Miami Herald reporter John Harper is about to go on assignment when he received word that his father has been shot—the father who disappeared when John was two years old. Returning home to New York brings memories of childhood, many of them painful, yet nothing could prepare John for the truth. Confronted with his father's notorious identity, John finds himself seduced by an underworld lifestyle of power, treachery, and menace. As he desperately tries to uncover the facts of his own past, he is faced with one lie after another. And with each new discovery he becomes more and more entangled in a dark and shocking conspiracy.

City of Lies Ramita Navai,2014-09-02 Rich, absorbing, and exotic—City of Lies travels up and down Vali Asr Street,

Tehran's pulsing thoroughfare, from the lavish shopping malls of Tajrish through the smog that lingers over the alleyways and bazaars of the city's southern districts. Ramita Navai gives voice to ordinary Iranians forced to live extraordinary lives: the porn star, the aging socialite, the assassin and enemy of the state who ends up working for the Republic, the dutiful housewife who files for divorce, and the old-time thug running a gambling den. In today's Tehran, intrigues abound and survival depends on an intricate network of falsehoods: mullahs visit prostitutes, local mosques train barely pubescent boys in crowd control tactics, and cosmetic surgeons promise to restore girls' virginity. Navai paints an intimate portrait of those discreet recesses in a city where the difference between modesty and profanity, loyalty and betrayal, honor and disgrace is often no more than the believability of a lie.

City of Lies Alafair Burke, 2010 When New York University student Megan Gunther is murdered in a vicious attack after receiving threats posted on a campus website, NYPD Detective Ellie Hatcher is convinced there is a link. With straight-talking partner J. J. Rogan at her side, Ellie tries to identify Megan's enemies, but she begins to wonder if the girl's murder was more than just the culmination of a cyber obsession.

The Book of the City of Ladies and Other Writings Christine De Pizan, 2018-09-15 Fresh, accurate, and engaging, this new translation of the Book of the City of Ladies helps us to understand what made Christine de Pizan so popular with her fifteenth-century contemporaries. The editors provide a rich historical and philosophical context that will be very useful to both students and scholars of the history of political ideas. The translations themselves gracefully navigate the fine line between accuracy and readability with considerable charm. Rounding out this portrait of the turmoil of fifteenth-century France, the volume is enriched by excerpts from other works, Christine's Vision, the Book of the Body Politic, and the Lamentation on France's Ills. —Kate Forhan, Emeritus, Siena College CONTENTS: Introduction A Note on Translating the Book of the City of Ladies Christine de Pizan: Her works, Her Times Suggestions for Further Reading From Christine's Vision (1405) The Book of the City of Ladies (1404-1405) From The Book of the Body Politic (1404-1407) From Lamentation on France's Ills (1410) Index

City of Betrayal Victoria Thompson, 2023-12-05 Elizabeth Bates's latest con just might change the course of history in an all-new Counterfeit Lady Novel from USA Today bestselling author Victoria Thompson. A year has passed since Elizabeth Bates ran her last con. Life has been simpler, although not nearly as exciting, but she has thrown herself into working to get the 19th Amendment ratified by thirty-six states to become the law of the land. Since every other Southern state has already rejected the amendment, it seems unlikely Tennessee will be an exception . . . but it's their only hope, so the suffragists descend on Tennessee for the final battle. Elizabeth's ability to interact with difficult men and to persuasively explain all the advantages of allowing women to vote—all skills she perfected as a grifter—have made her a valuable member of the team.

But she would never have expected the lengths to which some would go to keep the vote out of women's hands. She'll need to devise the perfect con or the suffragists' life's work could all be for nothing.

City of Whispers Katt Powers ,2021-02-27 A Middle Eastern-inspired assassin fantasy where muskets and magic collide. Dhani Karim was once the Empire's most feared assassin. When she discovers a ruthless cult has plans to seize the city, she must race against time to stop a conspiracy that will consume thousands of innocent lives. With enemies everywhere, she'll need all her assassin's skills. If she survives, someone is going to pay for starting this bloodshed. And then there are those who betrayed her...

The Book of the City of Ladies Christine Pizan,1999-06-09 Christine de Pizan (c.1364-1430) was France's first professional woman of letters. Her pioneering Book of the City of Ladies begins when, feeling frustrated and miserable after reading a male writer's tirade against women, Christine has a dreamlike vision where three virtues - Reason, Rectitude and Justice - appear to correct this view. They instruct her to build an allegorical city in which womankind can be defended against slander, its walls and towers constructed from examples of female achievement both from her own day and the past: ranging from warriors, inventors and scholars to prophetesses, artists and saints. Christine de Pizan's spirited defence of her sex was unique for its direct confrontation of the misogyny of her day, and offers a telling insight into the position of women in medieval culture. THE CITY OF LADIES provides positive images of women, ranging from warriors and inventors, scholars to prophetesses, and artists to saints. The book also offers a fascinating insight into the debates and controversies about the position of women in medieval culture.
