous look at their political attitudes, and secondly, step forward and get involved from a simple, down-to-earth grassroots viewpoint.

Love Party of One Kevin Hunter, 2016-09-15 Love Party of One examines the current love and dating world and what to expect for anyone struggling with being single and longing for love. Author, Kevin Hunter, is a love expert in love with all things surrounding the word love since he arrived on this planet. He has been out in the field studying the human condition since he was a teenager. This has included conducting social experiments as well as diving head first into the areas of love and dating in his own personal life. One of the ways of surviving modern day dating and relationships in a loveless world is by armoring yourself with knowledge. This includes knowledge over the way things currently are. You've went to psychic readers, you've cast spells, you put yourself out there, did the vision boards, the crystal meditations, and other love rituals presented to you, but you still find you're desperately wishing the person of your dreams was here already. You grow cynical

as if it will never happen and that you just have to accept the fact that perhaps it's not in the cards. Dating is a battlefield, be prepared to get dirty. Kevin Hunter is best known for his endless array of spiritually based books. In *Love Party of One*, he answers some of the practical issues that readers posed regarding their personal conflicts in the current dating market. This is a non-denominational book with some light spiritual slang for anyone struggling as a single person in a loveless world. This is regardless of age, background, or whether you are straight, bi, gay, male, or female. The dating market is an equal opportunity killer and no soul is exempt from the challenges they face when it comes to love. Some of the topics discussed surround technological dating, falling in love with someone you've never met, codependency, exes, communicating, compromise, sex, marriage, monogamy vs. adultery, ageism, and more! What Readers Have Said: As much as the author's personality seems to be the work of Picasso, I read the intro and first chapter of *Love Party of One*. I was glued to it, because I really can relate. The things Kevin Hunter touches on in this book are right-on. - A Reader Loved this book. This line really stood out to me: Desiring a love partner is not co-dependent...to equate a basic human need with desperation is absurd. - A Reader An amazing read. Realistic. The book touches upon confusions, thoughts, and emotions in one's journey to the find the one. Also relevant were a focus on couples issues after they are together. Issues such as infidelity and monogamy which is so significant in today's age. It was good to see the author reinstate the old school belief that true love is about that commitment. - A Reader Quite a bit of my dating struggles in my own consciousness I found to be already written down in this book. *Love Party of One* really vibes with me. Loved it. Thank you. - A Reader I have been reading this book and can't put it down! It's soooo good!!! Fantastic work Kevin Hunter! He should be a teacher in a school or college, or a counselor! This stuff he wrote in '*Love Party of One*' is right to the point and on the mark! Damn he's good! His Archangel team guided him to a best seller in my opinion! I'm just about to start chapter 8 and each chapter is like, Damn, he's so right! He is good! Great job with this! What a gifted Angel and Wise One he is. A true Warrior for sharing the right stuff! Thank you! - A Reader

John Adams: Party of One James Grant, 2005 A biography of the revolutionary, founding father, and second president of the United States explores his origins as a son of Massachusetts who crafted himself into an uncompromisingly ethical politician and social reformer.
