MomFails 24/7: Real Stories By Real Moms Erica Leigh, 2025-05-20 MomFails 24/7 because we know that being a mom DOES.NOT.STOP.EVER. Whether it's two in the morning, or three in the afternoon, mistakes happen. But, instead of beating ourselves up about it, let's finally give ourselves a break. Let's laugh at our parent blunders. And maybe even share them. ----- MomFails 24/7 is a collection of silly stories written by moms just like you and me. It's for any mom, old and new, that's ever felt like a failure (which is, all of us!). From leaving your kid at the grocery store, to leaving the grocery store because your kid had a meltdown, it's all in there. It will talk you off the ledge of failure and help you realize, Hey, we all make mistakes. I'm not alone. ----- Every story in the book is relatable and funny. It's something you can read in your car, while waiting for your daughter at soccer practice, or read on the toilet while hiding from your kids. Either way, it will make you laugh so hard you pee your pants (thanks weakened pelvic floor muscles!). It's the perfect gift for holidays, birthdays, weddings and baby showers. Anyone who plans on having kids, or already has kids needs to read this book. And pick it up again for a laugh, after they've inevitably done something really REALLY stupid.

Mom's Old Testament Bible Stories Shirley Fillmore Ness,2009-11 Build a boat in a desert? Do What? Go where? Not me, God! Why would a frightened king let a teenager fight a giant? Strong enough to bench press 1000 pounds! Why not compromise? Who needs a den of lions or a fiery furnace? So nasty, even a fish spits him out! Do you know your Bible heroes? Do your kids know these heroes worth following, and the scoundrels to avoid? This book has stories from the Bible about heroes from our culture, and a few scoundrels. These are stories that I taught to my kids while they were growing up. I read them in the Bible, then told them while we were doing dishes. I think telling them is much better than just reading them to kids. It means more. It says that mom or dad actually know and believe what they are telling. It imprints a child's mind to hear stories of heroes who dared to stand for God in spite of temptations to give in. That is what makes a hero.

Believable Lies: New Stories Added Neil Crabtree, 2024-10-03 The stories in Neil Crabtree's debut story collection *Believable Lies* are bold, risky, and wildly entertaining. Trust me--You're going to be carried away to a more vivid and compelling world than the one you're living in. You'll be laughing so hard you won't realize you're crying. No one should be this good the first time out. Neil's genius is his ability to uncover the sadness that underlies the comic and the grandeur just below the surface of our sorry lives.---John Dufresne, author of *Louisiana Power & Light*, and *My Darling Boy*, coming from WW Norton January 2025.

Glenn Stories Joan Wexo, Dick Wexo, 2010-12 Joan and Dick Wexo are first time book writers. They finally wrote *Glenn Stories*, the book, after years of telling the stories to family, friends, acquaintances, and even strangers. They had first worked on a list of any and all stories they could remember from Glenn's childhood. When they found themselves reliving particular stories over and over they decided to put them in book form. Dick is retired from a career in television. He worked in New York City, N.Y., Miami, Florida (twice) and New Orleans, Louisiana. Joan is justly proud of her long highly successful and rewarding stint as Glenn's mother. Joan, Dick and now adult son Glenn currently live in South Florida and are the owners of South Florida Rehearsal Studios and South Florida Real Sound. The Wexo's enjoyed the writing of *Glenn Stories* so much that they have begun work on a children's book, *The House Mouse*. *Glenn Stories* are just as advertised. They take the reader along a 14 plus years journey of individual stories about Glenn Richard Wexo, from a 3 month old adopted son to a teenager. The stories show the growth of a smart, active, dynamic, creative, and inquisitive person from baby to teen. The stories encompass his activities involving parents and grandparents, extended family, friends, colleagues, teachers, acquaintances, and even passing strangers. They could be the stories of many a young person. They are stories that show a complete growing person, warts and all. Over the fourteen year period covered, the reader will first meet Glenn in Brooklyn, New York where he and parents lived until he was three. It highlights his early upbringing of baby to young child surrounded by family, and long term friends in an environment comfortable for all. Then it's on to South Florida where the entire family must make all kinds of adjustments to its new life. Finally, on to New Orleans and yet another life style adjustment just as Glenn heads into his teenage years. It was a wonderful ride.

The Hershey Stories ,

Quarantine. A book of stories and poems Райса Каримбаева,2020-09-24 ABOUT THE BOOKDuring the quarantine period, I decided to collect all my satirical stories and poems in one collection at all, in order to cheer up a little and think, dream about something pleasant. Departure Stories Elisa Bernick,2022-10-04 We weren't religious per se. The most frequent mention of God in our house

was my mother yelling 'Goddammit!' Elisa Bernick grew up different (i.e., Jewish) in the white, Christian suburb of New Hope, Minnesota during the 1960s and early 1970s. At the center of her world was her mother, Arlene, who was a foul-mouthed, red-headed, suburban Samson who ultimately shook the walls of their family until it collapsed. Poignant and provocative, *Departure Stories* peers through the broader lens of Minnesota's recent history to reveal an intergenerational journey through trauma that unraveled the Bernick family and many others. Deftly interweaving reporting, archival material, memoir, jokes, scrapbook fragments, personal commentary, and one very special Waikiki Meatballs recipe, Bernick explores how the invisible baggage of place and memory, Minnesota's uniquely antisemitic history, and the cultural shifts of feminism and changing marital expectations contributed to her family's eventual implosion. *Departure Stories: Betty Crocker Made Matzoh Balls (and other lies)* is a personal exploration of erasure, immigrants, and exiles that examines the ways departures—from places, families and memory—have far-reaching effects.
