Informing, Inspiring, and Motivating: Quotes and Bonus Poetry for Personal Empowerment Katrina Simpson,2015-02-04 In the book Informing, Inspiring, and Motivating: Quotes and Bonus Poetry for Personal Empowerment, the new, up-coming author develops 125 unique quotes based on real life situations. The quotes developed within the book are meant to spiritually renew and motivate it's readers'. What makes this book stand alone, compared to the rest is it's raw poetry, as well as the author's descriptive biography that is meant to define the quotes contained throughout the book. The book also contains Biblical Scripture in which the author relates to throughout the book in hopes of linking everyday issues with solutions that can be found within the Scripture.

I Love Myself: Over 1,700 Words of Wisdom to Inspire You to Achieve Greatness in Your Life The Success Makers,2017-06-14 Why the title, I Love Myself? This book is authored because we notice that most of us are too caught up with the demands of life, so much so that we neglect to show ourselves the care and concern we need before something untoward happens - and it's too late for us to do anything. Give your mind, body, and spirit the tender loving care it needs with these 1,700 words of wisdom - all of which will inspire you to bring out the very best in yourself. While we cannot promise you'll see your life change overnight, we can promise that, as long as you spend some time with this book each and every single day, and take the actions necessary to apply what you've learned, you'll notice positive improvements happening to your life slowly and gradually. Bonus: To reward you for taking the action to pick up this book, we've included a special gift for you worth \$14.95 - details on how you can redeem your free gift can be found on page #428 of this book...

Wonderful and Marvelous - Daily Empowering Quotes (about You!) Steve M. Nash,2017-11-23 This daily inspirational quotes book simply reminds you how powerful you truly are. (You've forgotten, see!) Yes you are powerful, creative, inspiring, loving and wise... It's true. * It contains 365+ inspirational quotations - one quote per day, week to view format. (NOTE: these quotes have been carefully curated from literally tens of thousands of quotations.) * There are 52 Weekly Wonders, too - short, weekly encouragements to put a specific quote into action. * Finally, each quarter, there's a

special section of extra quotes on the theme of Love, Acceptance, Compassion and Peace. And all specifically designed to help you remember that YOU ARE OKAY, as is. You just need reminding. As this example quote puts it: How soon will you realize that the only thing you don't have is the direct experience that there's nothing you need that you don't have? -- Ken Keyes Jr. About The Author Steve M Nash is transformative coach at SMNash.com, and the editor of guru-free self-help site, SelfHelpCollective.com. And he's been compiling inspirational quotations to aid self-development since 2008. Sharing them in videos, web pages, e-newsletters, ebooks and now this book. The Science of Self-Empowerment Gregg Braden,2019-03-05 New in paperback (originally published as Human by Design): At the cutting edge of science and spirituality, New York Times best-selling author Gregg Braden explains that evolution is not the whole story of humanity--and offers a new understanding of our origins that can help us tap the extraordinary abilities we already have. What would it mean to discover we're designed to live extraordinary lives of self-healing, longevity, and deep intuition? Is it possible that the advanced awareness achieved by monks, nuns, and mystics--considered rare in the past--is actually meant to be a normal part of our daily lives? In this revelatory book, now available for the first time in paperback, five-time New York Times best-selling author and 2018 Templeton Award nominee Gregg Braden

explains that we no longer need to ask these questions as What if? Recent discoveries ranging from human evolution and genetics to the new science of neuro-cardiology (the bridge between the brain and the heart) have overturned 150 years of thinking when it comes to the way we think of ourselves, our origin, and our capabilities. In this reader-friendly journey of discovery, Braden begins with the fact that we exist as we do, even more empowered, and more connected with ourselves and the world than scientists have believed in the past. It's this undisputable fact that leads to even deeper mysteries. How do we awaken the extraordinary abilities that come from such an awesome connection? What role does our ancient and mysterious heritage play in our lives today? Join Gregg as he crosses the traditional boundaries of science and spirituality to answer precisely these questions. In doing so he reveals a) specific tools, techniques, and practices to awaken our deep intuition on-demand, for self healing and longevity; and 2) concrete solutions to the social issues that are destroying our families and dividing us as people, including the bullying of young people, hate crimes, the growing epidemic of suicide, religious extremism, and more. When new discoveries prove that the existing human story is no longer based in fact, it's time to change the story. This simple truth is at the heart of the book you're about to read.

The Oprah Phenomenon Jennifer Harris, Elwood Watson, 2007-03-16 "Excellent essays" on a business empire, a cultural phenomenon, and the nature of the extraordinary bond between Oprah Winfrey and her fans (Journal of Social History). Oprah Winfrey has built an empire on her ability to connect with and inspire her audience. No longer just a name, "Oprah" has become a brand representing a unique style of self-actualizing individualism. The cultural and economic power wielded by Winfrey merits critical evaluation. The contributors to The Oprah Phenomenon examine the origins of her public image and its substantial influence on politics, entertainment, and popular opinion. Contributors address praise from her supporters

and weigh criticisms from her detractors. Winfrey's ability to create a feeling of intimacy with her audience has long been cited as a foundation of her popularity. She has made headlines by engaging and informing her audience with respect to her personal relationships to race, gender, feminism, and New Age culture. The Oprah Phenomenon explores these relationships in detail. At the root of Winfrey's message is her assertion that anyone can be a success regardless of background or upbringing. The contributors scrutinize this message: What does this success entail? Is the motivation behind self-actualization, in fact, merely the hope of replicating Winfrey's purchasing power? Is it just a prescription to buy the products she recommends and heed the advice of people she admires, or is it a lifestyle change of meaningful spiritual benefit? The Oprah Phenomenon asks these and many other difficult questions to promote a greater understanding of Winfrey's influence on the American consciousness. "Identifies the common threads that run through Oprah's empire, the demographics of her audience, how she brings together women of diverse backgrounds, and her use of empathy and encouragement to foster self-improvement." —Library Journal With a foreword by Robert J. Thompson
