In *Tired of Winning* (2023), journalist Jonathan Karl provides an in-depth look at Trump's presidency and his 2024 presidential campaign. *Tired of Winning* Jonathan Karl, 2023-11-14 THE INSTANT NEW YORK TIMES BESTSELLER A New York Times Book Review Editors' Choice One of 62 Books 'The Ezra Klein Show' Guests Recommended This Year, The New York Times Featured in Vanity Fair's Books to Read in November One of the Associated Press' Most Anticipated Books of the Fall The most important thing that has been written to date about what is in front of the American people in the next presidential election. —Nicolle Wallace An extraordinary view into the politics of our times, *Tired of Winning* explores how Donald Trump remade the Republican Party in his own image—and the wreckage he's left in his wake. Packed with new reporting, *Tired of Winning: Donald Trump and the End of the Grand Old Party* tracks Trump's improbable journey from disgraced and defeated former president to the dominant force, yet again, in the Republican Party. From his exile in Mar-a-Lago, Donald Trump has become more extreme, vengeful, and divorced from reality than he was on January 6, 2021. His meddling damaged the GOP's electoral prospects and his legal troubles were mounting. Yet he re-emerged as the frontrunner for the 2024 Republican presidential nomination, and the president-elect. Jonathan Karl has known Donald Trump since his days as a New York Post reporter in the 1990s, and he covered every day of Trump's administration as ABC News's chief White House correspondent. No one is in a better position to detail the former president's quest for retribution and provide a glimpse at what the GOP signed up for by once again choosing him as its standard bearer. In 1964, Ronald Reagan told Americans it was "a time for choosing." Sixty years later, Republicans have their own choice to make: Are they tired of winning?

**Behold the Man** Peter S. Williams, 2024-06-18 After a substantial new essay examining the nature of a properly skeptical historical inquiry into Jesus of Nazareth in the context of contemporary worldviews, from pre-modernism to meta-modernism, *Behold the Man* presents revised essays on an eclectic range of issues: from how the Epistle of James treats Jesus as Divine within decades of the crucifixion, and an evaluation of recent arguments about the dating of the Fourth Gospel, to debunking claims about Jesus and “ancient aliens,” and furthering debate about the resurrection. With a foreword by eminent New Testament scholar Craig L. Blomberg, and extensive recommended resources, *Behold the Man: Essays on the Historical Jesus* represents a wide-ranging, interdisciplinary engagement with historical Jesus studies.

**Retribution** Jonathan Karl, 2025-10-28 The must-read new book from Jonathan Karl, the author of New York Times bestsellers *Tired of Winning*, *Betrayal*, and *Front Row at the Trump Show* In *Retribution*, Jonathan Karl’s unparalleled access brings us behind closed doors deep inside the White House and presidential campaigns, revealing the extraordinary moments that ended one man’s presidency and brought another back to power. This is a story of unprecedented political plot twists, showing what happened behind the scenes as political fortunes fell and rose again, and as a new team coalesced around President Trump with the goal of creating an entirely new world order. From President Biden’s shocking withdrawal and Vice President Harris’s historic run, to the multiple assassination attempts on President Trump, his election, and the changes he has brought to every corner of the country, this book reveals in surprising new detail how we got here, and what we can expect from American politics in the years to come.

**SOCIAL MEDIA MUSINGS** George Waas, 2023-12-19 Since the attack on the Capitol on January 6, 2021, I have posted numerous essays and other commentaries on Facebook. They are of varying length on matters of politics, law, history,

personal matters, and other subjects as well. My first book on social musings contains 142 Facebook posts. My second book is a continuation of my posts, an additional 118. My third book adds another 104. My fourth book adds 78 more. My fifth book adds another 85. My sixth book includes another 116 musings. Book 7 adds another 106 for a combined total of 752 musings. As I've said throughout this series of books, I believe in an informed citizenry that relies on facts, logic, critical thinking, and reasoned judgment. At a time when too many people rely too heavily on social media and the misinformation and disinformation from those sources; at a time when anger and rage too often replace common sense and critical thinking; at a time when propaganda is accepted as fact and fact is dismissed if it flies in the face of opinion, it is hoped that the essays and social commentaries in this series of books on social media musings will inspire dialogue and further citizen involvement in their communities.

**War** Bob Woodward, 2024-10-15 Instant #1 New York Times Bestseller Two-time Pulitzer Prize winner Bob Woodward delivers an eye-opening, behind-the-scenes narrative exploring the intricate dynamics of Ukraine, the Middle East, and the American presidency, offering unparalleled insights into political intrigue and global strategy from one of the most authoritative voices in political journalism today. War is a "harrowing, riveting" (The New York Times) account of one of the most tumultuous periods in presidential politics in American history. We see President Joe Biden and his top advisers in tense conversations with Russian president Vladimir Putin, Israeli prime minister Benjamin Netanyahu, and Ukrainian president Volodymyr Zelensky. We also see Donald Trump conducting a shadow presidency and seeking to regain political power ahead of the 2024 elections. With unrivaled, inside-the-room reporting, Woodward shows President Biden's approach to managing the war in Ukraine, the most significant land war in Europe since World War II, and his tortured path to contain the bloody Middle East conflict between Israel and the terrorist groups Hamas and Hezbollah. Woodward reveals the extraordinary complexity and consequence of wartime back-channel diplomacy and decision-making to deter the use of nuclear weapons and a rapid slide into World War III. The raw cage-fight of politics accelerates leading up to the presidential election in 2024, starting between President Biden and Trump, and ending with the unexpected elevation of Vice President Kamala Harris as the Democratic nominee for president. War provides an unvarnished examination of the vice president as she tries to embrace the Biden legacy and policies while beginning to chart a path of her own as a presidential candidate. Woodward's reporting once again sets the standard for journalism at its most authoritative and illuminating.

*Trump in Exile* Meridith McGraw, 2024-08-06 Filled with deep insights and never-before-seen details, *Trump in Exile* is an explosive, all-access account from behind the scenes at Mar-a-Lago as former president Donald Trump regroups from an election defeat that he refuses to acknowledge and plots his return. The Capitol riots on January 6, 2021, put a horrific closing note on a norm-shattering presidency, as the twice-impeached Donald Trump rode a wave of denial and resentment out of 1600 Pennsylvania Avenue and crashed back at Mar-a-Lago—seemingly wounded, seemingly done. But he wasn't. And

what, exactly, was he building in there? Meridith McGraw vividly chronicles the incredible period of Trump's exile in South Florida—a postpresidency like no other in American history—and brings us inside the gilded walls of his private club, where an alternate reality in which the 2020 election was stolen became Republican Party orthodoxy. How did the country go from Trump's political banishment to his renewed dominance over his party, as he effortlessly destroyed the once-formidable Ron DeSantis and now stands on the verge of returning to the White House—all while facing the heavy shadow of multiple federal and state criminal indictments? The Mar-a-Lago period is essential for understanding Trump's implausible resurgence and the many missed opportunities to stop him. From a reporter who has covered the Trump era from its beginning, through the White House years, to his 2024 campaign, Meridith McGraw's *Trump in Exile* is riveting contemporary history, vital to our understanding of this defining American moment.

US Political Ritual and the Covid Pandemic Tammy R. Vigil, 2024-12-15 *US Political Ritual and the Covid Pandemic: The 2020 Democratic and Republican Conventions* illustrates the importance of the national nominating convention, both as an ongoing custom that speaks to the unique political structure of the nation and as a source of valuable information that goes well beyond the explicit purposes conceptualized by the parties. In this book, Tammy Vigil specifically interrogates the 2020 nominating programs of the two major U.S. political parties by exploring the decisions Democratic and Republican leaders made regarding the use of technology, inclusion of participants, and construction of messaging during a campaign season altered by the Covid-19 pandemic. Each party had the opportunity to adapt to the constraints of the moment, rethink established practices, and present a vision of the nation that would attract and motivate voters. Vigil delineates the similarities and differences between the Democratic and Republican conventions and demonstrates how the events presaged many aspects of the general election and transition of power that followed.
