*The Electronic Church in the Digital Age* Mark Ward Sr.,2015-11-10 This two-volume set investigates the evangelical presence in America as experienced through digital media, examining current evangelical ideologies regarding education, politics, family, and government. Evangelical broadcasting has greatly expanded its footprint in the digital age. This informative text acquaints readers with how the electronic church of today spreads its message through Internet podcasts, social networking, religious radio programs, and televised sermons; how mass media forms the institution's modern identity; and what the future of the industry holds as mobile church apps, Christian-based video games, and online worship become the norm. The work—split into two volumes—reveals the ways that the Christian broadcast community affects evangelical traditions and influences American society in general. Volume 1 explores how electronic media shapes today's Christian subculture, while the second volume describes how the electronic church impacts the wider American culture, analyzing what key figures in evangelical mass media are saying about today's religious, political, economic, and social issues. The set concludes by addressing criticism about religious media and the prospects of American public discourse to accomodate both

secular and religious voices.

*A World of His Own* Gary Brown,

*Here Goes Nothing* Kendra Broekhuis, 2017-02-28 What happens when you ask God, “What do you want me to do today?” This is not a success story. And it’s not one of those stories that has a beginning, a middle, and then a perfectly tidy hind end either. It’s really just a beginning. For thirty days Kendra Broekhuis prayed “to maintain the joy of being wife and mommy amid the daily grind. To see the world through God’s eyes. To live intentionally. To build relationships and share Christ’s love with our neighbors. To learn what it really means to give. To collide ‘motherhood’ with ‘mission.’” This became her motto, her credo, her personal mission statement. Some days it led to actions the Lord gently nudged her to take. Other days it led to reflections the Lord gently whispered into her heart. Every day it led to a single word, one underlying theme that ties all thirty days – all thirty chapters – and their wide variety of topics together: giving. These thirty days found Kendra and her husband and daughter in a strange time of transition. They had just moved back to the United States after teaching for three years in the beautiful country of Guatemala. They were in a new city, working a new job, living in a new apartment building, in search of a new church. And they wanted to put it all together: all of their experiences, all of the things they had just seen and learned and read and discussed. It wasn’t a clean slate but rather a chance to live intentionally. When Kendra and her husband sought advice about the transition from fellow missionary friends, the advice was, “Get to know your neighbors.” It might sound like strange advice, but it made sense. Jesus tells us to “Love God and love your neighbor.” Many times the word neighbor is meant to be vague, but it shouldn’t always be. Part of being mission-minded, no matter where you live or work, is being willing to love the people closest to you, people we often overlook. Kendra’s neighbors—as in the people who live in the other eleven apartments in her building—are whom she often found the Lord’s generosity overflowing to and from during these thirty days.

Called and Equipped Karen Wheeler, 2023-08-23 Teaching isn’t a glamor job. People don’t go into teaching to become rich; they become teachers because they want to make a difference, to touch the future. They feel called. But lately, COVID-19 pressures, political astigmatism, a strained economy, mental health crises, and even gun violence have piled on more stress so a career that begins with an honorable calling sometimes sinks into mediocrity, even survival. *Called and Equipped*, by author Karen Wheeler, was born of a need that was inspired by long, frustrating, and harried days as a teacher navigating the rough seas of public school while trying to maintain some semblance of a faithful Christian in practice. The vehicle in this study is a teaching environment, but this vehicle can go many places. While it is written from a teacher’s perspective, non-teachers have taken the study and have found it very relatable and easy to transfer to their unique work and life situations. Wheeler takes a journey through the Bible, a walk with Biblical characters who were often called into harrowing circumstances but were supported and equipped by God each step of the way. The lessons they learned are

teachable moments for us. Through humor and insight, these lessons can still call and equip us in workplaces today.

**Come Home Alive** Mari D. Martin, 2021-04-12 For twenty years, God has been leading, guiding, and preparing author Mari D. Martin to walk alongside her husband, Chris, through a throat cancer diagnosis, the treatment of that cancer, the recovery from the side effects of the treatments, and then through rehabilitation to return to what will be his new normal. In *Come Home Alive*, Mari shares the oftentimes tender story of their six-part plan to come home alive. She narrates how the couple used their twenty-four years as Kolbe Certified consultants to practice what they taught, consulted, and coached others regarding self-awareness, strengths identification, communication needs, role alignment, and the environment each person needs to thrive. For Chris to thrive again, he needed to heal; and for him to heal, he needed to be in an environment that allowed him to thrive. *Come Home Alive* tells how Mari's role as caregiver was to stay true to herself, while also being the hands and feet to recognize, minimize, and complete the tasks and requirements Chris naturally resisted. Their plan, rooted in faith, and hope, started with daily time together in prayer and belief in the healing power of God. It ended with a practice of thankfulness and expecting a miracle. What they did together in the middle is one you can do, too—through greater awareness of each other's strengths, how to work together, and be a team with the knowledge and wisdom to come home alive.

**The Grave Robber** Mark Batterson, Parker Batterson, 2015-02-24 Do we believe that God still does miracles? Considering how difficult it is for many of us adults to trust in the miraculous power of God, how much more difficult can it be for a young person in the midst of struggles about identity and purpose in life? With the help of his son Parker, bestselling author Mark Batterson now brings the exciting message of a God who longs to do miracles in our lives to a teen audience. Together they show young readers that God is intimately involved in their lives and wants them to experience the miraculous. With poignant examples from the lives of real teens, *The Grave Robber, Student Edition* brings to life not only the seven miracles from John's Gospel but the countless miracles we witness every day—if only we have eyes to see.

*Awakening the Sleeping Giant* Billy Ray Driver, 2018-09-17 The church has been sleeping in sin for too long. The church has to realize that this is not God's plans for them. God wants us to be vigilant and sober to the scheme of the enemy. The church needs to be set free from the sleep in sin enchantment forest that the enemy has them trapped in once and for all. God wants to pour out his Spirit on all flesh in order to set the captive free. The church attains resurrection power residing inside of them, and they don't even know it.

*Jesus Calling* Sarah Young, 2010-03-02 Jesus Calling is a devotional and journal in one, filled with uniquely inspired

treasures from heaven for every day of the year. After many years of writing in her prayer journal, missionary Sarah Young decided to listen to God with pen in hand, writing down whatever she believed He was saying to her. It was awkward at first, but gradually her journaling changed from monologue to dialogue. She knew her writings were not inspired as Scripture is, but journaling helped her grow closer to God. Others were blessed as she shared her writings, until people all over the world were using her messages. They are written from Jesus' point of view, thus the title *Jesus Calling*. It is Sarah's fervent prayer that our Savior may bless readers with His presence and His peace in ever deeper measure.

**Your Jesus Is Too American** Steve Bezner, 2024-10-08 An invigorating look at the current state of the American church and what might be done to move it forward.--Publishers Weekly The American church faces a discipleship crisis. Instead of following the values of Jesus, many Christians are chasing after what our culture prizes: power, money, and political influence. In *Your Jesus Is Too American*, Baptist pastor Steve Bezner invites Christians to rediscover what Jesus treasured and incorporate those kingdom values into the church's witness. With a pastoral voice, Bezner shares the lessons he has been teaching in his church community for 11 years--humble service rather than worldly success, healing relationships across religious and ethnic divides, repairing harm against marginalized groups, giving generously, and providing a political witness rooted in the local church. Bezner shows that Jesus's vision of discipleship points toward a different way of being in the world. The book offers a welcome perspective for church leaders and congregants alike who are frustrated with the way many churches pursue values that are not in line with Jesus's teachings and are worried about the American church's credibility crisis. It includes a foreword by Beth Moore.
