Ruthellen Josselson

The Space between Us Ryan D. Enos, 2017-10-02 *The Space between Us* brings the connection between geography, psychology, and politics to life. By going into the neighborhoods of real cities, Enos shows how our perceptions of racial, ethnic, and religious groups are intuitively shaped by where these groups live and interact daily. Through the lens of numerous examples across the globe and drawing on a compelling combination of research techniques including field and laboratory experiments, big data analysis, and small-scale interactions, this timely book provides a new understanding of how geography shapes politics and how members of groups think about each other. Enos' analysis is punctuated with personal accounts from the field. His rigorous research unfolds in accessible writing that will appeal to specialists and non-specialists alike, illuminating the profound effects of social geography on how we relate to, think about, and politically interact across groups in the fabric of our daily lives.

The Space Between Us Jessica Martinez, 2013-09-24 Seventeen-year-old Amelia feels like her life might be getting back on track after a bad break-up when her younger sister's pregnancy gets them both banished to Canada, where new relationships are forged, giving Amelia a new perspective.

The Space Between Us Betty Pries, 2021-08-17 Engage conflict to strengthen connections and build understanding. Conflict is inevitable. But rather than approaching conflicts as threats or problems to be solved, what if we could see our disagreements as opportunities for personal growth? Could our differences push us toward developing healthier relationships and communities? In *The Space Between Us*, facilitator and mediator Betty Pries gently guides readers toward seeing discord as an opportunity for positive change and a way to build resilience. Rooted in the conviction that conflict can strengthen our relationships and deepen our self-knowledge, Pries offers practical skills for engaging conflict and casts a vision for a more joy-filled future. To get here, Pries plumbs the depth of both conflict theory and contemplative spirituality, proposing a vision for engaging conflict in new and life-giving ways. Rooted in Christian practices of mindfulness, connecting with our most authentic selves, and deep listening to uncover new possibilities, this book offers new ways forward in the face of interpersonal and organizational conflicts.

Lennox is a troubled teenager with no family. Ava is eight months pregnant and fleeing her abusive husband. Heather is a grieving mother and cancer sufferer. They don't know each other, but when a meteor streaks over Edinburgh, all three suffer instant, catastrophic strokes... ...only to wake up the following day in hospital, miraculously recovered. When news reaches them of an octopus-like creature washed up on the shore near where the meteor came to earth, Lennox senses that some extra-terrestrial force is at play. With the help of Ava, Heather and a journalist, Ewan, he rescues the creature they call 'Sandy' and goes on the run. But they aren't the only ones with an interest in the alien ... close behind are Ava's husband, the police and a government unit who wants to capture the creature, at all costs. And Sandy's arrival may have implications beyond anything anyone could imagine...

The Space Between Us Alyne Hart ,2021-12-19 An explosive and unexpected romance that proves opposites really do attract and burn twice as hot... Emma f#cking Winchester. She's the little sister of my best friend. Well, ex best friend now... She's off limits like tempting forbidden fruit, and I'm the snake slithering through the grass. She ignites a fire in me. One I can't explain. One I sure as f#ck can't control. It's raw and primal. She's sweet, and I am not. She's pure, and I'm broken. When I came back to the town and past I'd left behind ten years ago to make it big in the world of underground fighting - it was for one reason, and one reason only. To take care of my Grandma Rose, and I'll do it by any means necessary. Even if it means doing the one thing I said I'd never do. I never expected to see Emma again. I never thought I'd want her the way I do. I didn't expect to peel back all her perfectly controlled layers or for her to see through mine. Fate brings us together. Burning passion binds us. When the fire gets too hot, can love save us?

When desire enters as a whisper named Derrick, everything begins to unravel. *The Space Between Us* is a lyrical exploration of emotional distance, betrayal, and the silence that separates two hearts. Set in Uganda, it follows Linda's journey through longing, guilt, and self-discovery, painting love not as perfection—but as a mirror of our choices. You loved me enough to wander."

My heart started to pulse with excitement—what is there this time? One thing is certain; this is an invitation again to recognize myself through the eyes of my lover. He knows where to look, what to touch, how to open the power of my soul. Sensual connection beyond physical pleasure, out of this dimension, the cosmic wrestle of our essences. Do you remember me? Remember? You asked for it. I'm not your half. I'm different, but I'm you—your deepest soul desires. It is a loving dance—quick, quick, slow—an ecstatic mythical song of two souls. He penetrated into me. It hurts, it gives pleasure, and I melt finding comfort. I know I'm in good hands; I can forget myself now and dissolve into eternity. We fly. We reach the peak of the apogee. Your surrender and your presence draw me deeper into the unknown realms where the body doesn't exist. You never fail to carry on with me. I'm never alone, my mystical lover ...

These poems serve as an adhesive between the reader and the ones they miss, the longing, the anticipation, and the eventual relief.
