

David Copperfield Novel Summary

J. M. Lybyer

David Copperfield by Charles Dickens (Book Analysis) Bright Summaries, 2019-04-03 Unlock the more straightforward side of David Copperfield with this concise and insightful summary and analysis! This engaging summary presents an analysis of David Copperfield by Charles Dickens, which tells the story of the title character as he grows up and learns about the ways of the world. There is no shortage of hardship in young David's life: his father dies before he is born, he is mistreated by a despotic stepfather and he is frequently manipulated by those around him. However, as the novel progresses, he is able to rise above his humble origins to find success and, eventually, true love. With a memorable cast of characters, including the sycophantic Uriah Heep and the unfailingly generous Mr Micawber, David Copperfield remains one of Dickens' best-loved works. His many novels also include Oliver Twist, Great Expectations and A Christmas Carol. Find out everything you need to know about David Copperfield in a fraction of the time! This in-depth and informative reading guide brings you: • A complete plot summary • Character studies • Key themes and symbols • Questions for further reflection Why choose BrightSummaries.com? David Copperfield Charles Dickens, 1863

David Copperfield Charles Dickens, 1981 A classic tale of an orphan growing up in the 1800's of England. Intimately rooted in the author's own biography and written as a first-person narrative, David Copperfield charts a young man's progress through a difficult childhood in Victorian England to ultimate success as a novelist, finding true love along the way. Jeremy Tambling's provocative Introduction reveals subtle themes relevant today in Dickens' favorite work

The Personal History of David Copperfield Charles Dickens, 2023-03-23 Reprint of the original, first published in 1872. The publishing house Anatiposi publishes historical books as reprints. Due to their age, these books may have missing pages or inferior quality. Our aim is to preserve these books and make them available to the public so that they do not get lost.

David Copperfield (Illustrated) Charles Dickens, 2018-01-27 This book contains short summary of every chapter with brief details of every character in this wonderful book. David Copperfield is the eighth novel by Charles Dickens. The novel's full title is The Personal History, Adventures, Experience and Observation of David Copperfield the Younger of Blunderstone

Rookery (Which He Never Meant to Publish on Any Account). It was first published as a serial in 1849-50, and as a book in 1850. Many elements of the novel follow events in Dickens's own life, and it is often considered his veiled autobiography. It was Dickens' favourite among his own novels. In the preface to the 1867 edition, Dickens wrote, like many fond parents, I have in my heart of hearts a favourite child. And his name is David Copperfield. The novel describes the journey of the protagonist David Copperfield; modeled after Dickens himself, from impoverished and miserable childhood to becoming a successful and famous author. Like some of his other novels, it contains disturbing descriptions of child abuse.

CliffsNotes on Dickens' David Copperfield J. M. Lybyer, 2001-03-07 As a disguised autobiography, Dickens creates in David the story of a favorite child, who later encounters suffering and travails, but winds up with a sanguine life all the same.
David Copperfield MADHUBUN (IN HOUSE), 2001 A Story Book

David Copperfield Charles Dickens, 2021-01-01 David Copperfield, is the eighth novel by Charles Dickens. The novel's full title is, The Personal History, Adventures, Experience and Observation of David Copperfield the Younger of Blunderstone Rookery.

In The Hands of a Child Grades 6 and Up Project Pack David Copperfield ,

David Copperfield Charles Dickens, 2018-07-21 David Copperfield is the eighth novel by Charles Dickens. The novel's full title is The Personal History, Adventures, Experience and Observation of David Copperfield the Younger of Blunder stone Rookery (Which He Never Meant to Publish on Any Account). It was first published as a serial in 1849-50, and as a book in 1850. Many elements of the novel follow events in Dickens's own life, and it is often considered his veiled autobiography. It was Dickens' favourite among his own novels. In the preface to the 1867 edition, Dickens wrote, like many fond parents, I have in my heart of hearts a favourite child. And his name is David Copperfield. The novel describes the journey of the protagonist David Copperfield; modeled after Dickens himself, from impoverished and miserable childhood to becoming a successful and famous author. Like some of his other novels, it contains disturbing descriptions of child abuse.

David Copperfield Charles Dickens, 2017-04-16 David Copperfield is the story of a young man's adventures on his journey from an unhappy and impoverished childhood to the discovery of his vocation as a successful novelist. Among the gloriously vivid cast of characters he encounters are his tyrannical stepfather, Mr Murdstone; his brilliant, but ultimately unworthy school-friend James Steerforth; his formidable aunt, Betsey Trotwood; the eternally humble, yet treacherous Uriah Heep;

frivolous, enchanting Dora Spenlow; and the magnificently impecunious Wilkins Micawber, one of literature's great comic creations. In *David Copperfield* - the novel he described as his 'favourite child' - Dickens drew revealingly on his own experiences to create one of the most exuberant and enduringly popular works, filled with tragedy and comedy in equal measure. This edition uses the text of the first volume publication of 1850, and includes updated suggestions for further reading, original illustrations by 'Phiz', a revised chronology and expanded notes. In his new introduction, Jeremy Tambling discusses the novel's autobiographical elements, and its central themes of memory and identity. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators. It's important, when reading this, to remember that *David Copperfield* was originally published in 20 monthly installments, rather than as a single work of fiction. Each installment was only 3 to 4 chapters long, and the final two installments were released together as a double-volume. This was kind of like 19th-century Netflix; you got to watch the two-part series finale all at once rather than have to wait another week to see how it all turned out. When read as a single novel, there's a fair bit of repetition involved (and Dickens famously was paid by the word, which led to the invention of such loquacious characters as Mr. Micawber, who never uses five words when 50 would suffice). I read it basically a chapter a day, with most chapters taking up about 30 minutes of my time. In this method I still got through the book faster than the 19th-century target audience would have done, but still got to live with the story for more than two months of my life. I felt somewhat bereft when it was all over. While *David Copperfield* is deemed highly literary today, it was also the cutting edge of popular entertainment when it was written and released. The book follows *David Copperfield* (whose life, in many respects, followed the broad contours of Dickens' own life) from birth through adulthood. There are many self-contained episodes throughout the book, but there's also a fairly regular cast of characters who show up in every installment. Each of these characters are vividly portrayed, and quite memorable: David's childhood nurse, Peggotty, and her extended family; David's two school classmates, Steerforth and Traddles, whose lives go off in quite different directions; Agnes, Dora, and Emily, the three women in David's life; Aunt Betsey and Mr. Dick, who serve both as comic relief and as David's moral compasses; and the Murdstones and Uriah Heep, because every story needs despicable villains. You won't forget many of these people in a hurry.

Charles Dickens: *David Copperfield*/ *Great Expectations* Nicolas Tredell, 2013-07-12 *David Copperfield* and *Great Expectations* are among Charles Dickens's most famous novels. In both books, the hero tells the vivid and absorbing tale of his education by life, presents a rich range of characters and scenes, and tackles profound moral, social and psychological themes. Part I of this essential study: - Provides lucid and penetrating analyses of key passages - Discusses the crucial topics

of patriarchy, class, obsession, eccentricity, death, breakdown and recovery - Summarizes the methods of analysis and offers suggestions for further work Part II supplies key background material, including: - An account of Dickens's life and works - A survey of historical, cultural and literary contexts - Samples of significant criticism Also featuring a valuable Further Reading section, this volume provides readers with the critical and analytical skills which will enable them to enjoy and explore both novels for themselves.

The Personal History of David Copperfield - Vol. I Charles Dickens, 2016-05-16 The Personal History of David Copperfield - Vol. I by Charles Dickens. This book is a reproduction of the original book published in 1917 and may have some imperfections such as marks or hand-written notes.

Charles Dickens Harold Bloom, 2009 Charles Dickens stands as one of the first great popular novelists. Study his classic works, including David Copperfield and Great Expectations.

David Copperfield Charles Dickens, 2020-07-13 David Copperfield is the eighth novel by Charles Dickens. It was first published as a book in 1850. Many elements of the novel follow events in Dickens' own life, and it is probably the most autobiographical of his novels. In the preface to the 1867 edition, Dickens wrote, like many fond parents, I have in my heart of hearts a favourite child. And his name is David Copperfield. The story traces the life of David Copperfield from childhood to maturity. David was born in Blunderstone, Suffolk, near Great Yarmouth, Norfolk, England, in 1820, six months after the death of his father. David spends his early years in relative happiness with his loving but frail mother and their kindly housekeeper, Peggotty. When he is seven years old his mother marries Edward Murdstone. David is given good reason to dislike his stepfather and has similar feelings for Murdstone's sister Jane, who moves into the house soon afterwards. Murdstone attempts to thrash David for falling behind in his studies. David bites him and soon afterwards is sent away to a boarding school, Salem House, with a ruthless headmaster, Mr. Creakle. The novel has been adapted into several plays and for the screen at least twelve times.

David Copperfield Charles Dickens, 2020-10-02 David Copperfield David Copperfield is the story of a young man's adventures on his journey from an unhappy and impoverished childhood to the discovery of his vocation as a successful novelist. Among the gloriously vivid cast of characters he encounters are his tyrannical stepfather, Mr Murdstone; his brilliant, but ultimately unworthy school-friend James Steerforth; his formidable aunt, Betsey Trotwood; the eternally humble, yet treacherous Uriah Heep; frivolous, enchanting Dora Spenlow; and the magnificently impecunious Wilkins Micawber, one of literature's great comic creations. In David Copperfield - the novel he described as his 'favourite child' - Dickens drew revealingly on his own experiences to create one of the most exuberant and enduringly popular works, filled with tragedy and comedy in equal measure. This edition uses the text of the first volume publication of 1850, and includes updated suggestions for further reading, original illustrations by 'Phiz', a revised chronology and expanded notes. In his new introduction, Jeremy

Tambling discusses the novel's autobiographical elements, and its central themes of memory and identity.

David Copperfield Charles Dickens,2015-11-29 David Copperfield is the tale of a young man's adventures on his journey from an unhappy childhood to his success as a novelist. Among the characters he encounters are his tyrannical stepfather, Mr. Murdstone; his formidable aunt, Betsey Trotwood; the eternally humble yet treacherous Uriah Heep; frivolous, enchanting Dora; and the magnificently impecunious Micawber, one of literature's great comic creations.
