The Rural Diaries Hilarie Burton, 2020-05-05 New York Times Bestseller The beloved actress and star of *One Tree Hill*, *White Collar*, and *Lethal Weapon*, Hilarie Burton Morgan, tells the story of leaving Hollywood for a radically different kind of life in upstate New York with her husband Jeffrey Dean Morgan—a celebration of community, family, and the value of hard work in small town America. While Hilarie Burton Morgan's hectic lifestyle as an actress in New York and Los Angeles gave her a comfortable life, it did not fulfill her spiritually or emotionally. After the birth of their first son, she and her husband Jeffrey Dean Morgan, the star of *The Walking Dead*, decided to make a major change: they bought a working farm in Rhinebeck, New York, and began a new chapter in their lives. *The Rural Diaries* chronicles her inspiring story of farm life: chopping wood, making dandelion wine, building chicken coops. Burton looks back at her transition from urban to country living—discovering how to manage a farm while raising her son and making friends with her new neighbors. She mixes charming stories of learning to raise alpacas and buying and revitalizing the town's beloved candy store, Samuel's Sweet Shop, with raw observations on the ups and downs of marriage and her struggles with secondary infertility. Burton also includes delicious recipes that can be made with fresh ingredients at home, as well as home renovation and gardening tips. Burton's charisma, wide eyed attitude, and fortitude—both internal and physical—propels this moving story of transformation and self-discovery. *The Rural Diaries* honors the values and lifestyle of small-town America and offers inspiration for anyone longing to embark on their own unconventional journey.

Grimoire Girl Journal Hilarie Burton Morgan, 2024-10-15

Grimoire Girl Hilarie Burton Morgan, 2023-10-03 New York Times Bestseller The long-awaited next book from actress and New York Times bestselling author of *The Rural Diaries*, Hilarie Burton Morgan. Through memoir essays and magical practices, *Grimoire Girl* connects us to the enchantment that exists inside us all. Since childhood, Hilarie Burton Morgan has felt the call to record, keep, and catalogue life in all its strange wonder. It was a whimsical habit, with no clear goal. And then, when she became a mother, the importance of all that collecting snapped into focus. In an effort to patchwork together an anthology of traditions, curiosity, and magical thinking that she could pass down, Burton Morgan realized she was crafting a grimoire. In her most intimate book yet, Burton Morgan shares how she's creating an inheritance of mischief and magic that will outlive her. What's more, she shows readers how they too can look at the elements of their lives and collect the

pieces into a tangible collection of a lifetime of learning. Because in its purest form, a grimoire was a guide to keep you alive. Like the grimoires of old, full of life-saving wisdom, these pages record the people, places, ideas and habits that have kept Burton Morgan alive, in her signature voice that is at once honest, witty, and charming. Accompanied by whimsical two-color illustrations by Olivia Faust, the book also includes Simple Spells, which are ways to bring magic into your daily life: create an altar that delights and inspires, practice candle magic and poetry spells, make an oracle deck, or channel your inner kitchen witch with recipes and potions. So begin creating your own inheritance, take a long look inward and decide... What wisdom will be written on the pages of your Grimoire?
