Frommer's? Central America Eliot Greenspan,Nicholas Gill,Charlie O'Malley,Patrick Gilsenan,Jisel Perilla,2009-04-20

Frommer's Central America is the premier guide to the region, with complete coverage of Belize, Guatemala, Honduras, El Salvador, Nicaragua, Costa Rica, and Panama. Whether you're an archaeology buff, an outdoor adventurer, or a partier in search of a good time, Central America presents so many diverse travel options that it'll make your head spin. Frommer's Central America will help you plan a memorable trip, starting with our highly opinionated lists of the best experiences the region has to offer. Our authors have lived in and written about Central America for years, so they're able to provide valuable insights and advice. They'll steer you away from the touristy and the inauthentic, and show you the real heart of this region. Let them take you to exciting cities, charming colonial towns, lovely beach resorts, ancient ruins, traditional Maya villages, and natural wonders, with advice on everything from hiking Costa Rica's cloudforests, to touring Nicaragua's volcanoes, to snorkeling Belize's Barrier Reef. You'll travel Central America like a pro with our candid advice and handy Spanish-language glossary. Also included are accurate regional and town maps (including site plans of the major ruins), up-to-date advice on finding the best package deals, and extensive info on sustainable travel.

Joaquin Sorolla Blanca Pons-Sorolla,2005-12-21 Joaquin Sorolla (1863-1923) was one of the greatest natural painters of all time. Born in Valencia, this Spanish painter was active mainly in his native town and in Madrid. He was a prolific and popular artist, working on a wide range of subjects - genre, portraits and landscapes - and his bravura style marked by luminous coloring and vigorous brushwork earned him a considerable reputation throughout Europe and America. He was also a highly sought after portraitist. Early in the career Sorolla mainly portrayed history and social scenes before developing his own plein-air painting from the 1900s onwards, painting townscapes, garden scenes, nature studies, seascapes and beach scenes with an extraordinary ability of capturing light. From 1901 to 1905 he created 500 works adhering to his ideal of 'natural painting'. From these paintings came the body of work shown in a series of shows in Paris, Berlin, London, New York, Saint Louis and Chicago. Sorolla was then commissioned to create a multi-panelled work entitled Visions of Spain for the Hispanic Society in New York. He laboured on this from 1912-19 after which time he painted very little. He died in 1923.

This new, extensively illustrated monograph, written by the artist's great granddaughter, provides a comprehensive overview of his work including a fully illustrated chronology.--BOOK JACKET.

Entre ciudades Teresa-M. Sala,Fernando Martínez Nespral,2020 El paisaje urbano es una realidad compleja, integrada por componentes culturales y naturales, tangibles e intangibles, cuya imbricación configura un territorio y unas representaciones. En este sentido, las ciudades de Barcelona, Buenos Aires y Puebla brindan una imagen lo suficientemente rica y variada para relacionar múltiples factores de transferencia entre sí. A propósito de las grandes exposiciones de arte celebradas entre los siglos XIX y XX en las tres urbes, los autores de Entre ciudades se centran en panoramas, escenas e identidades como la arquitectura de grandes almacenes, galerías comerciales y fachadas; la escultura en espacios públicos, tarjetas y prensa, o el intercambio de artistas. Con su mirada transcultural, descubren la intensidad de la circulación de ideas, personas, mercancías y prácticas durante un periodo de una gran efervescencia artística.

Investigación y mediación en patrimonio cultural museos, entornos y paisajes sensoriales Manuel Pérez Valero,Dolores Álvares Rodríguez,Olaia Fontal Merillas,2023-10-13

La construcción del sujeto robado Juan Antonio Roche Cárcel,2023-06-13 La reivindicación de las artistas, que va ganando peso a lo largo del siglo XX, especialmente desde su segunda mitad, es el resultado, lógicamente, de la incorporación masiva de la mujer al mundo laboral y, en particular, al campo artístico, y de los procesos de cambios estructurales socioculturales experimentados desde la Revolución Industrial. Así, a partir de la década de los 70 del siglo XX, las mujeres adoptan una postura consciente tanto en la producción artística como en el campo teórico, y en la base se hallan dos procesos intelectuales paralelos: la expansión del movimiento feminista y el deseo de expresar una nueva manera de ver. Sin embargo, a partir de ahora, de lo que se trata es de liberar el cuerpo de la mujer y de transformarlo de objeto de deseo y/o temor en sujeto de goce y dolor, sintiente y pensante. Por consiguiente, se trata también de diferenciar entre la mujer como sujeto del acto artístico (como artista) y como objeto de representación. En el caso de España y de la Comunitat Valenciana, en general, y de Alicante, en particular, y por lo que se refiere al arte producido por mujeres desde 1950, este libro considera que las principales transformaciones por las que han pasado y que constituyen su raíz principal son (1.º) la

ruptura con el formalismo; (2.º) la modernización artística y la incorporación al informalismo; (3.º) la incursión en nuevos materiales y soportes; (4.º) la consideración del cuerpo gozoso y sufriente, y (5.º) el multiculturalismo y la globalización. Estos cinco procesos de cambio caracterizan a las artistas de estas tierras valencianas de la segunda mitad del siglo XX y de principios del XXI, pero, a la luz de las investigaciones de historiadores y críticos de arte que se recogen en este libro y de las 24 mujeres seleccionadas, el editor lo ha concretado y agrupado en cuatro apartados: «La interiorización: autonomía y fusión, hibridación y armonía», «El ser humano problemático. Los cuerpos y las emociones como intermediarias», «La naturaleza: fusión y protección» e «Hilos, tramas y urdimientos que cosen y construyen la vida y el mundo».

ESENCIAL, Narciso Casas - Muestra sus obras y secretos en las artes plásticas (Edición Color) Narciso Casas, Narciso Casas Callado, 2011-07-25 Este libro es un manual completo y como tal tiene carácter divulgativo y de síntesis. Está dirigido especialmente para estudiantes, académicos, aficionados, y amantes del arte por igual. En él se podrá acceder a toda su información relevante sobre el arte y técnicas diversas con actividades que pongan a prueba los conocimientos sobre cualquier aspecto que resulte interesante, desde el origen primitivo de la humanidad hasta los movimientos renovadores más importantes. El texto e ilustraciones proporcionan al lector la información necesaria para comprender y diferenciar los estilos, las obras o los artistas para percibir la belleza, del lenguaje artístico. El contenido de ésta obra es de explicar todo lo relacionado con las artes plásticas y lo he plasmado en diversas secciones: Historia del Arte, Historia de la pintura, Dibujo, Pintura, Restauración y conservación en obras de arte, Escultura, Arquitectura y Museos de España.

Hombres y mujeres en Andalucía Elena Sacchetti, 2011 Desde la perspectiva de la antropología social, y mediante el estudio de la obra de una selección de artistas actuales, la publicación analiza las imágenes del hombre y la mujer generadas en Andalucía durante las tres últimas décadas a través de la pintura, el vídeo y el arte de acción. Partiendo de una retrospectiva del arte plástico y visual andaluz desde el inicio del siglo XX hasta los años ochenta, este trabajo estimula la reflexión sobre qué expresiones de la masculinidad o la feminidad se transmiten actualmente a través del arte.
