The Asylum Confessions Jack Steen, 2023-05-19 They arrive alive. They always leave dead. But first, they give me their confessions. My name is Jack Steen, and for those who arrive on my 'death' ward at the Asylum, I'm the last face many will see before they die. I am the night nurse at an Asylum for the Criminally Insane, and most of my patients know me as their Angel of Death. I know them as mass murderers, rapists, and serial killers - among other things. Here's what happens: they come on my floor, they give me their deathbed confession, and I help to make their death less painful. There's a catch, though: I want the real story, the one they haven't told anyone else. The majority of these killers are expert manipulators. They could be playing their final game with me by messing with my head. Now, maybe they're messing with yours too. Inside this book are 5 confessions: One thought she gave birth to the antichrist. One has the nickname of The Candyman - any guesses why? One grew up in a cult and believes he's the first of a 'pure' race. Another was part of a secret test by the government, and I've been waiting on his confession for a while! Then there's this kid who loved Halloween and believed in all the rules. I sure hope you didn't break any... WARNING: There is swearing in this book. And some stories might be a

trigger for something you have a hard time handling. But, these are the confessions of serial killers, mass murderers, and such, so what do you expect?

**Thinking Through the Arts** Wendy Schiller,2004-06-01 Thinking Through the Arts draws together a number of different approaches to teaching young children that combine the experience of thinking with the act of expression through art. Developed as an inclusive, broad-ranging and user-friendly text, Thinking Through the Arts presents the unique insight of teachers as researchers, and counters the view that art is emotionally-based and therefore irrelevant to thinking and learning. The areas covered include drama, dance, music, arts environments, technologies, museums and galleries, literacy, cognition, international influences, curriculum development, research and practice. Early childhood and primary teachers and students alike will find this book is an invaluable source of new insights for their own teaching.

**Wild Goose Big Book of Worship Resources** Iona Community,2017-03-31 A wide-ranging collection of resources for Advent, Christmas, Lent, Easter, Pentecost, Transfiguration, Harvest, Holocaust Memorial Day, Mothering Sunday, and other special days, and on areas of concern, like refugees and peacemaking. Worship rooted in city and country, in work and in schools, in peacemaking and the eradication of poverty, in churches and the Iona Community resident group ... So - as always with the Iona Community - worship which is contextual, prophetic, with a strong justice and peace edge. Originally published as single digital downloads by Wild Goose, these are now all brought together for the first time in the second of at least two Big Books of resources and liturgies.

The New Big Book of Christian Mysticism Carl McColman,2023-08-29 This revised and expanded edition offers a big possibility: the hope of achieving real, experiential union with God. The Christian of the future will be a mystic—or will not exist. This word of warning from theologian Karl Rahner was uttered half a century ago, and today, Christianity is indeed in crisis. Is mysticism necessary for the survival of Christianity? What exactly is Christian mysticism? How can it be relevant in our crisis-ridden world? Questions like these inspire The New Big Book of Christian Mysticism, a newly updated edition from beloved spiritual teacher and bestselling author Carl McColman. The New Big Book of Christian Mysticism serves as both introduction and practical instruction for a living contemplative practice today. In addition to the overview of mysticism, spiritual and prayer practices in mysticism, the various types of mysticism in Christian tradition, and influential mystics through the millennia, this second edition offers an embodied understanding of the mystic life with a more diverse range of voices and perspectives, from Howard Thurman to Pauli Murray. It also includes new chapters and themes that address

embodied mysticism, contemplation and social justice, and the ongoing relevance of Jesus's message of radical equality and inclusivity. This bigger book introduces both Christians and non-Christians to the contemplative tradition within Christianity, a tradition that has often been marginalized or cloistered (to the church's detriment). As a practice-oriented book, this is an invitation to embrace the mystical element within Christianity—a practice that can equip faithful persons with a joyful sense of divine intimacy, not just for personal benefit but as a foundation to a life of service and activism in the interest of justice. McColman's overview of mysticism shows how it has been practiced and lived through the centuries and will prove inspirational for today's seekers, regardless of their faith tradition. At its heart, Christian mysticism is an ancient practice that incorporates meditation, contemplation, worship, philosophy, the quest for enlightenment, the thirst for a better world, and the experience of divine presence.

**Love Letters to My Baby** Vickey Banks, 2000 This journal guides mothers in writing down their thoughts about how their unborn and newborn children are wanted, dreamed about, and loved unconditionally. Written in a way to be passed on to children, each chapter begins with a Scripture verse, thoughts on the stages of pregnancy, and questions to help inspire the writing process.
