The Miracle Lady Amy Collier Artman, 2019-03-19 A smart, powerful, charismatic preacher brought back to life On October 15, 1974, Johnny Carson welcomed his next guest on The Tonight Show with these words: "I imagine there are very few people who are not aware of Kathryn Kuhlman. She probably, along with Billy Graham, is one of the best-known ministers or preachers in the country." But while many people today recognize Billy Graham, not many remember Kathryn Kuhlman (1907-1976), who preached faith and miracles to countless people over the fifty-five years of her ministry and became one of the most important figures in the rise of charismatic Christianity. In *The Miracle Lady* Amy Collier Artman tells the story of Kuhlman's life and, in the process, relates the larger story of charismatic Christianity, particularly how it moved from the fringes of American society to the mainstream. Tracing her remarkable career as a media-savvy preacher and fleshing out her unconventional character, Artman also shows how Kuhlman skillfully navigated the oppressive structures, rules, and landmines that surrounded female religious leaders in her conservative circles.

Blessed Nourishment Wade R. Lachman ND, 2016-08-19 The inspiration for *Blessed Nourishment* exploded upon Dr Lachman's soul as he visited the incredible land of Israel a place no one can experience without being changed. Indeed, Dr Lachman found that the Lion of Judah is not silent, instead the vibrant energy of the Promised Land roars with divine creativity. He believes God blessed Israel with an agricultural richness that produces dynamic whole foods, setting the nation apart from others as a land that is truly flowing with milk and honey. Deuteronomy calls Israel a good land a land of wheat, barley, vines, figs, pomegranates, olives and honey in which you may eat bread without scarcity and lack nothing. In *Blessed Nourishment* you will discover the therapeutic impact of these fruits of the Holy Land. While embracing the miraculous, *Blessed Nourishment* is intended to be a practical book of biblical health. If you are suffering health issues, this book may just reveal practical biblical foods that might nourish and support your healing process. *Blessed Nourishment* is written in an easy-to-read and flowing style. It's filled with fun stories from Dr Lachman's life and interesting profiles of Biblical foods.

Streett invites us to join him in real time as he explores the fascinating world of the paranormal, offering insights into healing, magic, trance channeling, yogic meditation, alternative medicine, astral projection, and the brain's ability to produce spiritual and mystical experiences. A Stranger in the House of God John Koessler,2009-08-30 Growing up the son of agnostics, John Koessler saw a Catholic church on one end of the street and a Baptist on the other. In the no-man's land between the two, this curious outside wondered about the God they worshipped—and began a lifelong search to comprehend the grace and mystery of God. A Stranger in the House of God addresses fundamental questions and struggles faced by spiritual seekers and mature believers. Like a contemporary Pilgrim's Progress, it traces the author's journey and explores his experiences with both charismatic and evangelical Christianity. It also describes his transformation from religious outsider to ordained pastor. John Koessler provides a poignant and often humorous window into the interior of the soul as he describes his journey from doubt and struggle with the church to personal faith

Spellbound Molly Worthen, 2025-05-27 What happens when Americans lose faith in their religious institutions—and politicians fill the void? From the Puritans to Donald Trump, this sweeping history will change your understanding of the forces that create leaders and hold their followers captive. “Elegant and insightful, *Spellbound* is an important contribution to the urgent project of understanding America in our time.”—Jon Meacham Everyone feels it. Cultural and political life in America has become unrecognizable and strange. Firebrands and would-be sages have taken the place of reasonable and responsible leaders. Nuanced debates have given way to the smug confidence of yard signs. How did we get here? In *Spellbound*, historian Molly Worthen argues that we will understand our present moment if we learn the story of charisma in America. From the Puritans and Andrew Jackson to Black nationalists and Donald Trump, the saga of American charisma, Worthen argues, stars figures who possess a dangerous and alluring power to move crowds. They invite followers into a cosmic drama where hopes are fulfilled and grievances are put right—and these charismatic leaders insist that they alone plot the way. The story of charisma in America reveals that when traditional religious institutions fail to deliver on their promise of a meaningful life, people will get their spiritual needs met in a warped cultural and political landscape dominated by those who appear to have the power to bring order and meaning out of chaos. Charismatic leaders address spiritual needs, offering an alternate reality where people have knowledge, power, and heroic status, whether as divinely chosen

instruments of God or those who will restore national glory. Through Worthen's centuries-spanning historical research, *Spellbound* places a crucial religious lens on the cultural, economic, and political upheavals facing Americans today.

Miracle Workers, Reformers and the New Mystics John Crowder, 2006 *Miracle Workers, Reformers and the New Mystics* contains more than 70 photos, illustrations, and biographies of men and women whose lives have demonstrated the phenomenal throughout the ages. Let their stories inspire you to join their ranks as part of this coming revival generation.

The Spirit Book Raymond Buckland, 2005-09-01 Never say die! Can the living communicate with the dead? Many believe that spirits are constantly about us and that it is possible, through a variety of means, to speak to them and to have them speak to us. *The Spirit Book: The Encyclopedia of Clairvoyance, Channeling, and Spirit Communication* looks at these methods of communication, their history, and the personalities involved throughout the past three hundred years of this eternal quest. The fascinating history of Spiritualism is coaxed into the material realm as the object of this perceptive and sweeping overview by that legendary author of the occult and supernatural, Raymond Buckland. Drawing on decades of research, writing, and transcendence, he describes sundry methods of channeling, events associated with Spiritualism, including séances and exorcism, organizations focused on clairvoyance, and a colorful host of mortals—famous and infamous—who delved into Spiritualism. Nostradamus, Helena Blavatsky, and Edgar Cayce receive their due, as well as Joan of Arc, William Blake, Susan B. Anthony, Winston Churchill, Arthur Conan Doyle, Mahatma Gandhi, Harry Houdini, and Mae West (look up and see her sometime). *The Spirit Book* explores Qabalah, Sibyls, Fairies, Poltergeists; phenomena such as intuition and karma; objects useful in the attempt to cross the divide, including tarot cards, flower reading, and runes; and related practices such as Shamanism, transfiguration, meditation, and mesmerism. This comprehensive reference also reports on investigations of contemporary manifestations, including electronic voice phenomena and spirit appearances on TV screens, plus channeling, fraud, psychic research, and possession. Containing more than 500 entries and 100 illustrations, this fun, fact-filled tome is richly illustrated. Its helpful bibliography and extensive index add to its usefulness.

Hija del destino: Kathryn Kuhlman Jamie Buckingham, 2020-08-11 «Su vida y su muerte dieron gloria a Dios.» —David Wilkerson En los cincuenta años de su ministerio, ella posiblemente le testificó personalmente a cien millones de personas acerca del amor y el poder de Dios. Donde quiera que iba, la gente que no creía en milagros comenzaba a creer en ellos gracias a ella. Antes de morir, pidió que solo a Jamie Buckingham le fuera dado permiso para escribir su biografía oficial, sin ocultar nada. Aquí tenemos la historia, no de una santurrona, sino de una persona humana —matrimonio, divorcio, traición en su cuerpo administrativo— con sucesos nebulosos que rodean su muerte. Esta es la historia de Kathryn Kuhlman que pocos sabían, pero que ella quiso revelar. La historia de la pelirroja de Misuri que se convirtió en la principal mujer evangelista de nuestro siglo.

Pentecost To The Present Book Three Jeff Oliver,2017-06-01 Without knowing the Holy Spirit's work in history, we cannot possibly understand what He is doing today, much less prepare for what He will do. In this third and final installment, the reader will learn how Charles Parham founded the modern Pentecostal baptism with speaking in tongues, how Evan Roberts gained worldwide attention through the 1904-05 Welsh revival, and how William Seymour spearheaded an international Pentecostal movement from Azusa Street in Los Angeles in 1906. The reader will learn how Pentecostalism spawned new denominations, national and international ministries, global renewal movements, and inspired innovators to take modern revivalism to a whole new level. Then when Pentecostalism penetrated American Middle-class Protestantism, many observers began speaking of a third force in Christianity. Meanwhile, revolutionary changes in the Catholic Church opened the door for the Catholic Charismatic Renewal. Then, just as the charismatic movement was beginning to subside in America, it went global, as charismatic mega churches, Bible schools, and television networks took the message of renewal to the world. The twenty-first century has witnessed a dramatic shift in Christianity to the Southern Hemisphere fueled, in part, by the global rise of Pentecostalism, with many new movements on the horizon.

The Preacher's Wife Kate Bowler,2020-09-15 Although most evangelical traditions bar women from ordained ministry, many women have carved out unofficial positions of power in their husbands' spiritual empires or their own ministries. The biggest stars write bestselling books, grab high ratings on Christian television, and even preach. Bowler offers a sympathetic and revealing portrait of megachurch women celebrities, showing how they must balance the demands of celebrity culture and conservative, male-dominated faiths. And black celebrity preachers' wives carry a special burden of respectability. A compelling account of women's search for spiritual authority in the age of celebrity. -- adapted from jacket
