Part Wild Deb Norton, 2016-09-06 "A must-read for any aspiring or seasoned writer." —Huffington Post We all have the call to create. The question is...why don't we answer it? We all come pre-loaded with a creative spark that drives us to innovate, explore, express, and make our unique contribution to the world. Often, though, that drive doesn't get us very far down the road before it runs right smack into resistance—the mysterious force that thwarts creativity. But resistance needn't be the enemy of writing—or any other creative endeavor. Deb Norton's *Part Wild* provides fun and practical ways to turn resistance into a creative asset. Whether it presents as doubt, perfectionism, or Deb's favorite: a chorus of withering inner critics, the power of resistance can be leveraged to launch the creative process with real momentum. Once we harness resistance, we can let our creative impulses off the leash. Norton has turned a decade of sold-out writing retreats and private coaching into a process for powering up your creative ideas. In *Part Wild*, she shares dozens of illuminating and effective practices and quick-start prompts that are guaranteed to get us out of our heads and onto the page. Just as *The Artist's Way* gave millions of readers permission to explore their creative side, *Part Wild* shows writers of all levels of experience and skill how to harness the electrifying power of resistance and get writing.

Champion's Call A.R. Knight, 2020-06-22 It's not easy for a legend to disappear. Mynx has been trying to fade away for years, but now Aegis is missing, and Mynx must lead the Paragons, or watch the world she built collapse into fiery disaster. The Paragons, with their super-powered abilities, control the world under the Champion's leadership, the original group that Mynx joined to, at first, save the world and then to rule it. Not everyone, though, is happy with the new world order, and the Champions, after decades in the fight, are showing weakness. Mynx has to gather the Champions one last time, get them to

agree on the Paragon's future. Show the world that its keepers are still strong. But Mynx isn't the only one who sees such a gathering as an opportunity, a chance to strike down the world's most powerful heroes in a single shot, and trigger a global revolution. Champion's Call continues The Hero's Code, an action-packed superhero adventure in a near-future world where the haves and have-nots are determined not by bank accounts, but by your genes. Jump into the journey that started with Paragon's Fall. Pick up Champion's Call today, and decide which side you're on.

The Champion's Mind Jim Afremow, 2015-05-12 Even among the most elite performers, certain athletes stand out as a cut above the rest, able to outperform in clutch, game-deciding moments. These athletes prove that raw athletic ability doesn't necessarily translate to a superior on-field experience—its the mental game that matters most. Sports participation—from the recreational to the collegiate Division I level—is at an all-time high. While the caliber of their games may differ, athletes at every level have one thing in common: the desire to excel. In *The Champion's Mind*, sports psychologist Jim Afremow, PhD, offers the same advice he uses with Olympians, Heisman Trophy winners, and professional athletes, including:

- How to get in a zone, thrive on a team, and stay humble
- How to progress within a sport and sustain long-term excellence
- Customizable pre-performance routines to hit full power when the gun goes off or the puck is dropped

With hundreds of useful tips, breakthrough science, and cutting-edge workouts from the world's top trainers, *The Champion's Mind* will help you shape your body to ensure a longer, healthier, happier lifetime.

The Wild Why Laura Munson, 2025-07-30 For fans of Brené Brown's *Daring Greatly*, Glennon Doyle's *Untamed*, and Elizabeth Gilbert's *Big Magic*, this illuminating self-help tool is the perfect book for anyone who yearns to rekindle their own voice. What is wonder? Wonder is curiosity and awe put together. We are born with our wonder intact. Why? What? How? Wow! Look at that rainbow! What makes a rainbow? Wonder is what we need to survive and thrive, not just as individuals but also as a civilization. It's what's lauded and honored by our society in young children. Until it isn't. *The Wild Why* calls for an illuminating end to this endemic crisis of self, and a return to what we know at birth and need to reclaim. This is a book of

teaching, and teaching-spirited stories, all centered on how to find our true self-expression and the wonder that spawns it.

A Champion's Heart Keri Pedersen, 2011-04 Samantha wasn't paying attention anymore. Her eyes were glued to a tall, porcelain gray colt. The colt had a timeless beauty to him. His coat was shimmering in the light of the sun, his mane was flowing in the breeze, and he carried his head high with his neck rounded as if he were royalty. Samantha Green is haunted by the memory of a tragic cross-country accident. On that horrible day, she lost her beloved horse, but she also lost her determination to become the next Olympic contender. Samantha swears that she will never ride a horse again or let another horse get close to her heart for as long as she lives. Her plan is working perfectly, until Samantha steps in to save an injured race horse. Before she knows it, Samantha is the new owner of a charismatic stallion named Star Spangled Banner. Drawn by the horse's effortless grace and commanding presence, Samantha knows that she can make him a champion, but she also knows that being back on a horse terrifies her. Star opens old wounds and makes everything change. With the help of her best friends, Samantha begins to train in an old arena without her parents' knowledge. Can this fearless horse with a heart of gold convince a now timid Samantha to have a little faith and reclaim her dream of Olympic contention? Will Samantha find healing, or will the painful memories of her old horse cause her to give up her dream again? In *A Champion's Heart*, Keri Pedersen explores the powerful bond between a girl and her horse and overcoming seemingly impossible obstacles.
