*Richard Flanagan* Robert Dixon,Ben Holgate,Joseph Cummins,Laura A. White,Bill Ashcroft,Salhia-Ben Messahel,Marc Delrez,Margaret Harris,Nathanael O'Reilly,Theodore F. Sheckels,Nicholas Birns,Liliana Zavaglia,2018-10-12 Richard Flanagan: Critical Essays is the first book to be published about the life and work of this major world author. Written by twelve leading critics from Australia, Europe and North America, these richly varied essays offer new ways of understanding Flanagan's contribution to Tasmanian, Australian and world literature. Flanagan's fictional worlds offer empathetic, often poignant, renderings of those whose voices have been lost beneath official accounts of history, stories from a small region that have made their mark on a global scale. Considering his seven novels as well as his non-fiction, journalism and correspondence, this collection examines the historical and geographical factors that have shaped Flanagan's representation of Tasmanian identity. This collection offers new insights into a determinedly regional writer, and the impact he has had on a local, national and global scale.

*Contemporary Australian Literature* Nicholas Birns, 2015-12-01 Australia has been seen as a land of both punishment and refuge. Australian literature has explored these controlling alternatives, and vividly rendered the landscape on which they transpire. Twentieth-century writers left Australia to see the world; now Australia's distance no longer provides sanctuary. But today the global perspective has arrived with a vengeance. In *Contemporary Australian Literature: A World Not Yet Dead*, Nicholas Birns tells the story of how novelists, poets and critics, from Patrick White to Hannah Kent, from Alexis Wright to Christos Tsiolkas, responded to this condition. With rancour, concern and idealism, modern Australian literature conveys a tragic sense of the past yet an abiding vision of the way forward. Birns paints a vivid picture of a rich Australian literary voice - one not lost to the churning of global markets, but in fact given new life by it. Contrary to the despairing of the critics, Australian literary identity continues to flourish. And as Birns finds, it is not one thing, but many. In this remarkable, bold and fearless book, Nicholas Birns contests how literary cultures are read, how they are constituted and what they stand for ... In examining the nature of the barriers between public and private utterance, and looking outside the absurdity of the rules of genre, Birns has produced a redemptive analysis that leaves hope for revivifying a world not yet dead. - John Kinsella

**Novel Ideas** Paul Williams, 2019-12-24 This concise yet comprehensive study explores innovative practice in the novel and, from the perspective of creative writing, the astonishing resilience of the novel form. It offers a practical guide to the many possibilities available to the writer of the novel, with each chapter offering exercises to encourage innovation and to expand the creative writer's narrative skills. Beginning with early iterations of the novel in the 17th century, this book follows the evocation of innovation in the novel through Realism, Modernism, Postmodernism and into today's dizzying array of digital and interactive possibilities. While guiding the reader through the possibilities available (in both genre and literary fiction), this book encourages both aspiring and established writers to produce novels with imagination, playfulness and gravitas. Dynamic and interactive, this text is distinctive in offering a grounding in the literary history of the novel, while also equipping readers to write in the form themselves. **Australian Crime Fiction** Stephen Knight, 2018-07-10 Australian crime fiction has grown from the country's origins as an 18th-century English prison colony. Early stories focused on escaped convicts becoming heroic bush rangers, or how the system mistreated those who were wrongfully convicted. Later came thrillers about wealthy free settlers and lawless gold-

seekers, and urban crime fiction, including Fergus Hume's 1887 international best-seller *The Mystery of a Hansom Cab*, set in Melbourne. The 1980s saw a surge of private-eye thrillers, popular in a society skeptical of police. Twenty-first century authors have focused on policemen--and increasingly policewomen--and finally indigenous crime narratives. The author explores in detail this rich but little known national subgenre.

*Metaphors of Confinement* Monika Fludernik, 2019-08-13 *Metaphors of Confinement: The Prison in Fact, Fiction, and Fantasy* offers a historical survey of imaginings of the prison as expressed in carceral metaphors in a range of texts about imprisonment from Antiquity to the present as well as non-penal situations described as confining or restrictive. These imaginings coalesce into a 'carceral imaginary' that determines the way we think about prisons, just as social debates about punishment and criminals feed into the way carceral imaginary develops over time. Examining not only English-language prose fiction but also poetry and drama from the Middle Ages to postcolonial, particularly African, literature, the book

juxtaposes literary and non-literary contexts and contrasts fictional and nonfictional representations of (im)prison(ment) and discussions about the prison as institution and experiential reality. It comments on present-day trends of punitivity and foregrounds the ethical dimensions of penal punishment. The main argument concerns the continuity of carceral metaphors through the centuries despite historical developments that included major shifts in policy (such as the invention of the penitentiary). The study looks at selected carceral metaphors, often from two complementary perspectives, such as the home as prison or the prison as home, or the factory as prison and the prison as factory. The case studies present particularly relevant genres and texts that employ these metaphors, often from a historical perspective that analyses development through different periods.
