

Celebs Who Have Herpes

Anthony Haden-Guest

Dr. Ruth's Guide to Talking about Herpes Ruth Karola Westheimer, Pierre A. Lehu, 2004 In 1980, when Dr. Ruth's New York radio show debuted, herpes has just hit the headlines. When the show went live a year later, many of the questions people asked her were about this surging sexually transmitted disease. A short while later, AIDS was making headlines and herpes was relegated to the media back burner. But while there's no denying that AIDS is a much more serious STD, herpes has done its share of damage and today it is estimated that nearly 60 million Americans are infected with this disease. What's more, there are over one million newly diagnosed cases of herpes each year. This book is not only for people who have just discovered they have herpes, but also for the millions of Americans who are living with herpes and want a game plan for talking about their disease with fellow herpes sufferers, loved ones, and potential lovers. Structured throughout the book, in addition to Dr. Ruth's no-nonsense advice, are quotes from people who are living with herpes that Dr. Ruth interviewed at length for this book. Each chapter concludes with a list of helpful pointers or highlights summarizing the main points discussed within that chapter. Dr. Ruth deals with the basics of herpes first - what it is, what kinds of herpes there are (HSV-1, which is responsible for cold sores, and HSV-2 which is responsible for genital herpes), how herpes can be transmitted, and walks you through the stages of infection (initial outbreak, latency period, and subsequent outbreaks). What makes herpes so transmittable is that 90% who are carrying the virus aren't even aware they are carrying it. Finally, Dr. Ruth explains how to prevent herpes transmission and the various kinds of herpes therapy available. Subsequent chapters offer helpful pointers on how to come to grips with herpes emotionally, and how to learn to take charge of your treatment, which can be difficult when faced with apathetic or misinformed doctors and a wealth of bogus or misleading information that people believe about herpes and herpes transmission. The centerpiece chapter of the book is The Talk in which Dr. Ruth walks you through the various hypothetical situations you are likely to encounter when you tell someone you have herpes (sympathy, confusion, anger, denial) and how to deal with each emotion by giving whomever you're talking to the appropriate kind of information they will need to deal with the news (herpes is contagious and incurable but not life threatening, condoms reduce but do not entirely eliminate the risk of transmission, etc.). Peppered throughout this chapter (as they are throughout the book) are quotes from people that Dr. Ruth interviewed for this book that have herpes and in this instance have actually had the talk themselves. These quotes offer a running commentary throughout the book that allow

readers to balance the advice Dr. Ruth offers vs. how the situation actually plays out in real life (sometimes Dr. Ruth's advice plays out exactly as she predicts, but in some cases, her advice doesn't offer much help or solace, or actually improve the situation, and she is quick to point these inconsistencies out). Because this is a Dr. Ruth book, it wouldn't be complete without information on how to maintain a normal and active sex life while living with herpes. With today's suppressive therapies and medication, one can substantially reduce the chance of transmitting herpes to another person. Support groups also offer the opportunity to meet fellow people with herpes as well as offering a safe environment with which to meet new people to date. In addition to offering specific advice on how to deal with herpes when talking within specific groups and in specific situations (how to talk to your children about herpes, and how to talk about the disease if you're a senior, or gay), Dr. Ruth concludes the book with a lengthy chapter on additional STDs and explains how each one is caused or transmitted, and what you can do to protect yourself against each disease. Two helpful appendixes can be found at the back of the book, listing where to find a support group near you, as well as listing websites that offer supplemental information to what's listed in the book.

Vanessa Bares All Vanessa Feltz, 2024-10-24 The heartfelt, witty and inspiring first and only autobiography from one of Britain's most beloved celebrities. 'Raw and revelatory' Sunday Times 'Showbiz memoir of the year' Daily Express 'A rip roaring and honest story that pulls absolutely no punches' Best 'A treasure trove of gems which even Elton John would be jealous of.' Daily Mirror You think you already know all there is to know about Vanessa? You don't know the half of it. Brace yourself for the achingly funny, deeply moving untold story: the behind-the-scenes lowdown on the parents who planned her wedding before she could walk, how she became the nation's second-most-famous fat person, life as the British Oprah, feuding with Madonna and Miss Piggy aboard the Big Breakfast bed, an excruciatingly public divorce, gruesome gastric band surgery, a sixteen-year skirmish with an ageing boybander and finding herself shockingly single at sixty-one. She's spent thirty-five years in the public eye and now, for the first time, Vanessa seizes her chance to set the record straight in this warm, witty, intensely human story. She spares no one's blushes, including her own. How could someone so clever make such cataclysmic mistakes? Vanessa's often wrong, but always relatable. She puts the 'Oh my goodness, I can never unread that paragraph!' into celebrity autobiography.

Medicine Balls Phil Hammond, 2008-09-15 This is the popular best-seller in a revised and updated new edition. The world is full of TV doctors, but only Dr Phil has appeared on Have I Got News For You seven times and Countdown nineteen times, a true mark of greatness (whatever Lord Winston says). He is also Private Eye's medical correspondent and possibly the only comic to have appeared at a Public Inquiry. Dr Phil (46, Capricorn) has worked in the NHS for twenty years but only used it twice. He takes no drugs (apart from Australian Shiraz) and has never knowingly been Rolfed. So how does he remain so healthy? And what sort of Doctor is he? Here, at last, are transcripts of his most life-enhancing consultations and comedy,

including 89 Minutes to Save the NHS.

Tales from the Left Coast James Hirsen, NewsMax, 2007-12-18 When Barbra Streisand sends Dick Gephardt a personal fax, it makes headline news. When international relations expert Sean Penn leads his own tour of peace in Baghdad, every news desk across the country reports it. It's no secret that Hollywood has a leftward tilt when it comes to politics. But what the celebrity-fawning media fail to show is how Hollywood's liberal bias affects actors, movies, and even public policy. In *Tales from the Left Coast*, author and political commentator James Hirsen digs deep into the liberal underbelly of Hollywood to reveal how biased politics have corrupted the entire entertainment industry. Through extensive research and scores of interviews, Hirsen uncovers some of the most ridiculous, infuriating, and damning political stunts pulled by celebrities of yesterday and today, and he traces the tangled web of influence the Hollywood elite have over politicians in Washington, D.C.

Direct Your Own Damn Movie! Lloyd Kaufman, Sara Antill, Kurly Tlapoyawa, 2013-04-26 Film is a visual medium, the work of Eric Rohmer and Kevin Smith notwithstanding. It is important for a director and cinematographer to use their VISUAL EYES in order to VISUALIZE how to make their movie most effective. Also, there is the messy business of actors. Generally, movies have them, and directors have to deal with them. This guide will illuminate these two main jobs of the director: directing the camera and directing the actor, while showing how these two jobs manifest themselves during practical filmmaking -- whether it be, 'Which shots can I lose and still tell my story since we're running out of time', or 'How do I get two actors who hate each other to perform a passionate sex scene', all will be revealed.

Mademoiselle, 1994

Out, 2006-07 *Out* is a fashion, style, celebrity and opinion magazine for the modern gay man.

Exes and Ohs Shallon Lester, 2011-06-07 Think you've have some outrageous dating horror stories? You don't have anything on Shallon Lester. Spunky Shallon Lester has accumulated more than her fair share of embarrassing stories. In this collection of hilarious essays, she chronicles her dorky, daring, and awkward journey from waitress at the ninth circle of hell known as Houston's Time Square restaurant, to columnist at one of New York's leading gossip magazines, to MTV reality star, gleefully weaving in stories of all boys she's loved, lost, and avenged along the way. Complete with cringe-worthy tales of: -The time a new boyfriend found the stockpile of Magnum condoms hidden under her bed -Getting caught stealing (borrowing?) bacon from her local supermarket -Unwittingly getting romantically involved with the leader of a mafia ring - Being dumped on Valentines Day (for the second year in a row), just minutes before being forced to attend El Concierto Del Amor con Marc Anthony y Jennifer Lopez. Alone. Did I mention on Valentine's day? -An unfortunate sholess, sweaty, shoe-less run in with Ed Westwick and Chace Crawford on an East Village Street Corner With a fresh and irresistible voice that makes you want to sit down and rehash last night's misadventures over martinis, Lester speaks volumes to anyone who's even been young, ambitious, and a little bit slutty.

The Joy of Essex Pete May, 2012-10-15 Liberty ... Equality ... Tiptree jam!' In 1990 Essex Man swaggered onto the scene in his shiny suit, driving a flash car and with his white-stiletto-wearing missus on his arm. It was a step up from sovereign rings and done-up Ford Cortinas, but brash, vulgar and 'breathtakingly right-wing' Mr and Mrs Essex were still the target for pity, condemnation and nationwide mockery. Twenty-odd years on something strange has happened. From Russell Brand and Jamie Oliver to Phill Jupitus and Ray Winstone, via the runaway success of TV shows like *The Only Way is Essex* and Gavin and Stacey, Essex is now the most iconic county in the UK and the essence of Essex is everywhere. But there's more to the county than stereotypes, as Brentwood-reared Pete May discovers when he takes an eye-opening journey through the Essex tundra. Along the way, May finds bluebells in Billericay, sculpture in Harlow, Hollywood-style signs on the A127, below-sea-level life in Canvey Island and endless chip shops, and asks the vital question: is the only way Essex or is there maybe another one?

Dark Horse Tami Hoag, 2002-08-27 In her latest thriller, New York Times bestselling author Tami Hoag takes readers on a suspense-filled ride of shocks and twists leading to an explosive finish. It is the story of an ex-cop, a missing girl, and a killer locked in a race where there can be only one winner--and the losers die trying. In a trailer in a Florida swamp, time is running out for eighteen year-old Erin Seabright. A pawn in a kidnapper's terrifying game for a ransom no one can pay, her last hope is a washed-up ex-cop who has already lost it all--not once, but twice. The wealthy world of the Palm Beach horse set seems a long way from a cop's world in the narcotics division. A lifetime ago, undercover sheriff's detective Elena Estes worked the mean streets and BackTop alleys, living by her wits and playing the long odds until she took one risk too many. Now Estes lives on the ragged edge of lost hope and self-hatred, hiding from the past and believing she doesn't deserve to have a future. But the past is about to come back with a vengeance, and the future is about to become a race between life and death. A young woman is missing and her twelve year-old stepsister comes to Estes for help. No one but serious, studious Molly Seabright seems concerned about what's happened to her troubled older sister. But Molly is convinced Erin is in danger. Estes has no P.I. license, no interest in a new career, and no desire to break her self-imposed exile. But the more she learns about the people Erin Seabright was involved with, the more her long-dormant cop instincts come back to life. One trip to the show grounds where Erin worked as a groom, and Estes is quickly pulled to the dark side of a glamorous sport. Behind the glittering, ultra-rich facade is an ultra-ruthless world of drugs, payoffs, and dirty deals. A world of dissolute playboys and crooked horse-dealers, of royalty and rabble, of rivals and enemies. An obscenely wealthy world where anything can be had for a price--including a life. And in that world stalks a killer who will lead Estes down a dark, twisted trail of decadence and deceit, mayhem and murder--from the gilded life of Palm Beach to the darkest corners of the Florida swamps, to a final show-down that could cost her everything. A race against time and evil. A race in which Estes is the dark horse--and no one is betting on her to win.

Weekly World News ,2005-02-07 Rooted in the creative success of over 30 years of supermarket tabloid publishing, the Weekly World News has been the world's only reliable news source since 1979. The online hub www.weeklyworldnews.com is a leading entertainment news site.

Glamour ,2007

New York Magazine ,1994-04-18 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Does This Book Make My Butt Look Big? Carson Kressley,Riann Smith,2016-10-11 *Does This Book Make My Butt Look Big?* is a roadmap for the American everywoman to build unshakable body confidence. Nowhere else is there a fun and accessible book created for the underserved masses of American women who just want to get out the door looking and feeling fabulous. These women need to be reminded that fashion is FUN. They need to know that with the right tools, they have the power to transform their self-perception by shifting their mindset from woe-is-me to wow-is-me. They need the secrets of playing to their strengths and minimizing their flaws. They need to take more chances with pattern and color, and leave what doesn't work in the dust. Most of all, they need Carson, their peppy, blond fairy godstylist, to show them the way!, --Baker & Taylor.

The Last Party Anthony Haden-Guest,2015-02-17 A riveting memoir of disco-era nightlife and the outrageous goings-on behind the doors of New York City's most famous and exclusive nightclub In the disco days and nights of New York City in the 1970s and 1980s, the place to be was Studio 54. Andy Warhol, Liza Minnelli, and Bianca Jagger were among the nightly assortment of A-list celebrity regulars consorting with New York's young, wild, and beautiful. Studio 54 was a place where almost nothing was taboo, from nonstop dancing and drinking beneath the coke-dusted neon moon to drugs and sex in the infamous unisex restrooms to the outrageous money-skimming activities taking place in the office of the studio's flamboyant co-owner Steve Rubell. Author Anthony Haden-Guest was there on opening night in 1977 and over the next decade spent many late nights and early mornings basking in the strobe-lit wonder. But *The Last Party* is much more than a fascinating account of the scandals, celebrities, crimes, and extreme excesses encouraged within the notorious Manhattan nightspot. Haden-Guest brings an entire era of big-city glitz and unapologetic hedonism to breathtaking life, recalling a vibrant New York night world at once exhilarating and dangerous before the terrible, sobering dawn of the age of AIDS.

The Sound of Us Ashley Poston,2013-12-19 This romance from the author of *Geekerella* and *Heart of Iron* is the hilarious and heartwarming story of a classic-rock girl and a pop-star boy . . . America's favorite pop band, Roman Holiday, is

done, dead, and so totally last year. For eighteen-year-old rockoholic Junie Baltimore, this is music to her ears. But when she discovers their sexy ex-lead singer hiding out on the boardwalk, her summer vacation becomes the cover story of the year. She's willing to keep him a secret, but when a sleazy paparazzo offers her the cash she needs to save the bar her father left behind, could she sell out for the chance to save her future? Who is she kidding? That's a no-brainer...but she never planned on falling head over heels for the lead singer.

Please Send Help Gaby Dunn, Allison Raskin, 2019-07-16 “An excellent look at the emotional aspects of maintaining a friendship, a job, and a life, with a side of humor” by the authors of *I Hate Everyone But You* (Library Journal). “20 Best LGBTQ Books of 2019,” Harper’s Bazaar Ava and Gen are best friends. Ava knows what she wants and has plans to achieve her goals. Gen . . . not so much. But no matter how annoying, dramatic, or utterly bananas a 2 a.m. rant might get—Ava has always been there for Gen and Gen for Ava. But then they graduated high school. Now, they’re in the same time zone (although over a thousand miles apart), and in the real world, and it’s the worst, but they still have each other’s support. For relationships. Questionable roommates. Internships. And whether or not it’s a good idea to take in a feral cat. Through their hilarious, sometimes emotional, conversations, Ava and Gen help each other navigate. But as the two of them start to change, will their friendship survive the distance? In *Please Send Help*, the hilarious new novel from the New York Times–bestselling authors of *I Hate Everyone But You*, Allison Raskin and Gaby Dunn perfectly capture the voice of young adults looking to find their place in the world, proving no matter how desperate things seem, your best friend is always there to reboot your life and send help. “Ava and Gen’s supportive, unconditional friendship is the star of this series” —Booklist “Another rollicking story featuring boisterous best friends Ava and Gen.” —AudioFile

Celebs Who Have Herpes Introduction

In the digital age, access to information has become easier than ever before. The ability to download Celebs Who Have Herpes has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Celebs Who Have Herpes has opened up a world of possibilities. Downloading Celebs Who Have Herpes provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Celebs Who Have Herpes has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Celebs Who Have Herpes. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites,

granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Celebs Who Have Herpes. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Celebs Who Have Herpes, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Celebs Who Have Herpes has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Celebs Who Have Herpes Books

1. Where can I buy Celebs Who Have Herpes books?
Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available?
Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Celebs Who Have Herpes book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
