"Just a thought..." -e.: Manna for the Mind Ed Cook,2011-07 This thought-provoking book offers short readings on a wide variety of topics prompted by Dr. Ed Cook's engagement with culture and the Christian faith. In the age of sound bites and instant gratification, we sometimes forget that elements of our life deserve more consideration than can be expressed in tweets, posts, and Facebook status updates. The chapters are short, the writing is pithy, and the pages will prompt readers to develop and contemplate their own questions regarding this brave new world in which we find ourselves at the start of the twenty-first century. Just as in life, the joy is often in the journey rather than the destination. The richness of this reading experience may often be found in the questions contemplated rather than in answers discovered. So read, enjoy, and think a bit. You may not agree with everything presented but remember, no offense is intended because, after all, what's offered is just a thought.

Accepting God'S Love Jeff Gray Pharma.D.,Wayne Scott Ph.D.,2013-11-08 This highly interactive and motivational book offers clear insight for making Matthew 22:3739 into a lifes path. Dr. Wayne Scott presents the content through an innovative method of learning called biblical journaling. This helps you to interact with Gods Word. Included are seven chapters on Gods love that have been rewritten into a more contemporary style from Orison Swett Mardens book Loves Way (1891). Marden was the most widely read author of self-development books in the nineteenth century. A comprehensive supplement (presenting 103 journaling questions) is included for the purpose of bringing you to a full understanding of Gods plan for salvation. The supplement starts with the question, If you were to die today, would you go to Heaven? If you cannot give an affirmative yes, then hopefully after working through the supplement you will be able to answer Yes, I know I am

going to heaven.

A Gentle Path through the Twelve Principles Patrick J. Carnes, 2012-06-12 Renowned addiction expert Patrick Carnes, PhD, author of A Gentle Path through the Twelve Steps, outlines twelve guiding principles to help those in recovery develop an essential skill set for life. Renowned addiction expert Patrick Carnes, PhD, author of A Gentle Path through the Twelve Steps, outlines twelve guiding principles to help those in recovery develop an essential skill set for life. Twelve Steps. Twelve Traditions. And yes, Twelve Principles. The Steps outline the actions that lead to extraordinary healing. The Traditions exist as guides to the functioning of the Fellowship. Embedded in both is a series of Principles by which to measure your progress. Anyone who lives a Twelve Step way of life will recognize the principles passed on in A Gentle Path through the Twelve Principles. They have existed among fellowships as a hidden curriculum of fundamental truths about recovery for decades,

but never before have they been distilled into a succinct set of values that, when practiced, help each of us to develop an essential skill set for life. The principles--such universal touchstones for human self-realization as acceptance, awareness, responsibility, openness, honesty, courage, commitment, and meaning--are concepts that enable a deep inner study and focus to make a new life happen in recovery. Recovery means reengineering your life with a focus on renewal. The Twelve Principles are designed to help you get there.
