Between Advents Bruce L. Taylor,2021-05-25 Between Advents continues Bruce Taylor's series of sermons for the Common Lectionary (Revised), offering theologically rich, sacramentally reflective, ecumenically compatible, and biblically centered proclamations for the Sundays and major feast days of Year C, from Advent through Eastertide. Included is an appendix, featuring a sermon preached in departure from the lectionary on the occasion of a high school baccalaureate service conducted shortly after the United States military invasion of Iraq. His strong commitment to Christian unity and deep appreciation of the heritage and contemporary relevance of the church and the importance of individual discipleship are a common thread in these sermons for the first half of the church year featuring Gospel readings from Luke. Included is a sampling of engaging story sermons, illustrating how this style of preaching can be used in lectionary-based preaching. Preachers and devotional readers alike will find Between Advents to be a valuable companion as they discover the profound beauty of sacramental worship through the course of the liturgical year and meditate on the Scripture passages commended for Christian worship in the lectionary cycle.

12 - 12 - 12 (Book 2 of John Rachel's End-of-the-World Trilogy) John Rachel,2015-12-09 12-12-12 is the story of a great nation falling apart and one young man's quest for meaning in the midst of chaos. It takes the stuff of reality and pitches it to a high scream. Open your mind but cover your ears. Knowledge is bliss but it's loud and painful. Yet somehow still funny. 12-12-12 manages to tell it like it is by telling it like it isn't. Granted, this is not what actually happened during 2012. But what unfolds is not more implausible. Nor is it less implausible. It's dark, ironic, witty, at times surrealistic and just plain weird. One reviewer calls it laugh-out-loud brain food for hungry minds.

The Wit and Whimsy of Mary Engelbreit Mary Engelbreit,1997-11 She's witty . . . and Mary Engelbreit also is

charming, nostalgic, playful, optimistic, and more than a bit irreverent. Now, Mary, herself, gives her readers a close-up look at her life and how she lives it. Her art and words are guideposts to all that is enduring, valuable, and important in our lives. Her richly detailed illustrations bring a sense of joy and a touch of nostalgia to everyday events.

For Mother O' Mine Mary Engelbreit, 1992-06 Illustrations and brief rhyming text describe the importance of mothers.

But that's just a warmup for DD's rematch with one of his most powerful foes: Mister Hyde! And the hits just keep coming as Klaw, Master of Sound, makes some noise, Chance tries his luck and the savage Sabretooth crosses Daredevil's path right in the middle of the Mutant Massacre! Plus: DD's old flame, the Black Widow, returns - but will Matt seize a second chance at life with Karen Page instead? and ideas? Do you tend to notice details that other people miss? Is your ideal celebration a small get-together rather than a big party? Do you often feel like a tortoise surrounded by hares? The good news is, you're an introvert. The better news is that by celebrating the inner strengths and uniqueness of being introverted, *The Introvert Advantage* shows introverts how to work with instead of against their temperament to enjoy a well-lived life. Covering relationships, parenting—including parenting an introverted child—socializing, and the workplace, here are coping strategies, tactics for managing energy, and hundreds of valuable tips for not only surviving but truly thriving in an extrovert world. “Filled with Aha! moments of recognition, Dr. Laney’s book will help millions of introverts understand why they are misunderstood, learn to appreciate who they are, and develop a just-right life in a world where extroverts once ruled.” —Paul D. Tieger, coauthor of *Do What You Are* “In a world of shock jocks, screaming rock stars, and sensational journalism, this book dispels the myth that only the loud and flamboyant get ahead. Its clear, step-by-step advice will help introverts recognize and capitalize on their unique strengths.” —Dr. Bernardo J. Carducci, author of *Shyness: A Bold New Approach*

Blinders Keepers John Rachel, 2015-12-15 In this dystopian satire of political intrigue and social chaos, a young man who escapes his hopelessly hayseed home town in Missouri is accidentally labeled a terrorist and must survive a manhunt by government security agencies in a paranoid and unraveling America. The president out of desperation perpetrates an end-of-the-world hoax, trying re-establish control and get himself re-elected. *Blinders Keepers* is social-political satire in the tradition of Jonathan Swift, Kurt Vonnegut and Joseph Heller, but revved up and spit-shined to take on the historical new levels of absurdity and dysfunction of the 21st Century. *Blinders Keepers* is social-political satire in the tradition of Jonathan Swift, Kurt Vonnegut and Joseph Heller, but revved up and spit-shined to take on the historical new levels of absurdity and dysfunction of the 21st Century.
