A.D.D. 29 Years and Counting Ava Fails,2013-12-02 Where are all the personal A.D.D. stories? That is what I wondered as I searched for books about A.D.D. and A.D.H.D. There was no lack of expert advice, but so few titles with a direct connection. This book begged to be written. Inside you'll learn that...For 28 years and counting, I have been a student of A.D.D. I have lived with it intimately and learned to cope with it effectively. I was diagnosed at age 10, and have run the gamut from medication to no medication. I have developed many personal coping skills, and I don't think an expert could pick me out of a

crowd. Inside I tell you my story with a sincere hope that it will help you. I hope you find something you can relate to and something that you can use to encourage others. I have included the information that I have found encouraging in my own journey. I have received comments from all over the world in regard to my story and my list of Famous People with A.D.D. I've heard from people who have shared the list with their children with positive results. I've received comments from people who have thanked me for changing the way they view themselves and A.D.D. In addition to my list, inside you'll find: Quotes Tables of data Simplified information and stats Links to great resources A book list of recommended reading This is a personal story of my life with A.D.D. I wrote it for you.

And I Quote Ashton Applewhite, Tripp Evans, Andrew Frothingham, 1992-01-15 Collection of quotes for the successful writer and speechmaker.

In this era of fake news and fake quotes, The Little Book of Misquotations uncovers the truth behind the 200+ most famous things they never said! Just because a quote is engraved in marble, stenciled on your mom's wall, or repeated a million times online doesn't exactly mean that it is correct. It's time to set the record straight. The Little Book of Misquotations is the definitive collection of the quotes people frequently get wrong, including: For attractive lips, speak words of kindness. -- Audrey Hepburn (Somebody else said it!) I want to suck your blood. -- Dracula (Nope! He said, I only drink...wine.) Art should comfort the disturbed and disturb the comfortable. -- Banksy (He wasn't the first person to say it!) A penny saved is a penny earned. -- Ben Franklin (That's not what he said!) With deep dives on popular yet erroneous quotations from artists, writers, celebrities, scientists, politicians, and legendary figures from around the globe, The Little Book of Misquotations offers addictive reading--and a delightful reminder not to believe everything you read!
