**Happiness 24/7** Om Praksh Nemani,2018-02-14 This book is dedicated to those who are interested in altering life to attain bliss and happiness. I am one of you belonging to a business family living with three generations together. I have experienced various aspects of life working in multiple fields of activities throughout life. Recently, with the blessings of my Guru Sadhguru Sri Ramesh Ji of Poorna Ananda Ashram Hyderabad I got realization that even, while, living in the family performing all social, economic and family obligations we can adopt spiritual practices and mould ourselves in such a way where we can be the masters of our emotions and Virtues. Through this book I am trying to share my experiences to bring out the changes in our response to any behaviour which we receive from others. I feel it will help you to know yourself better who is a PURE SOUL, FULL OF PEACE, and LOVE with DIVINE ENERGY in a HEALTHY BODY. I assure you can change your any habit by just deciding not only wishing, committing not only trying and taking full responsibility not only hoping of the result.

**100 Quotes of Basic Family Values** Ricky L. Williams, 1st,2020-08-20 What's more valuable and priceless than our family. Family is second to none. There're times when we don't get along and may have been out of communication for years. When the rubber meets the road, family is there for support. I'm very passionate about my second book Basic Family Values. I believe when you read this book, you'll be able grasp, cry, and laugh as you'll see your family in these quotes and statements. It's stated that blood is thicker than water, how true. During these days with all this madness everyone is going through, I believe there's a worldwide concern for family members safety. What's important to us is knowing our spouse, parents, children and kindred are doing well, and to hear their voice or video chat with them brings down tension and anxiety. A major goal for families is to prepare their next generation to be stronger, survive and triumphant through all adversities.

Each of his quotes is set in a context of insightful background on Obama's family experiences—a child of divorce, raised by a single mother, woven into a blended family, reared for years by his grandparents, then going on to embrace his multi-racial roots and blood relatives—and how each of these experiences helped to shape the choices he made in starting his own family. Distinguished by its selection of photos of President Obama in casual family settings, this is an inspiring keepsake and a wonderful gift for baby showers and birthdays—as well as for the first Mother's Day and Father's Day that Obama will be in office.
