Romance Fandom in 21st-Century Pakistan Javaria Farooqui, 2024-10-31 Romance Fandom in 21st-century Pakistan offers the first major study of English-speaking romance fandom in South Asia, providing a new reader-centric model that engages with romance readers as genre experts. Javaria Farooqui inspects the popular Anglophone romance reading community in Pakistan and develops a model for analysing genre romance novels through the lens of the readers' perspective and preferences. Using focus-group interviews and close textual analysis, *Romance Fandom in 21st-century Pakistan* explores where and how readers access books of their choice, and explains why the detailed descriptions of dresses, food and spaces in historical romance novels of the Regency era exemplify good taste for this distinctive readership. Sitting at the intersection of literary studies, genre studies, and fan studies, this book considers the reception of Anglophone romance fiction by reading communities of colour.

The Vampire Journals Bundle (Books 1, 2 and 3) Morgan Rice, 2011 A bundle of the first 3 books in Morgan Rice's bestselling THE VAMPIRE JOURNALS series for an incredible price of just \$9.99. In TURNED (Book #1), eighteen year old Caitlin Paine finds herself uprooted from her nice suburb and forced to attend a dangerous New York City high school when her Mom moves again. The one ray of light in her new surroundings is Jonah, a new classmate who takes an instant liking to her. But before their romance can blossom, Caitlin suddenly finds herself changing. She is overcome by a superhuman strength, a sensitivity to light, a desire to feed--by feelings she does not understand. She seeks answers to what's happening

to her, and her cravings lead her to the wrong place at the wrong time. Her eyes are opened to a hidden world, right beneath her feet, thriving underground in New York City. She finds herself caught between two dangerous covens, right in the middle of a vampire war. It is at this moment that Caitlin meets Caleb, a mysterious and powerful vampire who rescues her from the dark forces. He needs her to help lead him to the legendary lost artifact. And she needs him for answers, and for protection. Together, they will need to answer one crucial question: who was her real father? But Caitlin finds herself caught between two men as something else arises between them: a forbidden love. A love between the races that will risk both of their lives, and will force them to decide whether to risk it all for each other... In LOVED (Book #2 in the Vampire Journals), Caitlin and Caleb embark together on their quest to find the one object that can stop the imminent vampire and human war: the lost sword. An object of vampire lore, there is grave doubt over whether it even exists. Caitlin and Caleb's journey takes them on a whirlwind of historic locations from the Hudson Valley, to Salem, to the heart of historic Boston the very spot where witches were once hung on the hill of Boston Common. Why are these locations so important to the vampire race? And what do they have to do with Caitlin's ancestry, and with who she's becoming? They may not even make it. Caitlin and Caleb's love for each other is blossoming. And their forbidden romance may just destroy everything they've set out to achieve. Then I fell in love with Prince Max - he of the impossibly cute dimples, the nickel sized cleft in his chin, and the six pack abs so ripped I mended them every night with my tongue. Off the Books Soma Mei Sheng Frazier, 2024-07-30 A captivating debut following a cross-country road trip that will make you believe in the goodness of people, Off the Books sheds light on the power in humanity during the most troubled of times. Recent Dartmouth dropout Mei, in search of a new direction in life, drives a limo to make ends meet. Her grandfather convinces her to allow her customers to pay under the table, and before she knows it, she is working as a routine chauffeur for sex workers. Mei does her best to mind her own business, but her knack for discretion soon leads her on a life changing trip from San Francisco to Syracuse with a new client. Handsome and reserved, Henry piques Mei's interest. Toting an enormous black suitcase with him everywhere he goes, he's more concerned with taking frequent breaks than making good time on the road. When Mei discovers Henry's secret, she does away with her usual close-lipped demeanor and decides she has no choice but to confront him. What Henry reveals rocks her to her core and shifts this once casual, transactional road trip to one of moral stakes and dangerous consequences. An original take on the great American road trip, Off the Books is a beautifully crafted coming of age story that showcases the resilience of the human spirit and the power of doing the right thing. The spirit of Frazier's characters will stay with readers long after they have arrived at their destination.
