A Thousand Fireflies Ryan Hadley & Dan Yearick, 2015-08-27 Ryan Hadley began a new chapter of his life in the summer of 2011 when he packed his belongings into the back of his truck and moved to the mountains of North Carolina. A few weeks later his parents were murdered at the hands of his younger brother. This traumatic event drew Ryan into dark, lonely places in his soul and psyche that he never knew existed. This is a story of tragedy, hope, and an unexpected, healing friendship with his co-author, Dan Yearick. Ryan conveys his story with candor and in absolute vulnerability in order to offer hope for those who experience tragic loss, as well as to assist those who aid people suffering from grief.

The Black Orchid Peggy Blevins, 2015-08-06 Sayson Malloy has secrets that she must keep hidden from everyone. As people around her begin to unravel, pieces of her façade begin to crack and fall off, revealing her past that she left many years ago. Annabelle Fillmore, a reporter from the Los Angeles Post, becomes entwined in this mystery, where her personal and professional lives become one with Sayson Malloy and the Black Orchid Gallery. The Black Orchid Gallery's opening was one of the first stories Annabelle covered as a new reporter for the Los Angeles Post. That story would forever change the course of Annabelle's career and future. It became the nightmare story that would not end—and the beginning of a new future.

Macdougall's Pride Greg Kauffman-Starkey, 2017-02-27 Donal Cavanaugh is about to take an unexpected trip through timeback to the days of his Irish ancestors in 1763, a time of land wars between rival clans and battles with invading barbarian hordes bent on bloodshed to anyone in their way. Donal assumes the identity of a member of the MacDougal clan and must use all his wits and abilities to serve and protect the lord king of MacDougal Castle in order to protect his own future and the MacDougal legacy. How the story progresses depends on the choices made by the reader along the way. Will Donal survive to return to his own time? Or will he find a reason to stay in his own past?

The Compass Within Sonia Lara, 2008-03 The Compass Within—we all have one, some of us are aware of it, some are not—this book is a guide to discovering that compass that exists within all of us, as well as a woman's journey of self-discovery and how her experiences and thoughts can possibly help you through the trying times everyone experiences sometime in our lives. Covering diverse subjects ranging from beating procrastination, avoiding negative influences in our lives, grief, the

vicious cycle of debt, how to love and respect others, and more, *The Compass Within* serves as not only a reflection on these diverse topics, but as a suggestion to an alternative way of approaching life, and making the changes needed to lead a fulfilling and harmonious life. Some of us spend our whole lives looking for answers, but the problem is, do we know how to ask the right question? *The Compass Within* serves as a template to asking the right questions, and more importantly, providing the insight and direction needed to know what the answers are as they apply to us. The Author decided to write *The Compass Within* both as a catharsis, and she hopes, to help others through difficult periods in their lives or suggest an alternative view on it.

How to Pursue a DNA Clue Eliza Watson, 2022-10-18 Last Christmas genealogist Mags Murray organized her grandmother's wake. This year she'll be spending her holiday with her dad, and for the first time, her recently discovered biological father. To add to her stress, Mags offers to help her friend Gretta locate her grandson, who was adopted thirty-one years ago. Having uncovered her own paternity thanks to a DNA test, Mags is prepared for the surprises Gretta's test may reveal. Or so she thinks. Within twenty-four hours of Gretta receiving her DNA results, a police detective requests Gretta's assistance in identifying her closest match, a wanted criminal. Devastated by the shocking news, Gretta refuses to disclose the match is her grandson. Mags soon suspects the police aren't the only ones searching for the man. Fearing Gretta's grandson might be in danger, Mags and her best friend, Biddy McCarthy, attempt to track him down so they can warn him and hopefully prove his innocence. Over the past year, Mags and Biddy have encountered a forger, kidnapper, murderer, and other dodgy characters. Who knows what they are up against now!

Towards The Light Michael Metzger, 2008-11-04 *TOWARDS THE LIGHT: GROWING THROUGH GRIEF* is a remarkable book. A practical handbook of coming to terms with grief, it is also a rare insight into a personal journey which still continues following the death not only of the author's father but his son. As you face up to your unique grief it is helpful to know the landscape which you are likely to travel. This map is outlined with compassion and wisdom in the first part of the book. Surviving different types of death is specified in the second part of the book and a spiritual guide follows in the third.

Not Without Mercy Phillip C. Wright, 2012-08-01 I highly recommend, *Not Without Mercy*. First, it is a story of faith and family during one of the world's darkest chapters - the Black Death. Many of the challenges the Beorn family faced in this book will parallel the challenges our own families will endure in the coming days of trial. Secondly, Phill's story is unique because it is based on numerous dreams and visitations wherein the characters of his book appeared at his bedside and told them their stories firsthand. Phill later learned that these characters were his family members who lived during the mid-1300s in Bristol, England. The story they said is very timely for our day and the desolating pestilence that has been foretold. Furthermore, this story demonstrates that the veil is thin and that the hearts of the fathers have turned towards the children. I believe in the administration of angels. Who would have a more vested interest in administering to us than our

own family? Not Without Mercy is a beautiful testament that family bonds do not end in the grave. Michael B. Rush, author of, A Remnant Shall Return, Daniel 11, Revelation, The Vision of John The Devine and Delight in Plainness.
