

# La Política Y Los Políticos

**Pablo Valdés Phillips**

*Max Weber: la política y los políticos. Una mirada desde la periferia* Luis Oro Tapia,2010 En este libro se lleva a cabo un análisis, desde la perspectiva de Max Weber, de la política y los políticos. El autor rescata el mensaje que Weber transmitió a sus conciudadanos y lo interpreta a la luz de las circunstancias hispanoamericanas; además recrea los planteamientos del pensador alemán y los pone en juego con el propósito de iluminar el debate político contemporáneo.

*Alain Badiou: Lo político y la política* Jordi Riba,2021-11-01 La escena filosófica de la caverna, utilizada por Badiou como ejemplo y resumen de su propia filosofía, no solamente posee intrínsecamente la forma de vida del filósofo, sino que también muestra la necesidad permanente de afirmar la filosofía como eje vertebrador de lo humano frente a formas de vida inhumanas, las que se muestran en la alegoría platónica como seres encadenados. Para Badiou la naturaleza del filosofar es siempre dar un paso más en el núcleo de un problema que existe desde siempre; que le es legado al filósofo para que se haga cargo de él y transite con él. Hay en el filosofar una interpretación de este legado del cual nunca se llega a tener una respuesta completa; por esta razón la filosofía nunca es concluyente, sino que sólo lo hace presente y da testimonio de su existencia.

De "Lo Político" a la política. Liberalismo: el otro límite de la legitimidad. Pablo Manuel Fernández Alarcón,2005

Cómo funciona la política (How Politics Works) DK,2023-10-31 Descubre todo lo que hay que saber sobre la historia, el pensamiento político, y el funcionamiento interno de los gobiernos de todo el mundo con esta guía gráfica única. Combinando un lenguaje claro sin palabras complicadas con gráficos atractivos, 'Cómo funciona la política' es una guía integral y fácil de usar de todos los aspectos de la política. Cubriendo todo, desde la teoría política hasta los métodos de gobierno, el libro presenta las ideas y teorías de filósofos políticos clave, líderes, movimientos y activistas de una manera única y fácil de entender. Explica ideas políticas a nivel conceptual y explora cómo se aplican a los gobiernos, los movimientos y las tendencias a lo largo de la historia e incluye ejemplos del siglo XXI, como el movimiento feminista y #BlackLivesMatter. El libro también muestra cómo la historia política se ve afectada por la economía, la sociología y el papel de los medios de comunicación, un tema cada vez relevante en la era de las noticias falsas (fake news) y la cultura de la cancelación, y la desconfianza actual en las fuerzas económicas que hay detrás de ciertos medios. Con un enfoque gráfico único, texto claro y autorizado, 'Cómo funciona la política' es la introducción perfecta al tema y un título complementario ideal del 'Libro de la

política' de DK en la serie Grandes Ideas. Discover everything you need to know about political history and thought, and the inner workings of governments around the world with this unique graphic guide. Combining clear, jargon-free language and bold, eye-catching graphics, How Politics Works is a comprehensive and user-friendly guide to all aspects of politics.

Covering everything from political theory to methods of government, the book presents the ideas and theories of key political philosophers, leaders, movements, and activists in a uniquely visual and easy-to-understand way. Explaining political ideas on a conceptual level, entries explore how they apply to governments, movements, and trends throughout history, along with 21st-century examples such as the Feminist movement and #BlackLivesMatter. The book also shows how political history is affected by economics, sociology, and the role of the media—an ever-relevant issue in the age of fake news and cancel culture, and the current distrust of the economic forces behind certain areas of the media. With its unique graphic approach and clear, authoritative text, How Politics Works is the perfect introduction to the subject, and an ideal companion title to DK's The Politics Book in the Big Ideas series.

**La Política** Nicolas Tenzer,1997

**MEMORIAL POLITICO DEL PARTIDO NACIONALISTA Y MEMORANDUM CONJUNTO DE LOS PARTIDOS NACIONALISTA Y PROGRESISTA** PARTIDO NACIONALISTA, PHILIPPINE ISLANDS,1911

Introducción al pensamiento político Umberto Cerroni,1987 Se trata de una seria reflexión alrededor de la política tanto como disciplina autónoma (científica, moderna) cuanto como sistema general subordinado a la religión, la ética o la filosofía. La imposibilidad de usar un mismo parámetro para abordar las ideas antiguas y modernas, el desarrollo del Estado, la civilización constitucional, el eurocentrismo, el nexo cristianismo-mundo clásico, el iusnaturalismo, el pensamiento marxiano, son sólo algunos de los muchos temas que el autor vierte en este breve y sustancioso discurso.

Clientelismo político, ¿desviación de la política o forma de representación?: Guerrero García, Laura Daniela,2014-10-08  
El clientelismo político en Colombia, desde hace unas cuatro décadas, se ha venido configurado como objeto de estudio de antropólogos, sociólogos, historiadores y polítólogos, incluso, se ha configurado como materia de discusión de periodistas y abogados. Los escándalos de corrupción en instituciones públicas, asociados erróneamente con el clientelismo, han suscitado el interés de muchos estudios de caso, que corroboran la existencia de racionalidades útiles a quienes detentan el poder, pero inefficientes dentro de las lógicas de un Estado moderno regido por la transparencia, meritocracia y la participación ciudadana en defensa de lo público.

El sistema político de Chile Octavio Avendaño,Carlos Huneeus,2018 A tres décadas de la realización del plebiscito del 5 de octubre de 1988, que culminara con la victoria de la opción «No», promovida por los opositores al régimen militar, este libro ofrece un balance sobre los rasgos adoptados por el sistema político chileno configurado a partir de ese evento y que se ha venido proyectando hasta el momento actual. En doce capítulos, se abordan aspectos específicos de su funcionamiento, tales como el carácter semisoberano de la democracia, el poder adquirido por la presidencia, las atribuciones del Congreso Nacional, la dinámica del sistema de partidos, la cultura cívica, las elecciones, los medios de comunicación, las políticas públicas, la representación de intereses, el Tribunal Constitucional y el Poder Judicial.

**Contemporary Spanish Politics** José M. Magone,2017-12-06 This fully revised and updated third edition reflects the considerable changes in Spain over the last decade as the country celebrates 40 years of its constitution. The author gives fresh insight into the formal and informal workings of this dynamic southern European democracy. Thoroughly examining Spain's historical background, political culture, core political institutions and foreign policy-making, each chapter provides a research-based overview of the studied topic which can then be used as the basis for further research by students. Key themes of the book include: A thorough overview of contemporary Spanish politics, especially the governments of Zapatero and Rajoy; Spain's political culture and institutional framework; The Spanish economy, and the consequences of the economic and sovereign debt crisis; Foreign policy-making; the reaction to the global anti-terrorist coalition and the Madrid bombings; Policy-making process and the system of interest intermediation; Party system and electoral process; The dynamics of regional/territorial politics and the Basque, Catalan and Galician nationalisms, particularly the quest for Catalan independence; External relations with the European Union, the Mediterranean and Latin America; Constitutional reform; Immigration. Richly illustrated with maps and presenting large amounts of statistical and quantitative data, this book is an indispensable source of information for students, academics and the wider public interested in Spanish politics.

Cambios en el régimen político y su impacto en la política exterior peruana Oscar Vidarte,2019-02-05 Tomando como punto de partida la importancia de las variables internas para comprender la política exterior de un país, este libro busca explicar los efectos que el tipo de régimen político —democrático o autoritario— ha tenido en el comportamiento del Perú en el ámbito internacional. A través de un análisis exhaustivo de la política exterior peruana en cuatro momentos de cambio de régimen (1968, 1980, 1992 y 2000), se demuestra que la llegada al poder de gobiernos autoritarios tiende a implicar mayores cambios en política exterior que las transiciones hacia la democracia; asimismo, se evidencia una relación directa entre la intensidad del cambio de régimen y los cambios en la política exterior. De esta forma, frente a la tradicional inestabilidad política peruana, Cambios en el régimen político y su impacto sobre la política exterior peruana representa un importante

aporte sobre un tema, hasta ahora, poco estudiado en el Perú. Este libro, escrito por Oscar Vidarte Arévalo y Luciano Quispe Robles, es parte de la colección Política exterior peruana.

Evolución del pensamiento político Antonio Blavia Esquirol,1992

México el nuevo escenario político ante el bicentenario Manuel Alcántara Sáez,2009-01-01 Los doce trabajos que contiene México, el nuevo escenario político ante el bicentenario se sitúan en un polígono problemático de la Ciencia Política, donde sus lados quedan enmarcados por las instituciones políticas, las políticas públicas, el sistema electoral y los sistemas de partidos, tanto en el ámbito federal como estadual, los cambios en la cultura política y los medios de comunicación. Sobre ellos se articula una profunda reflexión sobre la política mexicana a mediados de 2009, que busca atender la complejidad del proceso de desarrollo político y el desafío no menor de atender el creciente número de demandas que cotidianamente se plantean en una sociedad como la mexicana. En las vísperas del bicentenario de la independencia de México (1810) la publicación de este libro resulta particularmente oportuna, pues ayuda a reflexionar sobre el proceso complejo y largo de formación del Estado nacional
