Resurrection Julie Plec, 2015-06-30 Family is power. The Original Vampire family swore it to each other a thousand years ago. They pledged to remain together always and forever. But even when you're immortal, promises are hard to keep. Klaus, Elijah and Rebekah Mikaelson had won it all, only to lose it again by 1788. Control of New Orleans is split between the vampires and the werewolves, much to Klaus's displeasure. In a dangerous attempt to reclaim his home, Klaus decides to build a vampire army to take out the werewolves once and for all. If he can't have love, then he'll settle for power. Elijah lets his brother take the reins as he turns his attentions to a beautiful and mysterious woman. But Rebekah has had enough of her brothers' love of bloodshed and begins a journey to find her first home and the key to her family's immortality. As the battle rages on, the siblings must come together and fight for what they believe in most: family.

The Original Ending of Mark Nicholas P Lunn, 2015-04-30 Although traditionally accepted by the church down through the centuries, the longer ending of Mark's Gospel (16:9-20) has been relegated by modern scholarship to the status of a later appendage. The arguments for such a view are chiefly based upon the witness of the two earliest complete manuscripts of Mark, and upon matters of language and style. This work shows that these primary grounds of argumentation are inadequate. It is demonstrated that the church fathers knew the Markan ending from the very earliest days, well over two centuries before the earliest extant manuscripts. The quantity of unique terms in the ending is also seen to fall within the parameters exhibited by undisputed Markan passages. Strong indications of Markan authorship are found in the presence of specific linguistic constructions, a range of literary devices, and the continuation of various themes prominent within the body of the Gospel. Furthermore, the writings of Luke show that the Gospel of Mark known to this author contained the ending. Rather than being a later addition, the evidence is interpreted in terms of a textual omission occurring at a later stage in transmission, probably in Egypt during the second century.

The Resurrection Julie Plec, 2015-07-02 As the oldest vampires in the world, Klaus, Elijah and Rebekah Mikaelson are less

than thrilled that they must share New Orleans with the werewolves. Klaus decides to build an army to take them out once and for all. He's turning vampires left and right, with Rebekah by his side. The new vampires are killing any werewolf they can get their hands on, but as Klaus's army becomes more powerful, he becomes increasingly blind to the dangers that threaten Elijah and Rebekah. An epic choice faces the Mikaelsons, as one of them could be taken from the earth forever ...

Rediscovering the King Jesus Gospel: Revisiting the Original Message of the Good News Ariel Hartman, What if the Gospel we've come to know has been veiled by tradition and obscured by time? What if the message Jesus preached, the heart of His ministry, holds a power and a promise we've only glimpsed? This book invites you on a journey of rediscovery, peeling back layers of religious interpretation to reveal the raw, radical, and refreshingly simple message of the King Jesus Gospel. Prepare to encounter familiar stories with new eyes as you uncover the cultural and historical context in which Jesus lived and taught. Through insightful analysis and thought-provoking questions, this book challenges conventional interpretations, inviting you to wrestle with the true meaning of the Kingdom of God and its implications for our lives today. More than just a theological exploration, this book is a call to action. It's an invitation to experience the transformative power of the Gospel message in its purest form - a message not confined to church walls, but one that explodes into every area of life, bringing freedom, purpose, and the radical love of God. Rediscover the revolutionary message of Jesus and experience the Good News in a way you never thought possible.

The Original Aramaic New Testament in Plain English Rev. David Bauscher,2009-12-06 This is a rare New Testament (3rd edition) from the Aramaic language of Jesus and his countrymen of 1st century Israel in a prose English translation . Aramaic was used in Mel Gibson's film *The Passion of the Christ* to make the film as realistic and accurate as possible. This New Testament will surprise and thrill the reader with its power and inspiration coming from the words of Eeshu (Pronunciation of 'Jesus' in ancient Aramaic) as He originally spoke them, in a literal yet idiomatic English rendering. Much evidence is presented in notes demonstrating very powerfully that The Peshitta Aramaic NT is the original behind The Greek NT. There are many graphics and even photos from Dead Sea Scrolls to illustrate an Aramaic verse and how a reading was interpreted by a Greek translating the text, making this a unique scholarly study Bible in elegant Lucida Calligraphy font.539 pages 6x9 Black & White;hardbound.

The Original Gospel of Thomas in Translation April D. DeConick,2007-09-01 An enigmatic collection of 114 sayings of Jesus, the 'Gospel of Thomas' was discovered in the sands of Nag Hammadi, Egypt, in the 1940's. Here, April DeConick provides a new English translation of the entire Gospel of Thomas, which includes the original 'kernel' of the Gospel and all the sayings. Whilst most other translations are of the Coptic text with only occasional reference to the Greek fragment variants, this translation integrates the Greek and offers new solutions to complete the lacunae. A unique feature of this book is that translations to the parallels of the Gospel are also included. Since its discovery, scholars and the public alike have been intrigued to know what the Gospel says and what light it sheds on the formation of early Christianity. In 'Recovering the Original Gospel of Thomas', April DeConick argued that the gospel was a 'rolling corpus,' a book of sayings that grew over time, beginning as a simple written gospel containing oracles of the prophet Jesus. As the community faced various crises and constituency changes, including the delay of the Eschaton and the need to accommodate Gentiles within the group, its traditions were reinterpreted and the sayings in their gospel updated, accommodating the present experiences of the community. This volume was originally published in hardback as volume 287 in the Journal for the Study of the New Testament Supplement series and is part of the Early Christianity in Context subseries.

Dystopian States of America Matthew B. Hill,2022-09-13 Dystopian States of America is a crucial resource that studies the impact of dystopian works on American society-including ways in which they reflect our deep and persistent fears about environmental calamities, authoritarian governments, invasive technologies, and human weakness. Dystopian States of America provides students and researchers with an illuminating resource for understanding the impact and relevance of

dystopian and apocalyptic works in contemporary American culture. Through its wide survey of dystopian works in numerous forms and genres, the book encourages readers to connect with these works of fiction and understand how the catastrophically grim or disquieting worlds they portray offer insights into our own current situation. In addition to providing more than 150 encyclopedia articles on a large and representative sample of dystopian/apocalyptic narratives in fiction, film, television, and video games (including popular works that often escape critical inquiry), *Dystopian States of America* features a suite of critical essays on five themes-war, pandemics, totalitarianism, environmental calamity, and technological overreach-that serve as the foundation for most dystopian worlds of the imagination. These offerings complement one another, enabling readers to explore dystopian conceptions of America and the world from multiple perspectives and vantage points.

The Original Sin and Human Diseases Hanna Rizk Wannas MD FRCS ED FICS, 2014-01-30 This text is unique; it is the first book of its kind that challenges the theory of evolution by the word of God. In the text, it will be proved beyond doubt that the word of God is powerful with a two-edged sword. It divides asunder and exposes the counterfeit and the false. Not only that, but it proves the validity of the arguments by using medical and surgical studies of the patients ailments. The author is a scientist and a surgeon. He studied anatomy and embryology in full details that makes him argue with confidence. The doctrine of creation has a solid foundation which is the true word of God. The author used the results of surgical procedures that are done by spiritual knowledge compared to others done by natural man, whose knowledge is based on the theory of evolution. These have changed the procedures from difficult and complicated, to a single day procedure with financial gains to the patient and to the public. The relation between sin, diseases, and death is studied and proved beyond doubt. The salvation by justification, sanctification, and righteousness is explained and also proved beyond doubt. Man is created and evolved to a higher degree of holiness by the working power of the Holy Spirit, contrary to evolution by genetic mutation and natural selection that might promote the man to a high intellectual standard, but this usually brings low moral value with it, that at the end lead to death from moral decay, alcoholism, and drug addiction. The evolution is produced by knowledge and experience, and it carries with it, away from God, all the destructive elements to humans.
