The Gospel Truth Clinton Bezan,2023-01-05 Where does a new believer turn to find truth? The Christian narrative today has morphed into a fluid and philosophical commentary centered around social injustices and motivational messages that rarely align with the gospel that Jesus preached. Sin is ignored and repentance is avoided by those who over exaggerate grace and diminish the holiness of God by suggesting he accepts us whether we are faithful to him or not. In a knee jerk response to the strict religious shackles of the early church many of today's preachers bask in the hyper-sensitivity that accompanies the "cancel culture" that proclaims it will not be judged. In The Gospel Truth, Bezan has endeavored to dissect prominent Christian religious denominations in order to expose their internal theologies and scrutinize the details of their doctrine under the litmus test of scripture. He offers legitimate discernment to differentiate between truth and almost truth and conveys an intelligible recognition of the genuine vs the counterfeit in a detailed and comprehensive assessment that leaves the reader judiciously satisfied. We have an opportunity in this life to sincerely contemplate the things of God. We are provided with a window in time to question the hidden mysteries of scripture and truly discover who God is. The good news is that God has provided a path to salvation through Jesus Christ and the gospel contains the truths that solve the mysteries that have eluded men for millennia.

The Gospel Truth Patrick T. Rhoads,2020-07-31 The skepticism holding sway in our public society practically screams that one cannot be serious and also be Christian. This work exposes the lie to such skepticism. This book adopts the scientific method to demonstrate the underlying facts recorded in the Gospels. The arguments rely solely upon reason and objective criteria to substantiate their conclusions. This fast-paced work by a nuclear engineering executive with more than thirty-five years of experience will defy expectations. Rigorous and systematic, this apologetic work is curated with verve, energy, and wit. It will pique the interests of academics and lay audience alike by answering these questions: -Why is the resurrection a necessary but not sufficient condition for the rise of Christianity? -Who founded Christianity? Hint: it was not Saint Paul, as many suppose. -Why did the church retain all of the Hebrew Bible, even though only a small fraction pertains directly to the New Testament? -How does the church rectify the necessity of justice with the virtue of mercy? -Why did his first followers call Jesus the Christ while fully aware that he did not satisfy the expectations of the Christ in the Hebrew Bible? At the end of

the book, readers will ask the same question about Jesus that Jesus asked of the apostles, Who do you say that I am?

Grasping Truth and Reality Donald Le Roy Stults, 2009-02-26 When Lesslie Newbigin returned to Britain in 1974 after years of missionary service, he observed that his homeland was as much a mission field as India, where he had spent the majority of his missionary career. He concluded that the Western world needed a missionary confrontation. Instead of the traditional approach to missions, however, Newbigin realized that the Western world needed to be confronted theologically. From his earliest days at Cambridge University, Newbigin developed the theological convictions that shaped his understanding of the Christian faith, and he used these theological convictions as criteria to evaluate the belief system of Western culture and to provide an answer to its dilemma. The Enlightenment reintroduced humanism and dualism into Western culture, which resulted in the loss of purpose and the rise of scepticism. This book discusses Newbigin's theological convictions and how they factored into both his critique of and his solution to Western culture's spiritual and worldview problems. Donald Le Roy cleverly explains Newbigin's solution to reintroduce the Christian belief system into Western culture in order to restore purpose and truth to Westerners and put them back in contact with true reality through Jesus Christ.

Veritas Ariel Sabar,2021-06-29 From the National Book Critics Circle Award-winning author comes the gripping true story of a sensational religious forgery and the scandal that shook Harvard. In 2012, Dr. Karen King, a star religion professor at Harvard, announced a breathtaking discovery just steps from the Vatican: she'd found an ancient scrap of papyrus in which Jesus calls Mary Magdalene "my wife." The mysterious manuscript, which King provocatively titled "The Gospel of

Jesus's Wife," had the power to topple the Roman Catholic Church. It threatened not just the all-male priesthood, but centuries of sacred teachings on marriage, sex, and women's leadership, much of it premised on the hallowed tradition of a celibate Jesus. Award-winning journalist Ariel Sabar covered King's announcement in Rome but left with a question that no one seemed able to answer: Where in the world did this history-making papyrus come from? Sabar's dogged sleuthing led from the halls of Harvard Divinity School to the former headquarters of the East German Stasi before landing on the trail of a Florida man with an unbelievable past. Could a motorcycle-riding pornographer with a fake Egyptology degree and a prophetess wife have set in motion one of the greatest hoaxes of the century? A propulsive tale laced with twists and trapdoors, *Veritas* is an exhilarating, globe-straddling detective story about an Ivy League historian and a college dropout—and how they worked together to pass off an audacious forgery as a long-lost piece of the Bible.

Revision Decisions Jeff Anderson, Deborah Dean, 2023-10-10 Revision is often a confusing and difficult process for students, but it's also the most important part of the writing process. If students leave our classrooms not knowing how to move a piece of writing forward, we've failed them. *Revision Decisions: Talking Through Sentences and Beyond* will help teachers develop the skills students need in an ever-evolving writing, language, and reading world. Jeff Anderson and Deborah Dean have written a book that engages writers in the tinkering, playing, and thinking that are essential to clarify and elevate writing. Focusing on sentences, the authors use mentor texts to show the myriad possibilities that exist for revision. Essential to their process is the concept of classroom talk. Readers will be shown how revision lessons can be discussed in a generative way, and how each student can benefit from talking through the revision process as a group. *Revision Decisions* focuses on developing both the writing and the writer. The easy-to-follow lessons make clear and accessible the rigorous thinking and the challenging process of making writing work. Narratives, setup lessons, templates, and details about how to move students toward independence round out this essential book. Additionally, the authors weave the language, reading, and writing goals of the Common Core and other standards into an integrated and connected practice. The noted language arts teacher James Britton once said that good writing floats on a sea of talk. *Revision Decisions* supports those genuine conversations we naturally have as readers and writers, leading the way to the essential goal of making meaning.

Final Report of the Truth and Reconciliation Commission of Canada, Volume One: Summary The Truth and Reconciliation Commission of Canada, 2015-07-27 This is the Final Report of Canada's Truth and Reconciliation Commission and its six-year investigation of the residential school system for Aboriginal youth and the legacy of these schools. This report, the summary volume, includes the history of residential schools, the legacy of that school system, and the full text of the Commission's 94 recommendations for action to address that legacy. This report lays bare a part of Canada's history that until recently was little-known to most non-Aboriginal Canadians. The Commission discusses the logic of the colonization of Canada's

territories, and why and how policy and practice developed to end the existence of distinct societies of Aboriginal peoples. Using brief excerpts from the powerful testimony heard from Survivors, this report documents the residential school system which forced children into institutions where they were forbidden to speak their language, required to discard their clothing in favour of institutional wear, given inadequate food, housed in inferior and fire-prone buildings, required to work when they should have been studying, and subjected to emotional, psychological and often physical abuse. In this setting, cruel punishments were all too common, as was sexual abuse. More than 30,000 Survivors have been compensated financially by the Government of Canada for their experiences in residential schools, but the legacy of this experience is ongoing today. This report explains the links to high rates of Aboriginal children being taken from their families, abuse of drugs and alcohol, and high rates of suicide. The report documents the drastic decline in the presence of Aboriginal languages, even as Survivors and others work to maintain their distinctive cultures, traditions, and governance. The report offers 94 calls to action on the part of governments, churches, public institutions and non-Aboriginal Canadians as a path to meaningful reconciliation of Canada today with Aboriginal citizens. Even though the historical experience of residential schools constituted an act of cultural genocide by Canadian government authorities, the United Nation's declaration of the rights of aboriginal peoples and the specific recommendations of the Commission offer a path to move from apology for these events to true reconciliation that can be embraced by all Canadians.

The Killing of Bonnie Garland Willard Gaylin, 1995-09-01 A powerful and passionate indictment of the use of psychiatric testimony in criminal cases. —The Cleveland Plain Dealer A year after Richard Herrin confessed to killing his girlfriend, Bonnie Garland, he was found not guilty of murder. His crime, he pleaded, was committed under extreme emotional disturbance, excusing him from maximum responsibility. He was convicted on the reduced charge of manslaughter. In this incisive examination of the murder, the trial, and its aftermath, a distinguished psychiatrist addresses the issue of the insanity defense. He shows how psychiatric testimony can distort court proceedings, and brilliantly analyzes the conflict between the individual rights of the accused and society's right to justice.

The School of Arizona Dranes Timothy Dodge, 2013-09-12 Arizona Dranes (1889-1963) was a true musical innovator whose recordings made for the Okeh label during the years 1926-1928 helped lay the foundations for what would soon be known as gospel music. Her unique blend of ragtime, barrelhouse, and boogie woogie piano plus her exciting and emotional Pentecostal style of singing influenced the development of gospel music for the next forty years and beyond. *The School of Arizona Dranes: Gospel Music Pioneer* covers the life and career of Dranes and situates her accomplishments in the broader history of African American gospel music and the rise of the Pentecostal movement. Starting with the earliest recordings of the music in the late nineteenth century, this book provides a history of African American sacred and gospel music that convincingly demonstrates the revolutionary nature of Dranes's musical accomplishment. Using specific examples, the author

traces the far-reaching influence of Arizona Dranes on African American gospel piano playing and singing.

Jesus, the ultimate truth Angel Gabriel, 2024-02-29 I have much to write to you, but I do not want to use paper and ink. (2 John :12) The word “paper” did not exist until 1200 AD. Taking Jesus’ body, the two wrapped it with spices, in strips of linen. This was in accordance with Jewish burial customs. (John 19: 40) Applying spices to bodies for burial is strictly prohibited by Jewish Laws for burials.

Truth Overruled Ryan T. Anderson, 2015-07-14 Every leader in America needs to read this book! It's by far the best summary of what's at stake. —Rick Warren The Supreme Court has issued a decision, but that doesn't end the debate. Now that the Supreme Court has ruled, Americans face momentous debates about the nature of marriage and religious liberty. Because the Court has redefined marriage in all 50 states, we have to energetically protect our freedom to live according to conscience and faith as we work to rebuild a strong marriage culture. In the first book to respond to the Supreme Court's decision on same-sex marriage, Ryan Anderson draws on the best philosophy and social science to explain what marriage is, why it matters for public policy, and the consequences of its legal redefinition. Attacks on religious liberty--predicated on the bogus equation of opposition to same-sex marriage with racism--have already begun, and modest efforts in Indiana and other states to protect believers' rights have met with hysterics from media and corporate elites. Anderson tells the stories of innocent citizens who have been coerced and penalized by the government and offers a strategy to protect the natural right of religious liberty. Anderson reports on the latest research on same-sex parenting, filling it out with the testimony of children raised by gays and lesbians. He closes with a comprehensive roadmap on how to rebuild a culture of marriage, with work to be done by everyone. The nation's leading defender of marriage in the media and on university campuses, Ryan Anderson has produced the must-read manual on where to go from here. There are reasonable and compelling arguments for the truth about marriage, but too many of our neighbors haven't heard them. Truth is never on the wrong side of history, but we have to make the case. We will decide which side of history we are on.

Your Identity in the Trinity Sean Cole, 2019-04-12 Many believers struggle with assurance of salvation, tending to approach obedience to God out of either guilt or legalism. We exist to display God's glory, declare God's gospel, and disciple for God's Great Commission. Instead of embracing these truths, many Christians have believed the lie that their identity in Christ does not affect how they live their lives in obedience to him. The gospel tells us that being (identity) comes before doing (obedience). This lack of understanding our gospel identity frequently results in either legalistic pride or frustrating guilt. The purpose of this book is to help believers understand their identity in the three persons of the Trinity and then joyfully serve God with gospel obedience. The gospel indicatives in the Bible serve as the fountain and power for obeying the

moral imperatives in the Bible. The gospel roots our assurance of salvation and motivation to obey God in our identity, not in moralism, which elevates our performance instead of exalting the finished work of Christ.
