Shayne Lee

Addicted Zane, 2014-08-26 The New York Times bestseller Adapted into a major motion picture distributed through Lionsgate From the Queen of Erotica, Addicted tells the provocative story of one married woman's struggle to deal with the fall-out of her forbidden desires. The world of Addicted is continued in the New York Times bestseller Nervous, and Zane's highly-anticipated upcoming novel Vengeance, available May 24, 2016. For successful businesswoman Zoe Reynard, finding the pleasure she wants, the way she wants it, is not worth the risk of losing everything she has: a charmed marriage to her childhood sweetheart, a thriving company, and three wonderful children. But Zoe feels helpless in the grip of an overpowering addiction...to sex. After finding a compassionate therapist to help her, Zoe finally summons the courage to tell her torrid story, a tale of guilt and desire as shocking as it is compelling. From the sensitive artist with whom she spends stolen hours on rumpled sheets, to the rough and violent man who leads her toward destruction, Zoe is desperately searching for fulfillment—and, perhaps, something darker and deeper. As her life spins out of control and her sexual escapades carry her toward a dangerous fate, Zoe races to uncover the source of her "fatal attraction." Chilling secrets tumble forth and perilous temptations build toward a climax that could threaten her sanity, her marriage...and her life.

Addicted with a Twist Zane, 2014-11-24 From the Queen of Erotica, Zane's Addicted with a Twist is the sequel to Addicted, her wildly popular novel about a married woman whose life spirals out of control when her three affairs lead her down a dark and twisted path. Three years after the end of Addicted, Zoe and Jason Reynard are still married and raising their family together. But Zoe has a new "dirty little secret" that leaves her torn between being honest with her therapist, Dr. Marcella Spencer, and her mother—or continuing her forbidden hotel rendezvous with a man who calls himself "Orpheus." Has Zoe truly overcome her sexual addiction through the strength of her love for her husband and continued therapy? Or is she still jeopardizing everything and everyone she holds dear in order to satisfy her fantasies?

Ebony, 2005-03 EBONY is the flagship magazine of Johnson Publishing. Founded in 1945 by John H. Johnson, it still maintains the highest global circulation of any African American-focused magazine.

The Zane Collection #1 Zane, 2012-07-03 Sometimes romantic, sometimes raw, New York Times bestselling author Zane presents three novels of intoxicating sensuality. The Sex Chronicles With a unique ability to tell it like it is—and also to tell it like it could be in your wildest dreams—Zane crafts stories about everyone from the sensual housewife who wants her

husband to experiment more to a secret underground sorority of women that organizes some rather unconventional social events. By turns tender and outrageous, *The Sex Chronicles* is a pleasure from beginning to end. Nervous Jonquinette has always been nervous around men, but on the weekends her alter ego, Jude, goes on intense sexual escapades. When Jonquinette seeks the help of Dr. Marcella Spencer, the psychiatrist Zane originated in her bestselling novel *Addicted*, Jude's response is to go on a sexual rampage. In the meantime, Jonquinette becomes interested in her new neighbor, Mason, but Jude has no intention of letting Jonquinette fall in love—not when Jude's having so much fun. Based on a short story of the same title from her bestselling collection *The Sex Chronicles*, *Nervous* is classic Zane with an edge. So, relax, sit back. You're in for a nerve-tingling read. Skyscraper Most corporations hand out bonus checks or gift certificates for Christmas, but Wolfe Industries hands out drama. *Skyscraper* chronicles the week before the annual Christmas party at Wolfe Industries, an African American-owned automobile manufacturer. The week leading up to the Wolfe Industries annual Christmas party is unforgettable, as the lives of four people who have barely interacted with one another in the past begin to cross paths in the most disturbing ways. By the time the party is over, they will be lucky if the skyscraper is still standing.

Zane eBook Sampler Zane, 2011-12-27 New York Times bestselling author Zane presents her legion of fans an ebook sampler featuring excerpts from a select list of some of her bestselling titles.

Push Comes to Shove Maud Lavin, 2012-09-21 The new celebration of women's aggression in contemporary culture, from *Kill Bill* and *Prime Suspect* to the artists group *Toxic Titties*. In the past, more often than not, aggressive women have been rebuked, told to keep a lid on, turn the other cheek, get over it. Repression more than aggression was seen as woman's domain. But recently there's been a noticeable cultural shift. With growing frequency, women's aggression is now celebrated in contemporary culture—in movies and TV, online ventures, and art. In *Push Comes to Shove*, Maud Lavin examines these new images of aggressive women and how they affect women's lives. Aggression, says Lavin, need not entail causing harm to another; we can think of it as the use of force to create change—fruitful, destructive, or both. And over the past twenty years, contemporary culture has shown women seizing this power. Lavin chooses provocative examples to explore the complexity of aggression, including the surfer girls in *Blue Crush*, Helen Mirren as Jane Tennison in *Prime Suspect*, the homicidal women in *Kill Bill*, and artist Marlene McCarty's mural-sized *Murder Girls*. Women need aggression and need to use it consciously, Lavin writes. With *Push Comes to Shove*, she explores the crucial questions of how to manifest aggression, how to represent it, and how to keep open a cultural space for it.

Erotic Revolutionaries Shayne Lee, 2010-08-04 Why is there no pro-sex contingency in black feminist scholarship? Why do so few African-American scholars expound on issues celebrating female sexual pleasure? Perhaps the answers to these questions reside within a discursive matrix of sexual repression commonly referred to as the politics of respectability, and its

rein on black sexual politics. In *Erotic Revolutionaries: Black Women, Sexuality, and Popular Culture*, sociologist Shayne Lee steers black sexual politics toward a more sex-positive trajectory. Introducing feminist analysis to a conceptual ménage à trois of scripting theory, media representation, and black sexual politics, Lee considers the ways in which the feminist quest for social and sexual equality can delve into popular culture to see the production of subversive scripts for female sexuality and erotic agency. Whereas most feminist scholarship underscores how sexual representations of black women in media are exploitative and problematic, Lee portrays black female celebrities like Janet Jackson, Beyoncé, Karrine Steffans, Zane, Tyra Banks, Juanita Bynum, Sheryl Underwood and many more as feminists of sorts who afford women access to cultural tools to renegotiate sexual identity and celebrate sexual agency and empowerment. *Erotic Revolutionaries* navigates the uncharted spaces where social constructionism, third-wave feminism, and black popular culture collide to locate a new site for sexuality studies that is theoretically innovative, politically subversive, and stylistically chic.

Book of Sides II: Original, Two-Page Scenes for Actors and Directors Dave Kost, 2017-07-20 *Book of Sides II: Original, Two-Page Scenes for Actors and Directors* is the second book in the *Book of Sides* series by Dave Kost, featuring original, two-page, two-character scenes for use in acting, directing, and auditioning classes. While shorter than the traditional three-to-six-page scenes commonly used in classes, *Book of Sides II* features longer scenes than the first *Book of Sides* with greater character development, more reversals, and stronger climaxes. Balanced, structured scenes designed specifically for educational use challenge both actors and directors equally with objectives, obstacles, tactics, and subtext; Two-page length is ideal for high-intensity exercises and faster-paced workshops; Printed in easy-to-read film-script format with plenty of room for notes; Scenes are completely original and unencumbered by copyright, so students may film and post legally on the internet; Universally castable, so all roles can be played by actors of any gender, appearance, skill level, or ethnicity; Accessibly-written for modern students, helping them to focus on the fundamentals of performance and directing; Simple and conducive to performing in a classroom without sets, costumes, or special props. This book was written by an educator for educators and designed for use in the classroom. Never search for scenes again!

On the Path of Destruction Roslyn Cox, 2018-11-20 This urban fiction novel is the first of a series. It is filled with drama but also life experiences that many people can relate to, whether you are in your teenage years or an adult. There are moments in this book that require the readers to actively think about their own lives, and what they would do in certain situations. Antoinette is ready to break free and explore the world away from the church. She feels that she is missing out on life. High school friends Alicia, Miranda, and Elaine also grew up in the church, but they don't let that stop them from partying and having fun. After letting go of friendships and losing family bonds, Antoinette focuses on doing what she wants when she wants. Along the way of finding herself, Antoinette discovers a troubling secret from her past. Does this new revelation change anything? Antoinette's desire to live life with no restraints slowly begins to manifest into something bigger

than she can handle.

The Zane Collection #3 Zane, 2012-07-17 Three provocative and sensual novels from New York Times bestselling author Zane. Afterburn Weaving the carnal and the comical in true Zane fashion, two hapless lovers' struggle to find love in a world gone mad is a timeless talk about everything that can go wrong in the dating game—and a few things that can go right. Total Eclipse of the Heart When a tragic event brings Brooke and Damon together, they see truths about their relationships they never wanted to accept. Sometimes two people meet by pure chance, but sometimes it's a total eclipse of the heart. The Hot Box Best friends Milena and Lydia are playing the game with Jacour, Yosef, Glenn, and Phil. The only problem: the men do not realize that they are playing. Milena lives a sheltered and dismal existence and has not allowed a man to touch her body in eight years . . . until now. Lydia dreams of getting away from small-town America but, until she can make that happen, she is prepared to do whatever it takes to continue to have her bills paid . . . on time. Good sex always does the trick. Two women. Four men. Two love triangles. Reading has never been this hot because, once again, Zane is taking you outside the box.

100 Most Popular African American Authors Bernard A. Drew, 2006-11-30 Here's a one stop resource, containing 100 profiles of your favorite contemporary African American writers, along with complete lists of their works. Focusing on writers who have made their mark in the past 25 years, this guide stresses African American writers of popular and genre literature—from Rochelle Alers and Octavia Butler, and Samuel Delaney to Walter Mosley, and Omar Tyree, with a few classic literary giants also included. Short profiles provide an overview of the author's life and summarize his or her writing accomplishments. Many are accompanied by black-and-white photos of the author. The biographies are followed by a complete list of the author's published works. Where can you find information about popular, contemporary African American authors? Web sites can be difficult to locate and unreliable, particularly for some of the newer authors, and their contents are inconsistent and often inaccurate. Although there are a number of reference works on African American writers, the emphasis tends to be on historical and literary authors. Here's a single volume containing 100 profiles of your favorite contemporary African American writers, along with lists of their works. Short profiles provide an overview of the author's life and summarize his or her writing accomplishments. Many are accompanied by black-and-white photos of the author. The biographies are followed by a complete list of the author's published works. Focusing on writers who have made their mark in the past 25 years, this guide covers African American writers of popular and genre literature—from Rochelle Alers, Octavia Butler, and Samuel Delaney to Walter Mosley, Omar Tyree, and Zane. A few classic literary giants who are popular with today's readers are also included—e.g., Maya Angelou, Toni Morrison, and Richard Wright. Readers who want to know more

about their favorite African American authors or find other books written by those authors, students researching AA authors for reports and papers, and educators seeking background information for classes in African American literature will find this guide invaluable. (High school and up.)

Encyclopedia of Hip Hop Literature Tarshia L. Stanley, 2008-12-30 Hip Hop literature, also known as urban fiction or street lit, is a type of writing evocative of the harsh realities of life in the inner city. Beginning with seminal works by such writers as Donald Goines and Iceberg Slim and culminating in contemporary fiction, autobiography, and poetry, Hip Hop literature is exerting the same kind of influence as Hip Hop music, fashion, and culture. Through more than 180 alphabetically arranged entries, this encyclopedia surveys the world of Hip Hop literature and places it in its social and cultural contexts. Entries cite works for further reading, and a bibliography concludes the volume. Coverage includes authors, genres, and works, as well as on the musical artists, fashion designers, directors, and other figures who make up the context of Hip Hop literature. Entries cite works for further reading, and the encyclopedia concludes with a selected, general bibliography. Students in literature classes will value this guide to an increasingly popular body of literature, while students in social studies classes will welcome its illumination of American cultural diversity.

My Life Sharonda Fisher, 2021-06-10 Sasha has suffered and overcame trauma in many ways. Her near-death experience is where she felt at peace and safe. As far as what happened once her heart stopped, she has no recollection of that. Nothing could have prepared her for motherhood. Once she realized she was responsible for another human being, she became motivated. She sees it as inspiring, purpose-giving, and exhausting. It motivated her to become a better person so her children would have all they need. She worked ten times harder to get where she wanted to be. Her and her husband celebrated their unity in public proclaiming they are meant to be until death. Couples vow to become friends, partners, and lovers. Lies, deceit, infidelity, and division were not in her plan. Her husband's inappropriate advances and molestation charges had repercussions. She was left aiding the trauma he had caused. She taught her children how to be strong, move on, learn, and use their feelings about this traumatic experience to drive them in a better direction. Her resilience and determination to keep going comes from self-belief. "God is faithful and honor the faith of his chosen."
