## Osho

**Love and Hate** Osho,2012-01-31 Question: You say that love and hate are one; but I see more hate in the world than love. At the same time, you say that enlightenment is neither love nor hate. Are you speaking of two different qualities of love? How does this fit with your message of love? Love and hate are just two sides of the same coin. But with love something very drastic has happened. It is unimaginable how this drastic step was taken by people who had all the good intentions in the world. You may never have even suspected what has destroyed love. It is the continuous teaching of love that has destroyed it. Hate is still pure -- love is not.

**Being in Love** Osho,2008-01-15 What Is Love? In this thoughtful, provocative work, Osho—one of the most revolutionary thinkers of our time—challenges us to question what we think we know about love and opens us to the possibility of a love that is natural, fulfilling, and free of possessiveness and jealousy. With his characteristic wit, humor, and understanding, Osho dares us to resist the unhealthy relationship patterns we've learned from those around us, and to rediscover the meaning of love for ourselves. "By the time you are ready to explore the world of love, you are filled with so much rubbish about love that there is not much hope for you to be able to find the authentic and discard the false." By answering the questions that so many lovers face, Osho shares new ways to love that will forever change how you relate to others, including how to: • Love without clinging • Let go of expectations, rules, and demands • Free yourself from the fear of being alone • Be fully present in your relationships • Keep your love fresh and alive • Become a life partner with whom someone could continue to grow and change • Surrender your ego so you can surrender to love Being in Love will inspire you to welcome love into your life anew and experience the joy of being truly alive by sharing it.

Love, Freedom, and Aloneness Osho,2002-12-13 Osho, one of the greatest spiritual thinkers of the twentieth century, explores the connections between ourselves and others in Love, Freedom, and Aloneness: The Koan of Relationships. In today's world, freedom is our basic condition, and until we learn to live with that freedom, and learn to live by ourselves and with ourselves, we are denying ourselves the possibility of finding love and happiness with someone else. Love can only happen through freedom and in conjunction with a deep respect for ourselves and the other. Is it possible to be alone and not lonely? Where are the boundaries that define "lust" versus "love"...and can lust ever grow into love? In Love, Freedom, and Aloneness you will find unique, radical, and intelligent perspectives on these and other essential questions. In our post-

ideological world, where old moralities are out of date, we have a golden opportunity to redefine and revitalize the very foundations of our lives. We have the chance to start afresh with ourselves, our relationships to others, and to find fulfillment and success for the individual and for society as a whole. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the Sunday Times of London as one of the “1000 Makers of the 20th Century” and by Sunday Mid-Day (India) as one of the ten people—along with Gandhi, Nehru, and Buddha—who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.

**Love ? the Food of the Soul** Osho, 2016-05-20 Looking at the world - it seems somehow self-evident that nobody knows - or only very rarely - what love is. Love has become one of the rarest experiences. Love remains the unknown phenomenon, while it actually should be one of the most known. What happened? Read this incredible talk by Osho and learn how to grow love, how to create a climate of love of gratitude and thankfulness. Learn how to give love rather than just looking for it or demanding it. Prepare the ground for love as a natural functioning.

**The Power of Love** Osho, 2016-07-19 One of the most important life events is falling in love, yet we never learn about it in school. Societies and religions force us into models and thought-forms that are often in opposition to an organic model of love, which is instead institutionalised by marriage, religious affiliations, and nationalism. This results in love that is, for most people, a painful challenge in one form or another throughout life. In these modern days, where the focus shifts more and more to realising one's individual potential, Osho helps us to direct our search for love by widening our view - showing us that love has many manifestations and is not limited to the 'other'. One manifestation of love is meditation, a life-changing experience that allows the flowering of real love within oneself and toward others. The Osho Life Essentials series focuses on the most important questions in the life of the individual. Each volume contains timeless yet contemporary investigations and discussions into questions vital to our personal search for meaning and purpose. The Osho Life Essentials series focuses on questions specific to our inner life and quality of existence; for example, is it possible to have an authentic spirituality without a belief in God? What is meditation and how does it work? What can I do as an individual to make the world a better place?

**Love Letters to Life** Osho, 2016-12-13 In the age of Facebook, Twitter, WhatsApp, and email, personal letters seem somehow out of date, or at least far from most people's everyday experience. This book is a rare and unique collection of letters personally written by Osho to participants from his early meditation events. These are not letters to people and their personalities, these are letters to our souls. Osho addresses essential issues and concerns that arise on the path of meditation and self-discovery. The letters are encouragements to continue the process of meditation, and address subjects like Self-Acceptance, Wisdom, Consciousness, The Quest for Life, A Life of Freedom, Earth Is Our Home, Dropping Fear!, Dealing with Anger, Rebellion, and many more in a direct and penetratingly personal way. Osho explains this about the value of writing

letters: If I write anything, I write letters, because a letter is as good as something that is spoken. It is addressed. I have not written anything except letters, because to me they are a manner of speaking. The other is always there before me when I write a letter. The OSHO works consist almost exclusively of the spoken word, addressed directly to individual people or larger audiences. These talks were recorded and then transcribed and published as books. This book represents one of the rare exceptions in the collected works of Osho, in which his written personal letters are published. Each one of these letters is like an condensed Osho Talk in haiku form. He would meet with these correspondents time and again at his meditation camps or while staying in their homes. This volume is a selection of his replies to their letters, queries, and calls for help. His words are intimate, incisive, poetic, playful, and loving. His encouragement to his correspondents to keep going on their chosen path of meditation and awareness while living, loving, and working in the ordinary world – to keep their flame of commitment burning brightly when he is not physically present – can inspire whomever opens this book.

*Osho: A Mystic of Love* Swami Chaitanya Keerti, 2022-04-27 This book “Osho: A Mystic of Love” is a compilation of recent articles on a variety of subjects. The author shares the most significant insights of his beloved master with the common people. Swami Chaitanya Keerti shows them the ways to raise their consciousness to live a life of love and meditation, creativity and celebration.

**Rising In Love** Osho, 2009

**The Little Book Of Relationships** Osho, 2001-09-17 Must love and sex go together? Is solitude always lonely? Why is change so threatening? Delving deep into the human heart and mind. Osho's Little Book of Relationships addresses questions about love and life that have troubled all of us at some point in our lives.

Compassion, Love and Sex Osho, 2012-09-30 Although Osho responds to a question related to compassion the main issue he addresses in this talk is 'love' and he expands his response to elaborate a deeper understanding of sex, love and compassion. Only compassion is therapeutic – because all that is ill in man is because of lack of love. All that is wrong with man is somewhere associated with love. He has not been able to love, or he has not been able to receive love. He has not been able to share his being. That's the misery. That creates all sorts of complexes inside.

**Compassion** Osho, 2010-04-01 In *Compassion: The Ultimate Flowering of Love*, one of the greatest spiritual teachers of the twentieth century explores how to empathize with others—and ourselves. Examining the nature of compassion from a radically different perspective, Osho reveals that “passion” lies at the root of the word, and then proceeds to challenge assumptions about what compassion really is. Many so-called acts of compassion, he says, are tainted by a subtle sense of self-importance and desire for recognition. Others are based in the desire not really to help others but to force them to change. Using stories from the lives of Jesus and Buddha and the world of Zen, Osho shows how the path to authentic compassion arises from within, beginning with a deep acceptance and love of oneself. Only then, says Osho, does compassion

flower into a healing force, rooted in the unconditional acceptance of the other as he or she is. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the Sunday Times of London as one of the “1000 Makers of the 20th Century” and by Sunday Mid-Day (India) as one of the ten people—along with Gandhi, Nehru, and Buddha—who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.

The Power of Love Osho, 2016-07-19 Explore the emotional sensations of the many facets of love and affection that bring people together with one of the twentieth century’s greatest spiritual teachers. One of the most important life events is falling in love, yet we never learn about it in school. Societies and religions force us into models and thought-forms that are often in opposition to an organic model of love, which is instead institutionalized by marriage, religious affiliations, and nationalism. This results in love that is, for most people, a painful challenge in one form or another throughout life. In these modern days, where the focus shifts more and more to realizing one’s individual potential, Osho’s *The Power of Love: What Does It Take for Love to Last a Lifetime?* helps us to direct our search for love by widening our view—showing us that love has many manifestations and is not limited to the “other”. One manifestation of love is meditation, a life-changing experience that allows the flowering of real love within oneself and toward others. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the Sunday Times of London as one of the “1000 Makers of the 20th Century” and by Sunday Mid-Day (India) as one of the ten people—along with Gandhi, Nehru, and Buddha—who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.

**The Inward Journey in Osho's Guidance** Ma Anand Urmila, 2005

*Why Is Love So Painful?* Osho, 2012-01-31 Osho describes love as transformation. It is painful because it transforms and transformation is going to be painful because the old has to be left for the new. While the old is familiar, secure, safe, the new is absolutely unknown. With love we will be moving in an uncharted ocean.

The Path of Love Osho, 2014-06-10 Kabir is a 15th-century Indian mystic. Born a lower-caste weaver, Kabir opposed superstition, empty ritualism and bigotry. His teachings include scathing attacks against Brahmanical pride, caste prejudice and the very concept of untouchability, as well as exposing the dogmatism and bigotry he perceived around him. Unusually, even for his time, he was embraced by disciples who had been raised in both Hindu and Muslim traditions, who saw in him the embodiment of a life-affirmative approach that transcended the narrow dogmas that divide people and set them against one another. A poet, weaver, husband and father, Kabir lived his life as a buddha and yet as an ordinary man. His poetic songs tell of the ecstasy and the pitfalls on a seeker’s journey on the path of love. In this book, Osho introduces the reader to

this extraordinary mystic and his songs, bringing both to light in such a way as to show how they are both timeless and utterly relevant to our time. The path of love as described by Osho, and though the songs of Kabir, is a journey that seeks out and celebrates the divine that is hidden in the ordinary, the love that becomes not just a feeling one has, but ultimately a state of being that one is. “Each song of the bird, and each cloud floating in the sky, is something like a message, a coded message. You have to decode it, you have to look deep into it; you have to be silent and listen to the message.”

**Speak to Us of Love** Osho, 2013-05-14 Introducing us to the most famous poems of the Lebanese poet Kahlil Gibran, Osho takes the reader into a mystical world, addressing essential issues in everybody’s life. The famous verse that gives the title to this book is about “love”—but not the ordinary love we know from novels and movies. *Speak to us of Love* gives a taste of a contemporary mystic at work, trying to disrupt our dreams, illusions, and the state of unconsciousness that prevents us from enjoying life to the fullest. This is about and for the millions of people in the world who have killed their love with their own hands, and who are now miserable. They never wanted to kill it, there was no intention to kill their love, but in their unconsciousness they started possessing. Husbands possess their wives, wives possess their husbands, and parents possess their children. Teachers are trying in every possible way to possess their students. Politicians are trying to possess countries. Religions are trying to possess millions of people and control every aspect their lives. This book shows that life can only thrive in freedom. Love never allows anyone to possess it, because love is our very soul. For Osho, the basis of all our neuroses or psychoses is simple: our souls are not nourished. Love, the basic nourishment, is missing. Osho comprehensively trounces the so-called religious and philosophical approaches to life. All that is of worth is to be found, not in the extraordinary, but in the ordinary; not in fantastical ideas of the “other world” beyond death, but in this very world that we find ourselves in here and now. In short, this book shows that making a simple yet utterly basic shift in our lives will awaken the silence in our beings and bring joy into our every moment.

*Life, Love, Laughter* Osho, 2009-06-09 In *Life, Love, Laughter: Celebrating Your Existence*, one of the twentieth century’s greatest spiritual teachers shares how humor and wisdom strengthens our lives. In this collection of reflections, Osho’s encouraging and loving stories go far beyond the usual chicken-soup fare. *Life, Love, Laughter* establishes a new genre of introspective text stripped of all platitudes and clichés, and absolutely in tune with the realities of the twenty-first century. In this artful work, Osho mixes entertainment and inspiration, ancient Zen stories and contemporary jokes to help us to find love, laughter, and ultimately, happiness. Featuring an original talk by Osho on DVD, you’ll experience his direct insight and wit straight from the source. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the Sunday Times of London as one of the “1000 Makers of the 20th Century” and by Sunday Mid-Day (India) as one of the ten people—along with Gandhi, Nehru, and Buddha—who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues

to expand, reaching seekers of all ages in virtually every country of the world.

*India's Misfit Mystic: An Insider Journey into Osho's Life | Unveiling the Life Story of a Spiritual Maverick* Subhuti Anand, 2024-01-04 About the Book: Osho is a provocative figure. He was controversial during his lifetime, he is now, and he always will be. It is fortunate that it is so, because if you read this book and understand Osho's life, you will be forced to question all your ideas about religion, spirituality and meditation. Most of all, you will be forced to question yourself. This is the gift of this book, written by an insider who lived with Osho for 14 years, as part of his commune, riding the intense whirlwind of the mystic's vision. About the Author: Subhuti was a career journalist who worked as a political reporter in the British Houses of Parliament. In 1976, he travelled to India to meet Osho, then known as Bhagwan Shree Rajneesh, in his ashram in Pune. He became initiated as his disciple and immediately began to have mystical experiences, which he attributed to the ashram's powerful energy field. For 14 years, he lived and worked in Osho's communes, first in Pune and later at Rancho Rajneesh in Oregon, USA. He stayed with Osho until the mystic died in January 1990. Since then, Subhuti has worked as an author and freelance journalist, dividing his time between the UK, Europe and India.
